WATER RESOURCES ACT 1963

Draft of the Dee and Clwyd River Authority (Seaward Boundaries of Area) Order 1965

1. Notice is hereby given that the Minister of Housing and Local Government has prepared in draft an Order which he proposes to make under paragraph 5 of Schedule 2 to the Water Resources Act 1963.

2. The purpose of Schedule 2 is to secure that the seaward boundaries of river authority areas are clearly defined for the purposes of the new, water resources, functions of those river authorities. It provides generally that the seaward boundary is to be low-water mark of ordinary spring tides on the coast of a river authority area and that in the case of a river, stream or other water-course the boundary is to be a line across the mouth from low-water mark at the seaward extremity of one bank to low-water mark at the seaward extremity of the other bank, thus including in the area waters within that line. These provisions, however, are subject to a power given to the Minister of Housing and Local Government by order to include in, or exclude from, a river authority area, designated tidal waters in so far as they are below low-water mark.

3. The general effect of the Order to which this notice relates is to make such an exclusion at the mouth of the river Dee in the area of the Dee and Clwyd River Authority area.

4. Copies of the draft Order and of the map or maps to which it refers may be inspected by any person free of charge at all reasonable hours during the period of 28 days from 12th January 1965 at the following places:

1. The Offices of the Dee and Clwyd River Board,
2. Vicar's Lane, Chester;
