WHITLEY BAY BOROUGH COUNCIL

The Borough of Whitley Bay Smoke Control Order No. 2, 1966

Notice is hereby given that the Whitley Bay Borough Council in exercise of the powers conferred on them by section 11 of the Clean Air Act, 1956, on the 22nd day of December 1965, made an Order entitled the Borough of Whitley Bay Smoke Control Order No. 2, 1966, declaring the area described in the First Schedule hereto to be a Smoke Control area which Order is about to be submitted to the Minister of Housing and Local Government for confirmation.

Subject to the exemption provided by the Order and by virtue of section 11 (4) of the Act, if on any day after the Order has come into operation smoke is emitted from a chimney of any building within the Smoke Control area, the occupier of that building shall be guilty of an offence and liable to a fine not exceeding £10 (ten pounds) unless he proves that the emission of smoke was not caused by the use of any fuel other than an authorised fuel. The authorised fuels include anthracite, coke and other carbonised fuels, gas and electricity.

The Minister of Housing and Local Government has designated for the purpose of section 95 (3) of the Housing Act, 1964, as being in his opinion generally unsuitable for installation in Smoke Control areas in England and Wales all electrically operated space-heating appliances with the exception of appliances which operate or mainly operate by storing heat

in material which is either incorporated in the appliance or which forms part of the structure in which the appliance is used and in either case where the appliance takes its current for heating purposes wholly from a circuit designed to operate at off-peak tariff. The cost of their installation will be excluded from expenditure attracting grant under the Clean Air Act, 1956.

The Council have designated open fire grates capable of burning only open grate fuels as being ineligible for grant in accordance with the provisions of section 95 (2) of the Housing Act, 1964, as such appliances are considered by them as tending to impose undue strain on the fuel resources available for the area.

The classes of fireplaces in the area which are specified in the Second Schedule hereto shall be exempted from the operation of the said section 11, upon the conditions specified in respect thereof in the said Second Schedule.

If confirmed, the Order will not come into operation before the 1st day of November 1966, or before a later date determined by the Minister of Housing and Local Government.

Copies of the Order and of the map referred to therein may be inspected free of charge at the Municipal Offices, Whitley Bay, at all reasonable times during the period of six weeks from the 28th January 1966.
