REFERENCE TO THE NATIONAL BOARD FOR PRICES AND INCOMES

BUSMEN'S PAY

Negotiations have been proceeding on the review of pay for London Transport busmen to take effect in June 1966, twelve months after the previous settlement. The busmen's representatives are claiming a substantial increase in pay which they consider to be justified on the basis of the Phelps Brown Committee's review of the pay and conditions of employment of London busmen early in 1964. New claims have also recently been submitted on behalf of busmen employed in municipal and company bus undertakings.

2. Having regard to the importance of these public transport services and of busmen's pay and conditions, the Government requests the National Board for Prices and Incomes to examine and report on:

- (i) the criteria for establishing the pay and conditions of London busmen and their application to the current claims;
- (ii) the other claims mentioned above;
- (iii) the relationship between the pay and conditions of busmen in the various sectors of the bus industry.

MINISTRY OF HOUSING AND LOCAL GOVERNMENT

LOCAL GOVERNMENT ACT 1958

Tyneside Special Review Area

Proposals of the Minister of Housing and Local Government

The Minister of Housing and Local Government has considered the report and proposals of the Local Government Commission for England on their review of the organisation of local government in the Tyneside Special Review Area and has consulted with all the local authorities in the area.

The Minister is of the opinion that the proposals submitted by the Commission (namely for the establishment of a continuous county for Tyneside divided into four most-purpose boroughs) are not apt for the purpose of securing effective and convenient local government in the area and that provision is required for that purpose.

Accordingly the Minister in the exercise of his powers under section 24 of the Local Government Act 1958 has proposed that a new county borough should be established for Tyneside. The Minister has also made certain other incidental proposals.

A copy of the Minister's proposals and the accompanying map defining the proposed boundary of the county borough together with other relevant documents may be inspected without charge during normal office hours at the offices of the councils named in the Schedule.

Representations may be made to the Minister with respect to the proposals by 4th April 1966. They should be addressed to the Secretary, L.G.4, Ministry of Housing and Local Government, Whitehall, London S.W.1. A public local inquiry will be held on a date to be announced shortly.

SCHEDULE

Durham and Northumberland County Councils;
Gateshead, Newcastle, South Shields and Tyneside County Borough Councils;
Jarrow, Wallsend and Whitley Bay Borough Councils;

Blaydon, Boldon, Felling, Gosforth, Hebburn, Longbenton, Newburn, Ryton, Seaton Valley, Washington and Whickham Urban District Councils;

Castle Ward and Chester-le-Street Rural District Councils.

P. J. Harrop, Assistant Secretary.

3rd March 1966.

BROAD SANCTUARY, WESTMINSTER PUBLIC LOCAL INQUIRY

On the direction of the Minister of Housing and Local Government arising out of the Martin and Buchanan Reports on Whitehall, a public inquiry will be held into the future of the area bounded by Parliament Square, Broad Sanctuary, Great George Street and Storey's Gate.

The purpose of the inquiry is to hear and report on proposals for the future use or uses of this area, having regard to the provisions of the initial development plan for Greater London and any other relevant considerations.

The inquiry will be held by Professor Sir Robert Matthew, C.B.E., P.P.R.I.B.A., M.T.P.I., and will open at 6 Burlington Gardens, London W.1, at 10.30 a.m. on Tuesday, 10th May 1966.

A certified copy of the initial development plan for Greater London (including the written statements, maps and other documents constituting the plan and all the subsequent amendments) is deposited for public inspection in Room 533, Main Building, at the County Hall, London S.E.1, and certified copies of those parts of it relating to the area of the City of Westminster are deposited in Room 1118 at the Westminster City Hall, Victoria Street, London S.W.1. The copies so deposited are available for inspection free of charge by all persons interested at the places mentioned above during the usual office hours.

The Martin and Buchanan Reports on Whitehall are published by Her Majesty's Stationery Office, price £2 10s. 0d., under the title *Whitehall: a plan for the national and government centre, accompanied by a report on traffic*. Copies are also available for inspection at County Hall and Westminster City Hall under the arrangements described above.

Any person who wishes to make representations should notify Mr. D. R. Lewis of the Ministry of Housing and Local Government, Whitehall, London S.W.1, not later than 12th April and state the nature of the representations that he wishes to make.

While those wishing to make representations will be permitted to appear by Counsel at the inquiry if they so desire, the Minister does not consider that it will be necessary for them to incur the cost of legal representation in order to present their case.

*V. D. Lipman, Assistant Secretary, Ministry of
Housing and Local Government.*
