MINISTRY OF LABOUR

H.M. Factory Inspectorate,
19 St. James's Square, London S.W.1.

The Minister of Labour hereby gives notice that on 25th June 1964, he made the Offices, Shops and Railway Premises Act, 1963 (Exemption No. 1) Order, 1964, exempting offices on sites of building operations or works of engineering construction from the requirements of section 6 (temperature) and section 10 (1) (provision of running water for washing) of the Offices, Shops and Railway Premises Act, 1963. The exemption from section 6 is granted subject to the condition that employees are provided with conveniently accessible and effective means of warming themselves, and are given reasonable opportunities to use them. The means of warming must not give rise to injurious or offensive fumes.

The Minister of Labour hereby gives notice that on 25th June 1964, he made the Sanitary Conveniences Regulations, 1964, and the Washing Facilities Regulations, 1964.

These regulations are made under sections 9 (3) and 10 (3) respectively of the Offices, Shops and Railway Premises Act, 1963. They determine for premises to which the Act applies (other than premises aggregated in certain markets) what is suitable and sufficient provision of sanitary conveniences and washing facilities for the purposes of section 9 (1) and 10 (1) respectively of the Act.

The Minister of Labour hereby gives notice that on 25th June 1964, he made the Offices, Shops and Railway Premises First Aid Order, 1964.

This Order prescribes, for the purposes of section 24 of the Offices, Shops and Railway Premises Act, 1963, the first-aid requisites and appliances to be contained in first-aid boxes and cupboards provided under that section in the case of office, shop and railway premises. The Order also prescribes the conditions which a person is required to satisfy before he is deemed to be trained in first-aid treatment for the purposes of section 24 of the Act.

The Minister of Labour hereby gives notice that on 25th June 1964, he made the Prescribed Dangerous Machines Order, 1964.

This Order prescribes for the purposes of section 19 of the Offices, Shops and Railway Premises Act, 1963, a number of dangerous machines at which a person must not work unless he has been fully instructed as to the dangers arising and the precautions to be observed, and either has received a sufficient training in work at the machine or is under adequate supervision by a person who has thorough knowledge and experience of the machine.

DRAFT SPECIAL REGULATIONS

Offices, Shops and Railway Premises Act, 1963

In pursuance of section 80 of, and Schedule 1 to, the Offices, Shops and Railway Premises Act, 1963, the Minister of Labour hereby gives notice that he proposes to make special regulations under that Act imposing requirements about first aid in offices and shops in factories, and in offices in electrical stations and on construction sites.

These regulations will apply the first-aid provisions of the Factories Act, with certain modifications, or the first-aid provisions of regulations made under the Factories Act, to these classes of premises instead of section 24 (first aid) of the Offices, Shops and Railway Premises Act, 1963.

The draft regulations are entitled the Offices and Shops in Factories (First Aid) Regulations, the Offices in Electrical Stations (First Aid) Regulations and the Offices at Building Operations &c. (First Aid) Regulations and will be made under section 25, section 74 (2) and (3) and section 26 respectively of the Act.

Copies of the draft regulations may be obtained from H.M. Stationery Office at the addresses shown on the last page of this Gazette or through any bookseller.

Any objection to the draft regulations by or on behalf of persons affected must be sent to the Minister on or before 27th July 1964.
