MINISTRY OF LAND AND NATURAL RESOURCES

COMMONS REGISTRATION ACT 1965

Notice of Application for an Exemption Order

Application has been made to the Minister of Land and Natural Resources by Esher Urban District Council and the Oxshott Heath Conservators for an Order under section 11 of the Commons Registration Act 1965 exempting the land of which particulars are given below from registration under the Act.

The Act provides for the registration of common land and town or village greens and of rights of common. The registration of rights of common entails the registration of the land over which they are exercised. Persons claiming the freehold ownership of land registered under the Act will be required to register their claims unless the freehold title is registered at the Land Registry.

Registration will not begin before 1st January 1967, and detailed information about it will be given nearer that date.

Applications for exemption from registration must be made to the Minister before 1st October 1966. The Minister may not make an Order for exemption with respect to any land unless it appears to him—

(a) that the land is regulated by a scheme under the Commons Act 1899 or the Metropolitan Commons Acts 1866 to 1898 or is regulated under a local Act or under an Act confirming a provisional order made under the Commons Act 1876; and

(b) that no rights of common have been exercised over the land for at least thirty years and that the owner of the land is known.

If the Minister grants the application and makes the Order, the registration provisions of the Commons Registration Act 1965, as briefly outlined above, will not apply to the land described below. However,

land that is common land or a town or village green will not cease to be so if an Order is made in respect of it, nor will the rights or interests of any person in the land be prejudiced by the Order.

Local authorities in whose area any part of the land lies have been sent copies of the application (incorporating a map of the land), which they are required by law to keep available for public inspection. Any person wishing to object to the grant of an exemption order, and any person who has exercised, or who knows of the exercise of, common rights over any part of the land at any time during the last thirty years, should, within forty days of the date of this notice, send a written and signed statement of the facts to The Secretary, Ministry of Land and Natural Resources, Queen Anne's Mansions, Queen Anne's Gate, London S.W.1.

Dated 10th October 1966.

K. W. Evans, on behalf of the Minister.

Particulars of the land sought to be exempted from registration under the Act

Oxshott Heath situate in the Urban District of Esher in the county of Surrey, comprising 228 acres.

Notice of Applications for Exemption Orders

Applications have been made to the Minister of Land and Natural Resources by Esher Urban District Council for Orders under section 11 of the Commons Registration Act 1965 exempting the lands of which particulars are given below from registration under the Act.

The Act provides for the registration of common land and town or village greens and of rights of common. The registration of rights of common entails the registration of the land over which they are exercised. Persons claiming the freehold ownership of land registered under the Act will be required to register their claims unless the freehold title is registered at the Land Registry.

Registration will not begin before 1st January 1967, and detailed information about it will be given nearer that date.

Applications for exemption from registration must be made to the Minister before 1st October 1966. The Minister may not make an Order for exemption with respect to any land unless it appears to him—

(a) that the land is regulated by a scheme under the Commons Act 1899 or the Metropolitan Commons Acts 1866 to 1898 or is regulated under a local Act or under an Act confirming a provisional order made under the Commons Act 1876; and

(b) that no rights of common have been exercised over the land for at least thirty years and that the owner of the land is known.

If the Minister grants the applications and makes the Orders, the registration provisions of the Commons Registration Act 1965, as briefly outlined above, will not apply to the lands described below. However, land that is common land or a town or village green will not cease to be so if an Order is made in respect of it, nor will the rights or interests of any person in the land be prejudiced by the Order.

Local authorities in whose area any part of the lands lie have been sent copies of the applications (incorporating maps of the lands), which they are required by law to keep available for public inspection. Any person wishing to object to the grant of exemption orders, and any person who has exercised, or who knows of the exercise of, common rights over any part of the lands at any time during the last thirty years, should, within forty days of the date of this notice, send a written and signed statement of the facts to The Secretary, Ministry of Land and Natural Resources, Queen Anne's Mansions, Queen Anne's Gate, London S.W.1.

Dated 10th October 1966.

K. W. Evans, on behalf of the Minister.

Particulars of the lands sought to be exempted from registration under the Act

Downside Common comprising 17.5 acres; Old Common comprising 33.5 acres; Little Heath Common comprising 15.5 acres and Upper Tilt, Lower Tilt, Brook Hill and Leigh Hill Commons comprising 22 acres, all situated in the Urban District of Esher in the county of Surrey.
