Notice is hereby given that the Trent River Authority 206 Derby Road, Nottingham have formulated proposals authorising them to abstract the following quantities of water from the underground strata at their Calverton Fish Farm at the following point of abstraction:

1,000,000 gallons per day and 290,000,000 gallons per year at SK 636 488

in the parish of Woodborough in the Rural District of Basford.

The water is required to replace and supplement the existing supply for the maintenance of the Fish Farm. Quantities approaching those which the Authority now propose to abstract have in the past been taken from their existing borehole the use of which is now to be discontinued. After use approximately half the quantity will be recirculated to the Dover Beck.

A copy of the Authority's proposals may be inspected free of charge at the Authority's Fish Farm, Moor Lane, Calverton, and at the Authority's Head Office, 206 Derby Road, Nottingham, at all reasonable hours during the period beginning on 24th November 1967 and ending on 22nd December 1967.

Any person who wishes to make representations about the proposals should do so in writing to the Clerk of the Trent River Authority at 206 Derby Road, Nottingham, NG7 1NT, before the end of the said period.

At the end of the said period the Authority will be entitled to pass a Resolution by virtue of which a Licence authorising the proposals shall be deemed to be granted, unless the Minister of Housing and Local Government, either in consequence of any representations made with respect to the proposals, or otherwise, requires an application for a Licence to be made to him.

*Ian Drummond*, Clerk of the Authority.

21st November 1967.

Notice is hereby given that an application is being made to the Cornwall River Authority by the North and Mid Cornwall Water Board, Town Hall, Wadebridge, Cornwall, to vary the licence serial number 15/48/18/S/28 to abstract water from the River Fowey at the Board's works at Restormel near Lostwithiel, SX 097 625.

The variations applied for are as follows:

1. From the 1st April 1968 the quantities of water authorised to be abstracted not to exceed 155,000 gallons per hour (at present 136,000 gallons per hour) 3,100,000 gallons per day (at present 2,600,000 gallons per day) and 949,000,000 gallons per year (unchanged).
2. From the 1st April 1970, following the completion in 1969 of the new reservoir now being constructed by the East Cornwall Water Board at Sibbyback, the authorised quantities to be abstracted set out in the preceding paragraph to be increased to 200,000 gallons per hour, 4,100,000 gallons per day and 1,200,000,000 gallons per year respectively.

A copy of the application and of any map, plan or other document submitted with it may be inspected free of charge at the Offices of the Board, Town Hall, Wadebridge at all reasonable hours during the period beginning on the 24th November 1967, and ending on the 22nd December 1967.

Any person who wishes to make representations about the application should do so in writing to the Clerk of the Cornwall River Authority, St. Johns, Western Road, Launceston, before the end of the said period.

*R. J. Nuttall*, Clerk of the Board, on behalf of the North and Mid Cornwall Water Board.

Dated 20th November 1967.
