Where the confirmed Order contains such a direction the following provisions will operate:—

## WATER RESOURCES ACT, 1963

### NOTICE OF APPLICATION FOR LICENCE TO ABSTRACT WATER (1)

Notice is hereby given that an application is being made to the Northumbrian River Authority by the Tees Valley and Cleveland Water Board for a licence to abstract the following quantities of water from the River Tees at the following points of abstraction:

365 × 14 million gallons per annum at the Board's existing intake at Low Worsall in the rural district of Stokesley, North Riding of Yorkshire; and

365 × 47 million gallons per annum at the Board's existing intakes at Broken Scar in the county borough of Darlington.

Further details of the application are:

The licence is required for the period until the bringing into use of the Board's Cow Green Reservoir.

The average daily rates proposed would be in substitution for the following authorised rates of abstraction:

9 million gallons per day at Low Worsall (Licence Serial No. 1/25/4/11);
47 million gallons per day at Broken Scar (Licence Serial No. 1/25/2/101).

The increased rate of abstraction at Low Worsall would be subject to a prescribed minimum flow over the weir at Broken Scar of 25 million gallons per day or the augmentation of the River Tees below the said weir by water discharged from boreholes at a rate equal to the additional abstraction.

The proposed licence would omit conditions attached to the existing licence authorising abstraction at Broken Scar requiring some future abstraction at Croft.

A copy of the application and of any map, plan or other document submitted with it may be inspected free of charge at the offices of the Board at Corporation Road, Middlesbrough and at the Board's waterworks at Broken Scar, Darlington at all reasonable hours during the period beginning on the 2nd February and ending on 1st March 1968.

Any person who wishes to make representations about the application should do so in writing to the Clerk of the Northumbrian River Authority at 110 Osborne Road, Newcastle-upon-Tyne 2, before the end of the said period.

Dated this 2nd day of February 1968.

### NOTICE OF APPLICATION FOR LICENCE TO ABSTRACT WATER (2)

Notice is hereby given that an application is being made to the Northumbrian River Authority by the Tees Valley and Cleveland Water Board for a licence to abstract the following quantities of water from the River Tees at the following points of abstraction:

365 × 19 million gallons per annum at the Board's existing intake at Low Worsall in the rural district of Stokesley, North Riding of Yorkshire; and

365 × 65 million gallons per annum at the Board's existing intakes at Broken Scar in the county borough of Darlington.

Further details of the application are:

The rates of abstraction proposed would have effect as from the bringing into use of the Board's Cow Green Reservoir.

The average daily rates proposed would be in substitution for the following authorised rates of abstraction:

9 million gallons per day at Low Worsall (Licence Serial No. 1/25/4/11);
47 million gallons per day at Broken Scar (Licence Serial No. 1/25/2/101).

The proposals are in place of proposals previously made for additional abstraction at Croft and Broken Scar of which notice was first published on 16th November 1965.

The actual rate of abstraction at Broken Scar would be determined by reference to a prescribed minimum flow over the weir at Broken Scar of 25 million gallons per day and any additional flow provided by the discharge of freshets from Cow Green Reservoir.

To safeguard water supplies in specified cases of emergency abstraction rates of 22 million gallons per day at Low Worsall and 75 million gallons per day at Broken Scar are proposed provided that not more than 30 × 19 million gallons or 30 × 65 million gallons respectively are taken in any period of 30 days.

A copy of the application and of any map, plan or other document submitted with it may be inspected free of charge at the offices of the Board at Corporation Road, Middlesbrough and at the Board's waterworks at Broken Scar, Darlington at all reasonable hours during the period beginning on 2nd February and ending on 1st March 1968.

Any person who wishes to make representations about the application should do so in writing to the Clerk of the Northumbrian River Authority at 110 Osborne Road, Newcastle-upon-Tyne 2, before the end of the said period.
