Notice is hereby given that an Application is being made to the Lincolnshire River Authority by the East Lincolnshire Water Board, of a Licence to abstract water from the Spilsby Sandstone by means of a further borehole at Grid Reference TF 319 859 Horncastle Road, Louth.

It is proposed to abstract from the additional borehole, together with the existing boreholes, at Horncastle Road, Louth, and Grid Reference TF 315 868 Hubbards Hills, Louth, a maximum of 2.22 million gallons per day.

A copy of the application and of the necessary plans which will accompany the application, may be inspected free of charge at the Board's Offices at the Town Hall, Skegness, at all reasonable hours for a period of twenty-eight days from 24th September 1965.

Any person who wishes to make representations about the application should do so in writing to the Clerk of the Lincolnshire River Authority at 50 Wide Bargate, Boston, Lincs., before the end

of the said period and it would be of advantage if a copy were sent to me at the address below.
