EAST RIDING OF YORKSHIRE COUNTY COUNCIL

County of York, East Riding, Development Plan, Land at Willerby

Notice is hereby given that proposals for alterations or additions to the above development plan were on the 7th day of February 1968, submitted to the Minister of Housing and Local Government.

The proposals define land at Willerby lying mainly within the boundaries of the former railway station and railway tracks to the south-west of Main Street as the site of a proposed road, namely the southern section of the Willerby By-pass, and designate the land as land to which section 206 of the Highways Act 1959 applies. The purpose of the designation is to secure that when the new road is provided it will be possible for the Haltemprice Urban District Council to recover private street works charges from any developer who may be permitted to construct a means of vehicular access to it.

A certified copy of the proposals, as submitted, has been deposited, for public inspection at the County Planning Department, Manor Road, Beverley.

Certified copies of the proposals have also been deposited for public inspection at the offices of the Haltemprice Urban District Council at Anlaby House, Anlaby.

The copies of the proposals so deposited, together with copies or relevant extracts of the Development Plan, are available for inspection, free of charge, by all persons interested at the places mentioned above
