MINISTRY OF POWER

Thames House South,
 Millbank, London S.W.1.

MINES AND QUARRIES ACT 1954

Draft Coal Mines (Training) Regulations 1967

The Minister of Power, in accordance with the provisions of section 142 of, and Part I of the Second Schedule to, the Mines and Quarries Act 1954, hereby gives notice that he proposes to make General Regulations under sections 124 (2), 141 and 143 of the Act, entitled the Coal Mines (Training) Regulations 1967.

These regulations will replace, with amendments, the Coal Mines (Training) Regulations 1956, the Coal Mines (Training) (Variation) Regulations 1957 and the Coal Mines (Training) (Variation) Regulations 1960; they will apply to all coal mines.

The chief change in the proposed new regulations is that preliminary training on first employment below ground, and training for work in coal production shall be governed by training schemes which, except in the case of preliminary training of adults, must be approved by the Minister. The regulations do not prescribe the detail of training to be given, which is the case in the existing regulations, but instead lay down certain basic requirements with which the training schemes will have to comply. Since the existing regulations were made many changes have occurred in the coal industry and progress made in organised training is such that much of the detail in the existing regulations is no longer appropriate. Moreover, the new draft regulations will allow sufficient flexibility within the basic requirements to provide for new developments in the industry.

Copies of the draft regulations may be purchased (price 1s. 6d. net) from H.M. Stationery Office at the following addresses: 49 High Holborn, London W.C.2, 423 Oxford Street, London W.1, 13A Castle Street, Edinburgh 2, 35 Smallbrook, Ringway, Birmingham 5, 50 Fairfax Street, Bristol 1, Brazenose Street, Manchester 2, 109 St. Mary Street, Cardiff, 80 Chichester Street, Belfast, or through any bookseller.

Any objection to the draft Regulations by, or on behalf of, any person affected thereby must be sent to the Minister of Power, Thames House South, Millbank, London S.W.1, before 9th January 1967.

Each such objection must be made in writing and must state:

- (a) the specific grounds of objection; and
- (b) the omissions, additions or modifications asked for.

W. C. C. Rose, An Assistant Secretary to Ministry of Power.

Descriptions of the boundaries of the areas covered by the licences were published in the issues of the *London Gazette* and the *Edinburgh Gazette* dated 11th December 1953. The areas are as follows:

date determined by the Minister of Housing and Local Government.

RAMSBOTTOM URBAN DISTRICT COUNCIL

*The Urban District of Ramsbottom No. 1
Smoke Control Order 1966*

Notice is hereby given that the Ramsbottom Urban District Council in exercise of the powers conferred on them by section 11 of the Clean Air Act, 1956, on the 8th day of December 1966 made an Order entitled "The Urban District of Ramsbottom No. 1 Smoke Control Order, 1966", declaring the area described in the Schedule hereto to be a smoke control area, which Order is about to be submitted to the Minister of Housing and Local Government for confirmation.

By virtue of section 11 (4) of the Act, if, on any day after the Order has come into operation, smoke is emitted from a chimney of any building within the smoke control area the occupier of that building shall be guilty of an offence and liable to a fine not exceeding £10 unless he proves that the emission of smoke was not caused by the use of any fuel other than an authorised fuel. The authorised fuels include anthracite, coke and other carbonised fuels, gas and electricity.

The Minister of Housing and Local Government has designated the following class of heating appliance for the purpose of section 95 (3) of the Housing Act 1964 as being in his opinion generally unsuitable for installation in smoke control areas in England and Wales as tending, by reason of its consumption of electricity at times when it is generally used, to impose undue strain on the fuel resources available, namely all electrically operated space-heating appliances with the exception of appliances which operate or mainly operate by storing heat in material which is either incorporated in the appliance or which forms part of the structure in which the appliance is used and in either case where the appliance takes its current for heating purposes wholly from a circuit designed to operate at off-peak electricity tariff. The effect of this designation is not to prohibit the installation of direct acting space-heaters but to exclude the cost of their installation from expenditure attracting grant under the Clean Air Act 1956.

If confirmed the Order will not come into operation before 1st day of January 1968 or before a later date determined by the Minister of Housing and Local Government.

Copies of the Order (and of the Map referred to therein) may be inspected free of charge at the Council Offices, Ramsbottom, at all reasonable times during the period of six weeks from the 24th day of December 1966.

Within the said period any person who will be affected by the Order may by Notice in writing to: The Secretary, Ministry of Housing and Local Government, Whitehall, London S.W.1, object to the confirmation of the Order.

SCHEDULE
