### HONOURS AND AWARDS

#### CENTRAL CHANCERY OF THE ORDERS OF KNIGHTHOOD

St. James's Palace, London S.W.1.

6th August 1968.

The QUEEN has been graciously pleased, on the advice of Her Majesty's Australian Ministers, to approve the award of the George Medal to the under-mentioned:

(To be dated 1st August, 1968)

First Officer Keith Roy COTTEE, Trans Australia Airways.

On the 17th of December, 1967 First Officer Cottee, pilot of a Trans Australia Airways Helicopter was engaged in search operations for the late Right Honourable Harold Holt, who had been reported missing after entering the sea at Cheviot Beach, Victoria.

During the afternoon, when a strong wind was causing a heavy swell and waves of over twenty feet, a small eighteen foot motor cabin cruiser, which was assisting in the search, was severely buffeted and overturned, throwing the three occupants into the sea. At this time, another helicopter hovering over the shoreline searching the rock pools, sped to the position of the men and ascertained that they were afloat. It was clear that two of the men were being swept towards the rocks, whilst the third man had managed to swim clear of the surf, towards a nearby lifeboat.

First Officer Cottee, who had landed his helicopter on the beach, affixed a rope to the aircraft and in company with a lifesaver took off to attempt the rescue of the two men. He then lowered and manoeuvred the aircraft, conforming with the wave pattern and movement of the men in the water, so that one man in the water could loop the end of the rope around his body. At times the aircraft was no more than three to four feet above the water. The aircraft then rose and flew off to the waiting lifeboat where it hovered and lowered the rescued man into the boat. He then returned for the second man and, after two attempts repeated this action of rescue.

First Officer Cottee, by his cool, calm and single minded bravery in the face of severe weather conditions, was instrumental in saving the lives of two men who most certainly would have been drowned.

### EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order further amends the Order of 25th September 1964.

Articles 1 and 2 make amendments which take account of the increases in family allowances made by the Family Allowances and National Insurance Act 1968 from 8th October 1968 and have the effect of adjusting the rates of children's pensions and allowances so that the pensions or allowances and (where payable) family allowances together

will normally continue to provide the same total rate for each child as was payable immediately before the aforesaid increases came into force. Transitional provisions secure that the aggregate rate of existing awards will be maintained where this is more advantageous.

Article 3 makes amendments which enable an award of an allowance for lowered standard of occupation in payment to a pensioner who becomes unemployable to be continued if, exceptionally, it would be to his financial disadvantage, having regard to any national insurance benefit concurrently payable, to transfer to unemployability supplement, and extend entitlement to an award of temporary allowances, at the rate which would have been payable had the pensioner been in receipt of unemployability supplement, to the widow, or unmarried dependant who lived as a wife, of such a pensioner.

Article 4 makes provision for the prevention of overlapping payments of war pension or allowances and national insurance benefit.

Article 5 extends the provisions for preventing overlapping payments of war pension or allowances and supplementary benefit, to Northern Ireland and the Isle of Man.

D. A. R. Hall, An Assistant Chief Engineer.

### MANCHESTER—PRESTON MOTORWAY

The Minister of Transport invites applications from firms of good standing who are prepared to invest not less than £300,000 for the exclusive rights to provide and operate petrol filling stations and catering premises on a 50-year ground lease at a Service Area to be built at Anderton on the Manchester—Preston Motorway (M.61).

The Service Area occupies about 31 acres: there are two half-sites, one on each side of the motorway, to be linked by a pedestrian bridge. The Minister will provide hard standings for vehicle parking areas, internal roads and exterior lighting in the Service Area.

Applicants are invited to put forward a scheme within a framework laid down by the Minister. The catering buildings may be built and opened in two stages if the applicant wishes: the first stage for opening soon after completion of the motorway and the second later.

Particulars and forms of application can be obtained from The Secretary, Ministry of Transport, H.S. Division (Room 3/18), St. Christopher House, Southwark Street, London S.E.1.

The closing date for the return of completed applications is 18th November 1968.

## COMMONS REGISTRATION ACT 1965

### NEWCASTLE UPON TYNE COUNTY BOROUGH COUNCIL

#### *Common Land and Town or Village Greens*

##### *Provisional Registrations and how to object to them*

Notice is hereby given that the first period for applications for the registration under the above Act of—

- (a) land which is common land or a town or village green ;
- (b) rights of common over such land, and
- (c) persons claiming to be owners of such land ended on 30th June 1968.

The Council is the registration authority for the registration area of which particulars are given at Annex A below. The Register of Town or Village Greens for this registration area, containing all registrations so far made, is available for inspection free of charge at the Council's office at the City Legal Adviser's Department, Civic Centre, Barras Bridge, Newcastle upon Tyne NE99 2BM, between the hours of 8.15 a.m. and 4.30 p.m., on Monday to Friday. A table giving brief information about these registrations is at Annex B.

No registrations were made during the first period in the Register of Common Land.

The second registration period began on 1st July 1968 and will end on 2nd January 1970. During this second period, applications may be made for the registration of land as common land or as a town or village green, of rights of common land over such land, and of claims to ownership thereof, but a fee of £5 will normally be payable.

#### *Objections*

The period for objecting to registrations made before 1st July 1968 begins on 1st October 1968 and ends on 30th September 1970. Every objection must be made in writing on the special form of objection (C.R. Form No. 26) available from 15th August onwards free and post free from the Council at the City Legal Adviser's Department, Civic Centre, Barras Bridge, Newcastle upon Tyne NE99 2BM, and must reach the Council as registration authority at the above address not earlier than 1st October 1968 nor later than 30th September 1970. After the latter date there will be no further opportunity for objecting to registrations made before 1st July 1968; those which are not effectively objected to will become final and definite. Every objection which is not rejected is noted on the register as soon as possible after receipt, and particulars are sent by the registration authority to the person (if any) on whose application the registration was made, and to certain other persons directly interested in the registration.

The noting of an objection on the register does not mean that it is officially admitted to be correct, and it has no immediate effect on the registration. The effect is that, unless the registration is cancelled, or the objector withdraws his objection, the matter will be referred to a Commons Commissioner for decision.

Objections to registrations made after 30th June 1968 may not be made yet; information about this will be published shortly before 1st May 1970, the earliest date for lodging objections. Registrations are independent of each other so that, for example, a registration of land as Common Land made before 1st July 1968 and not objected to before 1st October 1970 will become final and definitive on the latter date, but if registrations of rights over that land, or claims to ownership thereof, are made after 30th June 1968 objections to such registrations can be made in the second objection period.

Dated 2nd August 1968.

Cyril R. Ward, City Legal Adviser.
