WHITEFIELD URBAN DISTRICT COUNCIL

The Whitefield Urban District Council Smoke Control Order, No. 5c

Notice is hereby given that the Whitefield Urban District Council in exercise of the powers conferred on them by section 11 of the Clean Air Act, 1956, on the 7th day of December 1965, made an Order entitled the Whitefield Urban District Council Smoke Control Order No. 5c declaring the area described in the Schedule hereto to be a smoke control area, which Order is about to be submitted to the Minister of Housing and Local Government for confirmation.

Subject to the limitations and exemptions provided by the Order and by virtue of section 11 (4) of the Act if, on any day after the Order has come into operation smoke is emitted from a chimney of any building within the smoke control area the occupier of that building shall be guilty of an offence and liable to a fine not exceeding £10 unless he proves that the emission of smoke was not caused by the use of any fuel other than an authorised fuel. The authorised fuels include anthracite, coke and other carbonised fuels, gas and electricity.

The Minister of Housing and Local Government has designated the following class of heating appliance for the purpose of section 95 (3) of the Housing Act, 1964 as being in his opinion generally unsuitable for installation in smoke control areas in England and Wales as tending, by reason of its consumption of electricity at times when it is generally used, to impose undue strain on the fuel resources available, namely, all electrically operated space-heating appliances with the exception of appliances which operate or mainly operate by storing heat in material which is either incorporated in the appliance or which forms part of the structure in which the appliance is used and in either case where the appliance takes its current for heating purposes wholly from a circuit designed to operate at off-peak electricity tariff. The effect of the designation is not to prohibit the installation of direct acting electric space-heaters but to exclude the cost of their installation from expenditure attracting grant under the Clean Air Act, 1956.

If confirmed, the Order will not come into operation before 1st August, 1966 or before a later date determined by the Minister of Housing and Local Government.

Copies of the Order and of the Map referred to therein may be inspected free of charge at the Town Hall, Whitefield, at all reasonable times during the

period of six weeks from the 24th day of December 1965.
