TOWN AND COUNTRY PLANNING ACTS

BARROW-IN-FURNESS COUNTY BOROUGH COUNCIL

County Borough of Barrow-in-Furness Development Plan

Notice is hereby given that the Minister of Housing and Local Government has considered the proposals for alterations and additions to the County Borough of Barrow-in-Furness Development Plan submitted by the Council on the 25th day of May 1964 and the 7th day of January 1965, and relating to land situate within the County Borough of Barrow-in-Furness and proposes to amend the Plan accordingly, subject to the following modifications to the proposals.

Barrow-in-Furness Town Map Amendment No. 1

<i>Modification No.</i>	<i>Description of Modification</i>	<i>Reason for Modification</i>
1	Amend the population figure given on page 1 of the Written Statement as 63,800 to 64,700.	To accord with the figure for 1971 quoted in table 1 of the Written Analysis.
2	Add wording to the Written Statement to indicate that the new proposals listed in category C of that Statement are to be carried out by 1971.	To comply with the requirements of section 14(1)(b) of the Town and Country Planning (Development Plans) Regulations 1965.
3	In paragraph 2 of page 6 of the Written Statement amend "Preston Street" to read "Forshaw Street" and the figure "3.5 acres" to read "2.5 acres."	To bring the Statement into line with the proposal (correctly) shown on Amendment Map No. 1.
4	Define on Amendment Map No. 1 the mineral workings at South End, Walney Island.	To regularise existing conditions.
5	Delete the industrial allocation at Flass Lane and reallocate for use as statutory allotments.	This allotment land is not now required for industrial development.
6	Delete that part of the industrial allocation at Sowerby Wood which extends east of Park Road and north and east of Sowerby Cottages.	There is an over-provision for industry on Amendment Map No. 1. There are agricultural objections to the industrial development of land at Sinkfall Farm. If, later, further land is needed for industrial development this can be considered within the context of another amendment to the Development Plan, or as a "Departure" from the Plan.

Barrow-in-Furness Town Map Amendment No. 2

<i>Modification No.</i>	<i>Description of Modification</i>	<i>Reason for Modification</i>
1	Reduce the residential allocation at Holbeck Farm to 43 acres, with a consequential amendment of the Written Statement.	To define the area required for residential development during the period of the Development Plan, i.e. by 1971, and to enable the farm to continue in agricultural use for as long as possible.

Any objection to the modifications should be sent in writing to The Secretary, Ministry of Housing and Local Government, Whitehall, London, S.W.1, before the 1st day of August 1966, and should state in full the reasons for the objection and identify the land to which it relates.

Objections cannot be entertained, however, either to the Council's original proposals or to the Minister's failure to make a modification.

Dated this 1st day of July 1966.

A. M. Woll, Town Clerk

Town Hall,
Barrow-in-Furness.
