PRICES AND INCOMES ACT, 1966

Reference to the National Board for Prices and Incomes

Portland Cement Prices

The Cement Makers' Federation have given advance notice under the early warning arrangements of a proposal to increase by 5s. per ton, the prices charged for Portland Cement to cover increases in manufacturer's costs. They have also suggested that the question of the return on new capital should be reviewed with the object of maintaining the momentum of investment against the day when the upward trend in demand is resumed.

The method followed by the industry in fixing a common price for Portland Cements was accepted by the Restrictive Practices Court in a Judgement in March 1961, as not contrary to the public interest.

A 2

The Court then took the view that the common price agreement had been operated so as to keep down the overall price to a level substantially lower than it would have been under free competition and noted that prices were fixed so as to provide a return of about 10 per cent. on capital investment in new works. The proposal by the Cement Makers' Federation for an immediate increase in price of 5s. per ton is designed to maintain the principles which were approved by the Court in 1961.

The First Secretary of State and the Minister of Public Building and Works consider it desirable that the matters raised by the Federation should be the subject of an independent investigation by the National Board for Prices and Incomes.

Accordingly, in pursuance of their powers under section 2 (1) of the Prices and Incomes Act, 1966, the First Secretary of State and the Minister of Public Building and Works hereby refer to the National Board for Prices and Incomes for examination

(a) the question of the justification for the proposed increase of 5s. per ton in the price of Portland Cement;

and

(b) the question of the appropriate rate of return on capital investment in new works with regard to the need to maintain a momentum of investment.

23rd February 1967.

Pay of Chief and Senior Officers of the Greater London Council Direction under section 5 (4) Extending the period within which the National Board for Prices and Incomes must publish their Report

 First Review of the Definitive Map*

Notice is hereby given that, pursuant to the provisions of section 33 of the National Parks and Access to the Countryside Act, 1949, the Lancashire County Council have reviewed the particulars contained in the Definitive Rights of Way Map and Statement for the present area of the Administrative County having regard to events which occurred between the 1st January 1953, (the relevant date of the map) and the 1st September 1966, which they have determined as the date of review.

Representations that a Revised Map and Statement for the said Urban Districts would differ from the Definitive Rights of Way Map and Statement may be made in writing to the undersigned not later than the 7th April 1967, stating fully the reasons therefor.
