

Notice is hereby given that the Kent River Authority have deposited proposals for a licence to abstract a maximum of five hundred and thirty-eight thousand gallons of water a day from the River Medway at a point approximately three hundred yards upstream of the Leigh Sluice, Tonbridge in the county of Kent.

The object of the proposals is to continue the practice of maintaining a flow of water in the Leigh Powder Mill Stream which rejoins the main channel of the River Medway approximately two thousand two hundred yards downstream of the point at which it branches off.

A copy of the application and of the plan submitted with it may be inspected free of charge at Rivers House, London Road, Maidstone, Kent, at all reasonable hours during the period beginning on 23rd June 1965, and ending on 22nd July 1965.

Any person who wishes to make representations about the application should do so in writing to the Clerk, Kent River Authority, Rivers House, London Road, Maidstone, Kent, before the end of the said period.

After the expiration of the said period the Kent River Authority will be entitled to pass a resolution by virtue of which a licence authorising the proposals shall be deemed to be granted, unless the Minister of Housing and Local Government, either in consequence of any representations made with respect to the proposals or otherwise, requires an application for a licence to be made to him.

Dated 18th June 1965.

A. G. Stirk, Clerk of the Authority.

Rivers House,
London Road, Maidstone, Kent.

Notice is hereby given that an application is being made to the Avon and Dorset River Authority by the West Hampshire Water Company, Knapp Mill, Mill Road, Christchurch, Hampshire, for a licence to abstract the following quantities of water from a borehole in the chalk at the following points of abstraction: three million gallons per annum during the months of May to September inclusive at a point map reference 41/169176 in the parish of Woodgreen Hampshire.

The purpose of the application is to enable the existing borehole to be used by an adjoining landowner for spray irrigation pending its development for waterworks purposes.

A copy of the application and of any map, plan or other documents submitted with it may be inspected free of charge at the offices of the Clerk, Ringwood and Fordingbridge R.D.C., Public Offices, Ringwood, Hampshire, at all reasonable hours during the period beginning on 22nd June 1965 and ending on 20th July 1965.

Any person who wishes to make representations about the application should do so in writing to the Clerk of the Avon and Dorset River Authority at "Rostherne", 3 St. Stephen's Road, Bournemouth, before the end of the said period.

Dated 17th June 1965.

N. R. Chaplin, Secretary and Accountant, West (198) Hampshire Water Company.

Notice is hereby given that an application is being made to the Conservators of the River Thames River Authority, by the National Provincial Bank Ltd., 15 Bishopsgate, London E.C.2, for a licence to abstract the following quantities of water from the chalk underground strata at the following points of abstraction:

Ref. Nos.

9,000 gallons per day at H.32A

9,000 gallons per day at H.32B

9,000 gallons per day at H.32C

all situated on the site known as Gresham House, 23-27 Old Broad Street, London E.C.2.

Each of the above reference numbers refers to an existing bore hole which will be re-used.

A copy of the application and of any map, plan or other document submitted with it, may be inspected free of charge at 15 Bishopsgate, London E.C.2, at all reasonable hours during the period beginning Friday, 25th June 1965, and ending on Friday, 23rd July 1965.

Any person who wishes to make representations about the application should do so in writing to the Clerk of the Conservators of the River Thames River Authority, at Burdett House, 15 Buckingham Street, London W.C.2, before the end of the said period.

Dated 21st June 1965.

W. Flather, on behalf of National Provincial (260) Bank Ltd.

Notice is hereby given that an application is being made to the Wye River Authority by Leominster and Wigmore Rural District Council, 11 Corn Square, Leominster for a licence to abstract the following quantities of water from two wells proposed to be constructed in the gravel strata a Kingsland, Herefordshire at the following points of abstraction:

130 gallons per hour at SO 436619 Kingsland

Parish, Leominster and Wigmore Rural District.

130 gallons per hour at SO 437615 Kingsland

Parish, Leominster and Wigmore Rural District.

A copy of the application and of any map, plan or other document submitted with it may be inspected free of charge at 11 Corn Square, Leominster, Herefordshire at all reasonable hours during the period beginning on 18th June 1965 and ending on 20th July 1965.

Any person who wishes to make representations about the application should do so in writing to the Clerk of the Wye River Authority, at 4 St. John Street, Hereford, before the end of the said period.

C. D. Treavett, on behalf of Leominster and Wigmore District Council.

Dated 15th June 1965.
