This section of the motorway is expected to be completed in the summer of 1970, and it is the Minister's intention that facilities should be available at the Service Area when the motorway opens.

The Service Area site will comprise about 31 acres, and consist of two half-sites, one on each side of the motorway. The half-sites will be linked by a pedestrian bridge. The Minister will provide hard standings for vehicle parking areas, internal roads and exterior lighting within the Service Area.

The overall layout of the Service Area has already been designed and applicants are invited to put forward a building scheme whereby the catering facilities at the Service Area may be constructed and opened in two stages. The Minister will require the first stage to be completed so as to open in the summer of 1970 with the Chorley Link—Horwich Link section of the motorway: the remaining catering facilities may be constructed and opened at a later date when traffic has increased sufficiently to justify the additional facilities.

Full particulars and forms of application may be obtained from: The Secretary, Ministry of Transport,

H.S. Division (Room 3/19), St. Christopher House, Southwark Street, London S.E.1.

The closing date for the return of completed applications is 27th June 1967.
