PRIVY COUNCIL OFFICE

At the Court at Buckingham Palace the 22nd day of November 1966

PRESENT,

The QUEEN'S Most Excellent Majesty in Council

Whereas the Minister of Housing and Local Government, after giving to the Incumbent and Churchwardens of the Parish of Chesterton, in the County of Stafford, ten days' previous notice of his intention in that behalf, has, under the provisions of the Burial Act, 1853, as amended by subsequent enactments, made a Representation to Her Majesty in Council that, for the protection of the Public Health, burials should be discontinued forthwith and entirely in the Churchyard of Holy Trinity, Chesterton in the said County.

Provided that—

In any earthen grave now existing in the said Churchyard, the burial may be allowed of the body of any member of the family of the person or persons heretofore buried in such grave, subject to the condition that no part of the coffin containing the body shall be at a depth less than three feet below the level of the surface of the ground adjoining the grave.

Now, therefore, Her Majesty in Council is pleased hereby to give Notice of such Representation and to order that the same be taken into consideration by a Committee of the Privy Council on the 31st day of January next.

And Her Majesty is further pleased to direct that this Order be forthwith published in the London Gazette, and that copies thereof be affixed on the doors of the Churches or Chapels of, or on some conspicuous places within, the Parish affected by such Representation one month before the said 31st day of January.

W. G. Agnew.

At the Court at Buckingham Palace, the 11th day of November 1966

PRESENT

The QUEEN'S Most Excellent Majesty in Council

Whereas it is expedient to provide for revised rates and conditions of award of pensions to the widows and children of deceased Officers, Petty Officers, Non-Commissioned Officers and Men of the Royal Navy and Royal Marines:

Now, therefore, Her Majesty, in exercise of the powers conferred upon Her by section 3 of the Naval and Marine Pay and Pensions Act, 1865, and of all other powers enabling Her in that behalf, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

1. This Order may be cited as the Naval and Marine Pay and Pensions (Family Pensions) Order 1966.

2. The revised rates and conditions of award of widows' and children's pensions in respect of the service of deceased Officers, Petty Officers, Non-Commissioned Officers and Men of the Royal Navy and Royal Marines shall be as specified in the Schedule annexed hereto.

W. G. Agnew.

SCHEDULE

SECTION I

The Forces Family Pensions Scheme

1. The family pensions and other awards provided for in this Schedule are those payable in respect of the service of deceased Officers, Chief Petty Officers, Petty Officers, Non-Commissioned Officers and Men of the Royal Navy and the Royal Marines, as distinct from the awards which are payable in respect of deaths which are due to service.

2. Except where otherwise stated, the term "Officers" in this Schedule should be read as including Commissioned Officers of the Royal Navy and of the Royal Marines and "R.N. ratings and R.M. other ranks" should be read as including Chief Petty Officers, Petty Officers and other ratings of the Royal Navy and Non-Commissioned Officers and other ranks of the Royal Marines.

3. Subject to the detailed regulations set out below family pensions may be paid to eligible members of the families of deceased Officers, R.N. ratings and R.M. other ranks who were entitled by service to half pay, retired pay or service pension, or, where death occurred during service, would have been so entitled had they been invalidated on the day they died.

4. Family pensions payable in respect of service are at higher or lower rates (referred to hereafter as "ordinary" and "modified" pensions respectively)

according to whether the family is receiving a pension in respect of death due to service (referred to hereafter as an "attributable" pension). If an "attributable" pension has not been awarded an "ordinary" family pension will be payable but if an "attributable" pension has been awarded a "modified" family pension will be payable.

SECTION II

Family Pensions

5. The provisions of this section are effective from 1st January 1966, and are applicable to the widows and children of Officers, R.N. ratings and R.M. other ranks provided the Officer, rating, or other rank was granted, or was entitled to, half pay, service retired pay or pension, or if death occurred whilst serving would have been so entitled had he been invalided on the date of death; provided also in the case of R.N. ratings and R.M. other ranks (excepting Regimental Sergeant Majors, Royal Marines) that service reckonable for pension was given after 31st August 1950, and that, where death occurred before 4th November 1958, the following periods of reckonable service had been completed:

	Years of Reckonable Service
Quartermaster Sergeant, R.M. ...	} 22
Chief Petty Officer ...	
Colour Sergeant, R.M. ...	
Petty Officer ...	} 27
Sergeant, R.M. ...	
Leading Rate and below ...	} 32
Corporal, R.M. and below ...	

6. "Ordinary" Family Pensions.—If the death of the husband was not due to service and the family is not receiving an "attributable" pension, an "ordinary" family pension, at the rates set out below may be granted:

Widows

The rate of Widow's pension will be:

a. One third of the husband's half pay, retired pay, or pension as defined in Clause 6b or the rate according to the husband's rank provided for in Clause 7 whichever is the more favourable.

b. For the purpose of Clause 6a above, the rate of half pay, retired pay or pension will be the basic rate, ignoring, subject to the exception in Clause 21 section III, any commutation that may have been made, plus all the pensions increases appropriate to the basic rate whether or not the husband qualified for these increases by virtue of age or health. The age 70 addition payable under Order in Council (1stN.P.) of 17th January 1963 shall not, however, be included in the calculation.

Children

Each child one-third or, if motherless, two-thirds of the rate of widow's pension appropriate to the rank and service of the Officer, R.N. rating or R.M. other rank.

7. Minimum rates of Ordinary Family Pensions

If the rates of pension calculated in accordance with Clause 6 would be less than those set out below, the latter would be payable:

(b) A supplementary pension for a widow with children will be calculated as if the awards to that widow and children were one award, and may not be calculated as a separate pension for each dependant.

(c) The same lead will apply for a motherless child or children as for the widow and children of an Officer of corresponding rank.

(d) A supplementary pension will be assessed on the basis of the awards in payment in the calendar year starting on the date of commencement of the "modified" family pension granted under Clauses 8 or 9, but excluding the amount by which the rate of National Insurance Widow's Allowance would exceed that of subsequent National Insurance Widows' Benefits or does exceed that of the widow's "attributable" pension. The amount of the supplementary pension will be re-assessed on the cessation of individual children's pensions, but will otherwise normally remain unaltered.

(e) In calculating or re-assessing a supplementary pension any Education or Rent Allowance, or any grants to a widow or unmarried dependant under Order in Council of 13th May 1959, shall not be taken into account.

12. Definition of Rank for the Purposes of Minimum Awards of "Ordinary" and "Modified" Family Pensions

Rank for the purposes of Clauses 7 and 9 will be as follows:

- (a) Officers. The rank shall be the substantive rank held by the Officer on his retirement, provided that unless the Officer is invalidated, the rank had been held on the Active List for the following minimum period:
 - (i) Admiral/General, Royal Marines 1 year
 - (ii) All other Officers 2 years

Where an Officer dies while serving on the Active List the minimum period above will not apply. Higher paid acting or temporary rank will be taken into account to the same extent as for retired pay purposes.

(b) R.N. Ratings and R.M. Other Ranks. The highest paid rank held for an aggregated period of two or more years during the last five years of service preceding termination of full pay service (including service in a higher paid rank of less than two years' duration); or, if more favourable where the R.N. rating or R.M. other rank was invalidated or died whilst serving the substantive rank held at the time of discharge or death. If a R.N. rating or R.M. other rank who has completed a pensionable engagement is permitted to remain in or re-enter the Service in a lower rank, the rank will be the highest paid rank held for two or more years during the five years preceding the completion of such pensionable engagement if this is more favourable.

SECTION III

Conditions governing the Award of Family Pensions

13. Pension Cannot be Claimed as a Right

(a) A pension cannot be claimed as a right and will not be granted or continued when the applicant is shown to be living with a man as his wife, nor will it be granted if the service of the Officer, R.N. rating or R.M. other rank has not been such as in the opinion of the Defence Council to justify the award.

(b) If the death of an Officer or rating or marine, or the wound, injury or disease which resulted in his death, was due wholly or in part to his own negligence or misconduct or to any cause within his control, any grant which might otherwise be made to his widow or children may be withheld or reduced in amount at the discretion of the Defence Council.

(c) If an Officer retired, dismissed the Service, or called upon to retire for misconduct or inefficiency, or a R.N. rating or R.M. other rank discharged for misconduct or inefficiency was not granted any retired pay or pension in respect of his service, no award will be made to the family. If reduced retired pay or service pension was awarded, the family pension will be at such rate as the Defence Council may determine.

(d) If the applicant is granted any other pension or allowance from public funds on account of the service of the deceased, any pension which might otherwise be granted under this Schedule may be withheld or reduced as the Defence Council may determine.

(b) R.N. Ratings' and R.M. Other Ranks' Widows

	Weekly Rates			
	Under 70	Aged 70 or Over		
	£	s. d.	£	s. d.
Regimental Sergeant Major, R.M. ...	1	3 5	1	8 8
Quartermaster Sergeant, R.M. ...	1	1 8	1	6 8
Chief Petty Officer/				
Colour Sergeant, R.M. ...	0	19 11	1	4 6
Petty Officer/Sergeant, R.M. ...	0	17 4	1	1 4
Leading Rating/Corporal, R.M., and all lower ranks ...	0	13 1	0	16 0

10. Age Addition. Widows in receipt of a pension at a rate other than a minimum rate whose husbands, if Officers, retired or died before 1st February 1962, and, if R.N. ratings or R.M. other ranks, were discharged or died before 31st January 1962, may be awarded the age 70 addition provided for in Order in Council (N.P.) of 17th January 1963, on reaching or having reached the age of 70.

11. Supplements to "Modified" Family Pensions

(a) Where, but for the pension or allowances awarded on the ground that the husband's death was due to service, a widow would have received a National Insurance award, the Ministry of Defence may grant a supplementary pension equal to the amount by which the widow's "attributable" pension and "modified" family pension falls short of an award of "ordinary" family pension, together with the National Insurance award and a lead of £26 a year in the case of the widow of an officer, 7s. 6d. a week in the case of the widow of a Regimental Sergeant Major, Royal Marines, and 5s. 0d. a week in the case of the widow of any other rank or rating.

14. Conditions relating to Marriage

(a) To be eligible for a pension, a widow must have been married to the Officer, R.N. rating or R.M. other rank before his retirement or discharge; or, if he subsequently gave further service in circumstances rendering him eligible for re-assessment of retired pay or pension, before the termination of such further service.

(b) If the death of the Officer, R.N. rating or R.M. other rank occurred within a year of his marriage, the Defence Council, in the light of the circumstances of the case, may withhold or reduce the award otherwise admissible.

15. Effect of Separation on Widow's Pension and Gratuity

Subject to any exception which the Defence Council may approve in a particular case, an award will not be made to a widow who was separated from her husband at the time of his death. Should such an exception be approved, the award will be at such a rate, and subject to such conditions, as the Defence Council may determine.

16. Withholding or Diversion of Pension

In exceptional circumstances the Defence Council may withhold the whole or any part of a pension granted under this Schedule and may divert the whole or part for the benefit of persons dependent on the pensioner.

17. Date of Commencement of Pension

The date of commencement of pension will be determined according to the circumstances of the case and will normally, if application is not unduly delayed, be the date following the husband's death; or, if death occurred during service, the date following the termination of allowances issuable after death.

18. Related Claims

If a widow dies before establishing her claim to pension, arrears of pension will not, save in exceptional circumstances, be allowed to her estate.

19. Re-marriage

The pension of a widow who re-marries will be suspended, but if she again becomes a widow her pension may be restored in whole or in part at the discretion of the Defence Council, if her pecuniary circumstances justify such restoration.

20. Children

(a) A "child" for the purposes of the award of a pension under this Schedule means:

(i) A legitimate child of the Officer, R.N. rating, or R.M. other rank provided that the child's mother fulfilled the conditions relating to marriage contained in Clause 14 of this Schedule; or

(ii) a step-child of the Officer, R.N. rating, or R.M. other rank who was mainly dependent on him at the time of his death, provided that the child's mother fulfilled the conditions relating to marriage contained in Clause 14 of this Schedule; or

(iii) a child adopted by the Officer, R.N. rating or R.M. other rank, or by his wife, before his retirement or discharge (or, if he subsequently gave further service in circumstances rendering him eligible for a re-assessment of retired pay or service pension, before the termination of such further service), who was mainly dependent upon him at the time of his death, and provided that the child's mother by adoption fulfilled the conditions relating to marriage contained in Clause 14 of this Schedule; or

(iv) a child mainly dependent upon the Officer, R.N. rating, or R.M. other rank before his retirement or discharge (or, if he subsequently gave further service in circumstances rendering him eligible for re-assessment of retired pay or service pension, before the termination of such further service), who was adopted by the Officer, R.N. rating or R.M. other rank, or by his wife after his retirement or discharge (or after the termination of such further service), provided that the Defence Council is satisfied that the Officer, R.N. rating or R.M. other rank had formed the intention of adopting the child before retirement or discharge (or before the termination of such further service) and that the child was mainly dependent upon him at the time of his death, and provided that the child's mother by adoption fulfilled the conditions re-

lating to marriage contained in Clause 14 of this Schedule; or

(v) an illegitimate child of the Officer, R.N. rating or R.M. other rank, or of his wife, born before his retirement or discharge (or, if he subsequently gave further service in circumstances rendering him eligible for re-assessment of retired pay or service pension, before the termination of such further service), who was mainly dependent upon him at the time of his death, and provided that, where the child is the illegitimate child of the wife, the wife fulfilled the conditions relating to marriage contained in Clause 14 of this Schedule.

(b) A child's pension will normally cease when the child attains the age of 18 years in the case of the child of an Officer or a Regimental Sergeant Major, Royal Marines, or the age of 16 years in the case of all other ratings and ranks, but may be granted or continued after those ages:

(i) if the child continues to receive full-time education, or is an apprentice not receiving more than nominal wages; or

(ii) if, before attaining the age referred to above the child was, and continues to be afflicted by mental or bodily infirmity and is therefore incapable of earning his or her own living, provided the Defence Council considers that the pecuniary circumstances of the child and family are such as to justify the award.

(c) Children's pensions will be paid to the widow or mother of the child, or other person responsible for the child's maintenance, or to the child direct, as may be decided by the Defence Council.

(d) Pensions of children of Officers and of Regimental Sergeant Majors, Royal Marines, may be issued annually in advance, with effect from 1st April in each year.

21. Commutation of Retired Pay

The widow and children of an Officer who commuted a portion of his retired pay under the Pensions Commutation Acts of 1871 to 1882, or of a RN rating or RM other rank who has commuted part of his pension shall not thereby be deprived of entitlement to pension under this Schedule, but the award to the widow of an Officer whose marriage took place after commutation, a legitimate or illegitimate child born after commutation, a step-child eligible by virtue of a marriage after commutation, or a child adopted after commutation, shall be reduced by a proportion corresponding to the proportion of retired pay commuted.

SECTION IV

Gratuities to Widows and Children on the Death of Serving Officers, RN Ratings and RM Other Ranks

22. (a) The provisions of this section apply to the widows and children of Officers and RN ratings and RM other ranks who die while serving on full pay on or after 1st February 1966.

(b) All awards under this section will be governed by the general conditions set out in Section III as applicable.

23. Where a permanent Officer or a short service Officer dies while serving on full pay on the Active List, his widow may be granted a gratuity as follows:

(i) If, had the Officer been invalided, he would have been eligible for a terminal grant, a gratuity equal to nine-tenths of the terminal grant to which he would have been entitled had he been invalided on the day of his death.

(ii) In other cases a gratuity on the following scale for each year which would have been counted for service gratuity as an Officer.

Less than 4 years' service	£325
4 years' service	£425
5 years' service	£525
6 years' service	£625
7 years' service	£730
8 years' service	£840
9 years' service	£950

Thence by increments of £110 for each additional year of service which would have been counted for service gratuity.

24. Where a RN rating or RM other rank dies while serving on full pay on a regular engagement his widow may be granted a gratuity as follows:

(i) If, had he been invalided, he would have been eligible for a terminal grant, a gratuity equal

to nine tenths of the terminal grant to which he would have been entitled on the day of his death.

(ii) If, had he been invalided on the day he died, he was not eligible for a terminal grant, his widow may be paid a gratuity in accordance with the following scale:

Less than 4 years' service	£120
4 years' service	£140
5 years' service	£165
6 years' service	£190
7 years' service	£215
8 years' service	£235
9 years' service	£260
10 years' service	£285
11 years' service	£310

Thence by increments of £25 for each additional year of service which would have been counted for service gratuity.

25. Where, had the Officer or seaman or marine been invalided, an adjustment would have been made to his award in respect of gratuity or other non-effective payment previously received by him, an abatement may be made on that account in assessing the gratuity payable under Clause 23 or 24.

26. Where the Officer or seaman or marine did not leave a widow eligible for an award under this section but a child or children (as defined in Clause 20, and fulfilling the conditions of that Clause), the Defence Council may at its discretion award a gratuity to the child or children or to any of them. The total award shall not exceed that which would have been payable to a widow eligible for an award under this section and the award to any one child shall not exceed one third of that amount.

27. Where the Officer or seaman or marine leaves a widow and in addition a child or children (as defined in Clause 20 and fulfilling the conditions of that Clause), who are not living with or supported by her, the Defence Council may divert a sum of not more than one third of the gratuity which would normally be payable to the widow for the benefit of all or any of such children.

28. Where a woman member dies in circumstances, in which the child of a male member would have been granted a gratuity under Clause 26 above and leaves a child or children (as defined in Clause 20 and fulfilling the conditions of that Clause), the Defence Council may award a gratuity for the benefit of the child or children of such amount as it may determine.

29. Gratuities in respect of children may be issued to the widow or mother of the child, or other person responsible for the child's maintenance, or to the child direct, as may be decided. They may where appropriate be issued in instalments, or withheld for later payment.

30. Gratuities under this Section shall not be subject to abatement in respect of any Naval debt due from the deceased Officer or seaman or marine, other than any abatement due under Clause 25.

MINISTRY OF LAND AND NATURAL RESOURCES

COMMONS REGISTRATION ACT 1965

Notice of Application for an Exemption Order

Application has been made to the Minister of Land and Natural Resources by Banstead Common Conservators, c/o 6 High Street, Tadworth, Surrey, for an Order under section 11 of the Commons Registration Act 1965, exempting the land of which particulars are given below from registration under the Act.

The Act provides for the registration of common land and town or village greens and of rights of common. The registration of rights of common entails the registration of the land over which they are exercised. Persons claiming the freehold ownership of land registered under the Act will be required to register their claims unless the freehold title is registered at the Land Registry.

Registration will not begin before 1st January 1967, and detailed information about it will be given nearer that date.

Applications for exemption from registration must be made to the Minister before 1st October 1966. The Minister may not make an Order for exemption with respect to any land unless it appears to him:

- (a) that the land is regulated by a scheme under the Commons Act 1899, or the Metropolitan Commons Acts 1866 to 1898, or is regulated under a local Act or under an Act confirming a provisional Order made under the Commons Act 1876; and
- (b) that no rights of common have been exercised over the land for at least thirty years and that the owner of the land is known.

If the Minister grants the application and makes the Order, the registration provisions of the Commons Registration Act 1965, as briefly outlined above, will not apply to the land described below. However, land that is common land or a town or village green will not cease to be so if an Order is made in respect of it, nor will the rights or interests of any person in the land be prejudiced by the Order.

Local authorities in whose area any part of the land lies have been sent copies of the application (incorporating a map of the land), which they are required by law to keep available for public inspection. Any person wishing to object to the grant of an exemption Order, and any person who has exercised, or who knows of the exercise of, common rights over any part of the land at any time during the last thirty years, should, within forty days of the date of this notice, send a written and signed statement of the facts to The Secretary, Ministry of Land and Natural Resources, Queen Anne's Mansions, Queen Anne's Gate, London S.W.1.

Dated 17th November 1966.

K. W. Evans (on behalf of the Minister).

Particulars of the Land sought to be Exempted from Registration under the Act

Banstead Downs; Burgh Heath; Banstead Heath and Park Downs situate in the Urban District of Banstead in the County of Surrey and comprising 1,351 acres.
