The Lords Commissioners of Her Majesty's Treasury hereby give notice that Tenders will be received at the Chief Cashier's Office, at the Bank of England on Friday the 5th July 1968, at 1 p.m. for Treasury Bills to be issued under the Treasury Bills Act, 1877, and the National Loans Act, 1968, to the amount of £150,000,000.

2. The Bills will be in amounts of £5,000, £10,000, £25,000, £50,000, £100,000 or £250,000. They will be dated at the option of the tenderer on any business day from Monday the 8th July 1968, to Saturday the 13th July 1968, inclusive, and will be due 91 days after date.

3. The Bills will be issued and paid at the Bank of England.

4. Each Tender must be for an amount not less than £50,000 and must specify the date on which the Bills required are to be dated, and the net amount per cent. (being a multiple of one penny) which will be given for the amount applied for. Separate Tenders must be lodged for Bills of different dates.

5. Tenders must be made through a London Banker, Discount House or Broker.

6. Notification will be sent, on the same day as Tenders are received, to the persons whose Tenders are accepted in whole or in part and payment in full of the amounts due in respect of such accepted Tenders must be made to the Bank of England by means of cash or by draft or cheque drawn on the Bank of England not later than 1.30 p.m. (Saturday 11 a.m.) on the day on which the relative Bills are to be dated.

7. Members of the House of Commons are not precluded from tendering for these Bills.

8. Tenders must be made on the printed forms which may be obtained from the Chief Cashier's Office, Bank of England.

9. The Lords Commissioners of Her Majesty's Treasury reserve the right of rejecting any Tenders.

The Lords Commissioners of Her Majesty's Treasury hereby give notice that they have made an Order under sections 3 (6) and 13 of the Import Duties Act, 1958, viz.:

The Import Duties (Temporary Exemptions) (No. 3) Order, 1968.

This Order provides that the goods listed in Schedule 1, mainly chemicals and certain other goods, shall be temporarily exempt from import duty, and those listed in Schedule 2, mainly chemicals and certain other goods, shall continue to be temporarily

exempt from import duty until 1st January 1969, except for items for which an earlier day is specified in the Order. The Order also continues until 1st January 1969 the partial exemption for photographic film base of cellulose acetate.

The Order comes into operation on 4th July 1968, and has been published as Statutory Instruments 1968 No. 978.

Copies of the Order may be purchased (price 1s. net) direct from Her Majesty's Stationery Office, at the addresses shown on the last page of this Gazette or from any bookseller.

The Lords Commissioners of Her Majesty's Treasury hereby give notice that they have made an Order under sections 1, 2 and 13 of the Import Duties Act 1958, viz.: The Import Duties (General) (No. 5) Order 1968.

The Import Duties (General) (No. 4) Order 1968, which implements with effect from 1st July 1968 the first instalment of the tariff changes arising out of the Kennedy Round of trade negotiations, simplifies the basis on which import duty is charged on certain textile products containing silk or man-made fibres. The rate of duty on such textiles, which formerly depended upon the percentage which the value of the silk and/or man-made fibre components bore to the value of all the components, becomes, under the "Kennedy Order" dependent upon the percentage which the weight of such components bears to the weight of the products as a whole. The changeover from a value to a weight criterion could in some cases result in a re-classification of the goods to a category bearing a higher rate of duty.

This Order provides that, at the option of the importer, the goods may, for a period of six months, continue to be classified according to the old value basis, thus preserving the lower rate of duty for that period.

The Order comes into operation on 1st July 1968, and has been published as Statutory Instruments 1968 No. 950.

Copies of the Order may be purchased (price 6d. net) direct from Her Majesty's Stationery Office, at the addresses shown on the last page of this Gazette or from any bookseller.

It provides for higher fees than similar Orders of 1964 and 1967 which it replaces.

Copies of the Order (S.I. 1968 No. 937), which comes into force on 10th July 1968, may be obtained from Her Majesty's Stationery Office at the addresses shown on the last page of this Gazette or through any bookseller.

Notice is hereby given that the Minister of Housing and Local Government in pursuance of his powers under paragraph 7 of schedule 7 to the Water Resources Act 1963 (as that schedule has effect by virtue of section 59 of the Act in relation to a charging scheme), has approved, subject to the alterations set out in the Schedule of Alterations below, the charging scheme submitted to him by the Hampshire River Authority on 4th October 1967, under section 58 of the Water Resources Act 1963. The said scheme shall have effect on 1st April 1969.

### SCHEDULE OF ALTERATIONS

In paragraph 3 delete words from "will be operative for less than six months of that year" to the end of the paragraph and substitute the following: "will be operative for less than the whole of that year. When this is the case, the relevant quantity shall be taken to be the maximum quantity authorised by the licence for abstraction in the period for which the licence is operative within the financial year, or, if no such quantity is authorised by the licence, a quantity bearing the same proportion to the annual maximum quantity authorised by the licence as the number of days on which abstraction is permitted in the period for which the licence is operative within the financial year bears to the number of days on which abstraction is permitted in a full licence year."

If after the end of the financial year or the earlier termination of the licence it is shown that by reason of circumstances arising in the course of the year the charge finally due in that year differs from the charge as initially calculated (whether because the maximum quantity authorised by the licence for abstraction in that year differed from the maximum annual quantity indicated by the licence at the beginning of the year, or because the licence terminated

or continued in force otherwise than as so indicated, or because the licence was varied in some other respect) the requisite adjustment in the amount of the charge for that year shall be made either by taking the difference between the charge as initially calculated and the charge found to be finally due into account in the calculation of the charge for the next, or a subsequent, financial year, or in such other manner (including the payment of an appropriate sum) as may be suitable in the circumstances of the particular case."

*In paragraph 5 delete the words "saline and".*

*In paragraph 5 in the second and fourth sentences delete the word "non-agricultural".*

*In Schedules A and B, under the heading "Purpose", in the first category delete the word "non-agricultural".*
