## CUSTOMS AND EXCISE

### NOTICE OF SEIZURE UNDER THE CUSTOMS AND EXCISE ACT, 1952

To: Pieter Jan Kikkert, Pres. J. W. Wierdsmark 5k, Hook of Holland.

19th January 1967.

Pursuant to section 175 (5) of the Customs and Excise Act, 1952 and paragraph 1 of the 7th Schedule thereto, the Commissioners of Customs and Excise hereby give you notice that by virtue of the powers contained in the customs and excise Acts and enactments amending those Acts, certain goods, namely: one "Express" motor-cycle, registration number RE-88-13, which was imported into the United Kingdom at Harwich on the 8th day of October 1963, have been seized as liable to forfeiture upon the grounds that the said motor cycle being chargeable with a duty of customs was allowed to be delivered without payment of duty on condition that it would be re-exported from the United Kingdom before the expiration of a period of twelve months from the date of importation, or when the importer's temporary stay in the United Kingdom came to an end, whichever was the earlier date and the said condition has not been observed.

Whereby and by force of section 257 (1) of the Customs and Excise Act, 1952, the said goods are liable to forfeiture.

If you claim that the said goods are not liable to forfeiture you must within one month from the date of this notice of seizure give notice of your claim in accordance with the said Schedule to the said Act specifying the name and address of a solicitor in England who is authorised to accept service of process and to act on your behalf, in default of such notice the said goods will be deemed to have been duly condemned as forfeited and will be liable to be disposed of in such manner as the Commissioners of Customs and Excise may direct. If you make such claim within the time aforesaid, legal proceedings will be taken for the condemnation thereof.
