

The Council's reason for submitting this variation to the Ministry of Transport is that the existing position of the pedestrian crossing conflicts with a proposed service road to new housing development on the south side of Lawrence Hill.

Having regard to the future road pattern and bus stopping positions in this area, the proposed new site of the pedestrian crossing is as near to the existing site as is practicable.

Details of this Scheme will be available for inspection at the Town Clerk's Office from the 16th March 1965 and any objections thereto should be sent to the Town Clerk's Office, The Council House, Bristol 1, by the 13th April 1965.

T. J. Urwin, Town Clerk.

16th March 1965.
