EXCHANGE CONTROL ACT, 1947

The Treasury, in exercise of the powers conferred upon them by sections 37 (2) (b) and 41 (1) of the Exchange Control Act, 1947, hereby direct that the Treasury Direction given on 25th March 1942, under paragraph 3A of Regulation 3c of the Defence (Finance) Regulations, 1939 be revoked with effect from 19th May 1967.

A. K. Rawlinson.

8th May 1967.

Explanatory Note

This revokes a Direction made by the Treasury on 25th March 1942, which in current circumstances is of insignificant practical effect.

The Direction was first made under the Defence (Finance) Regulations, 1939, and published in the *London Gazette*. By virtue of Article 3 of the Exchange Control (Transitional Provisions) Order, 1947 (S. R. and O. 1947/2052) this Direction was continued in force as if it had been given under section 41 (1) of the Exchange Control Act, 1947.

The effect of the Direction was that, where all the personal representatives of a deceased person were resident in the sterling area, they should be treated as there resident for the purpose of receiving and making payments, notwithstanding that the deceased was resident outside the sterling area. This dispensation was necessary under the Defence (Finance) Regulations, 1939, as personal representatives would otherwise have required specific consents for nearly every phase of the administration of a non-resident estate. The Direction is today unnecessary because many personal representatives find it more convenient to deal with non-resident estates on a non-resident basis throughout.

PRICES AND INCOMES ACT 1966

Costs and Prices of Aluminium Semi-Manufactures
Direction under Section 5 (4) further extending the period within which the National Board for Prices and Incomes must publish their Report.

Whereas the First Secretary of State and the President of the Board of Trade, in pursuance of their powers under section 2 (1) of the Prices and Incomes Act 1966, referred the above-mentioned question to the National Board for Prices and Incomes for examination and have published the text of the reference in the *Gazette* on 26th August 1966;

2. And whereas by section 5 (3) of the Act, but subject to section 5 (4), the Board are required to make their report so as to allow publication within three months of the said date;

3. And whereas the First Secretary of State and the President of the Board of Trade, in pursuance of their powers under the said section 5 (4), by a direction published in the *Gazette* on 22nd November 1966, extended the said period of three months by four months, and by a direction published in the *Gazette* on 17th March 1967, further extended the said period of three months by two months;

4. Now therefore the First Secretary of State and the President of the Board of Trade, in pursuance of their powers under the said section 5 (4), hereby direct that the said period of three months be further extended by one month.

Whereas the authorities respectively conferred by the Dangerous Drugs Regulations, 1937, and the Raw Opium etc. Regulations, 1937, on Joseph Anatole France Tobin, M.R.C.S., L.R.C.P., by virtue of his being a duly qualified medical practitioner to be in possession of and to supply the drugs and preparations to which those Regulations applied were withdrawn in pursuance of the powers conferred on the Secretary of State by Regulation 7 of the first-mentioned Regulations and Regulation 5 of the last-mentioned Regulations by Notice published in the *London Gazette* and the *Edinburgh Gazette* on the 16th July 1943, the said Joseph Anatole France Tobin, whose registered address was then 82 Windsor Road, Forest Gate, London E.7, having been convicted of offences against the Dangerous Drugs Acts, 1920 to 1932:

And whereas at the same time the Secretary of State directed that it should not be lawful for the said Joseph Anatole France Tobin to give prescriptions for the purposes of the Dangerous Drugs Regulations 1937:

And whereas the operation of the said Notice was by notice published in the *London Gazette* and the *Edinburgh Gazette* on the 17th September 1954, suspended until further order:

And whereas the aforesaid Regulations were revoked and by virtue of Regulation 38 of the Dangerous Drugs Regulations, 1953, the aforesaid withdrawal, direction and suspension were deemed to have been done and given under the said Regulations of 1953:

And whereas in pursuance of the powers conferred by Regulations 29 and 38 of the said Regulations of 1953, the operation of the said Notice concerning the said suspension was cancelled by Notice published in the *London Gazette* and the *Edinburgh Gazette* on the 25th November 1955:

Notice is also hereby given that the certificate of two Justices that they have viewed the said highway and that the new highway proposed as an alternative route is more commodious to the public, together with the plan of the old and the proposed new highway, will be lodged with the Clerk of the Peace of the said area on the 8th day of June next.

Copies of the said plan showing the proposed diversion can be inspected during normal office hours at the offices of the Borough Engineer, Town Hall, Ealing, London W.5. Persons wishing to see the plan are asked to quote reference number 5320/15/144.

Terms of the Order for which Application is made

Complaint has been made by Eric John Cope-Brown, Town Clerk for and on behalf of the Council of the London Borough of Ealing, the appropriate authority for the purposes of section 108 of the Highways Act, 1959, applying for an Order authorising a certain part of the highway known as Eastcote Lane in the said London Borough of Ealing, to be diverted so as to make the nearer end more commodious to the public.

It having been proved to our satisfaction, (i) that at least 28 days before our hearing the said application notice thereof and of the terms of the proposed Order (embodying a plan showing the effect of the Order) was given to the local planning authority, to the owners and occupiers of all lands adjoining the said highway, to all statutory undertakers having apparatus under, in, upon, over, along or across the said highway (and to the Minister of Transport), and (ii) that not later than 28 days before our hearing the said application the said Council caused a copy of the said notice to be displayed in prominent positions at the ends of the said highway, and (iii) that the said Council have caused a like notice to be published in the London Gazette on the 12th day of May 1967 and the 19th day of May 1967, and in the Middlesex County Times, a local newspaper

circulating in the area on the 12th day of May 1967 and the 19th day of May 1967.

And the written consents of the said local planning authority and of every person having a legal interest in the land over which the said highway is to be diverted having been produced to and deposited with the Court

It is this day adjudged that the said complaint is true and it is ordered as follows:

1. There shall be substituted for all that part of Eastcote Lane in the London Borough of Ealing measuring 656 feet or thereabouts in length which is shown coloured pink on the plan (drawing number 5320/15/144) annexed hereto, a new highway (measuring 746 feet or thereabouts in length and being 44 feet wide at its narrowest point) in the position shown coloured blue on the said plan.
2. The said substituted highway shall be completed to the satisfaction of two Justices of the Peace acting for the Petty Sessional Division of Brentford. The said Justices shall make and sign a certificate that they are so satisfied and shall transmit the said certificate forthwith to the Clerk of the Peace for the Middlesex Area of Greater London.
3. Upon the said certificate being transmitted as aforesaid the part of the said highway which is shown coloured pink on the said plan shall cease to be a highway and may be stopped up, but except in so far as the carrying out of the diversion may necessitate temporary interference with the highway no part of the highway hereby diverted shall be stopped up at any time before a certificate of two Justices shall have been made and transmitted as aforesaid.
4. This Order and the said plan, together with the said written consents produced to the Court, shall be transmitted forthwith to the Clerk of the Peace for the Middlesex Area of Greater London.
