WATER RESOURCES ACT, 1963

NOTICE OF APPLICATION FOR LICENCE TO ABSTRACT WATER

Notice is hereby given that an application is being made to the Trent River Authority by the River Dove Water Board, Bowling Green Street, Leicester, for a licence to abstract the following quantity of water from the River Dove near Burton-on-Trent at the following point of abstraction.

6,935 million gallons per year at or near map reference SK.266/272 in the parish of Egginton in the Rural District of Repton, Derbyshire; the date of operation of the licence in so far as it relates to 3,650 million gallons of the total quantity is required to be deferred until 1st January 1976.

A copy of the application and of any map, plan or other document submitted with it may be inspected free of charge at the offices of the River Dove Water Board, Bowling Green Street, Leicester, and at the offices of the North West Leicestershire Water Board, The Grange, Tamworth Road, Ashby-de-la-Zouch, Leicestershire, at all reasonable hours during the period beginning 6th November 1967 and ending 4th December 1967.

Any person who wishes to make representations about the application should do so in writing to

the Clerk of the Trent River Authority at 206 Derby Road, Nottingham, before the end of the said period.

Dated 6th November 1967.

R. R. Thornton, Clerk of the River Dove Water (199) Board.

Notice is hereby given that an application is being made to the Welland and Nene River Authority by Fred Blanchard and Harold Blanchard of Elsthorpe Grange, Bourne, Lincolnshire, for a licence to abstract the following quantities of water from the Lincolnshire limestone at the following points of abstraction: 3,500,000 gallons per calendar year at TF. 0610 2492.

Further details of the application are: the application is for a licence to replace a licence for similar abstraction which expires on 31st December 1967.

A copy of the application and of any map, plan or other document submitted with it may be inspected free of charge at the offices of Messrs. Andrews, Stanton & Ringrose, Solicitors, 11 North Street, Bourne, Lincolnshire, at all reasonable hours during the period beginning on 13th November 1967 and ending on 11th December 1967.

Any person who wishes to make representations about the application should do so in writing to the Clerk of the Welland and Nene River Authority at Oundle, Peterborough, before the end of the said period.

Andrews, Stanton & Ringrose, on behalf of the (161) Applicants.

Dated 1st November 1967.

Notice is hereby given that an application is being made to the Sussex River Authority by Framptons Nurseries Limited, Leythorne Nursery, Chichester, Sussex, to vary the licence (serial number 10/41/531314) to abstract water from Well No. 1 at Leythorne Nursery, Runcton, Chichester, Sussex.

The variation applied for is to increase abstraction to 9,000,000 gallons per year and 60,000 gallons in any 24-hour period. Use of Well No. 2 to be discontinued.

A copy of the application and of any map, plan or other document submitted with it may be inspected free of charge at Framptons Nurseries Limited, Leythorne Nursery, Chichester, Sussex, at all reasonable hours during the period beginning on 10th November 1967, and ending on 8th December 1967.

Any person who wishes to make representations about the application should do so in writing to the Clerk of the Sussex River Authority at 137-139 Preston Road, Brighton, BN1 6AF, before the end of the said period.

Dated 1st November 1967.

J. H. Matthews, on behalf of Framptons Nurseries Ltd.

NOTICE OF APPLICATION FOR A COMBINED LICENCE TO OBSTRUCT OR IMPEDE THE FLOW OF AN INLAND WATER BY MEANS OF IMPOUNDING WORKS AND TO ABSTRACT WATER

Notice is hereby given that an application is being made to the Trent River Authority by the River Dove Water Board, Bowling Green Street, Leicester, for a combined licence to obstruct or impede the flow of a watercourse in Foremark Bottom and Spurs Bottom between the villages of Repton and Ticknall, Derbyshire, by means of an embankment up to 120 feet high and approximately 1,200 yards long at or near map reference SK329/245 in the parishes of Repton and Foremark in the Rural District of Repton and to abstract from the said inland water at or near that point 14,600 million gallons of water per year together with the whole of the flow of the said watercourse subject, however, to a daily flow being maintained therein immediately downstream the said embankment equivalent to 25 per cent. of the average daily flow in the said watercourse, as measured at the site of the said embankment, during the period from the date of coming into operation of the Statutory Order authorising the construction of the works to the date of initial impounding.

The capacity of the reservoir at overflow level will be about 2,900 million gallons.
