The said scheme shall have effect on 1st April 1969.

## SCHEDULE OF ALTERATIONS

*In paragraph 2, line 2:* delete the words "in advance".

*In paragraph 3* delete the words from "licensed year that the licence will be operative for less than six months of that year" to the end of the paragraph and substitute the following:—"financial year that the licences will be operative for less than the whole of that year. When this is the case, the relevant quantity shall be taken to be the maximum quantity authorised by the licence for abstraction in the period for which the licence is operative within the financial year, or, if no such quantity is authorised by the licence, a quantity bearing the same proportion to the annual maximum quantity authorised by the licence as the number of days on which abstraction is permitted in the period for which the licence is operative within the financial year bears to the number of days on which abstraction is permitted in a full licence year.

If after the end of the financial year or the earlier termination of the licence it is shown that by reason of circumstances arising in the course of the year the charge finally due in that year differs from the charge as initially calculated (whether because the maximum quantity authorised by the licence for abstraction in that year differed from the maximum annual quantity indicated by the licence at the beginning of the year, or because the licence terminated or continued in force otherwise than as so indicated, or because the licence was varied in some other respect) the requisite adjustment in the amount of the charge for that year shall be made either by taking the difference between the charge as initially calculated and the charge found to be finally due into account in the calculation of the charge for the next, or a subsequent, financial year, or in such other manner (including the payment of an appropriate sum) as may be suitable in the circumstances of the particular case".

*In paragraph 5, line 2:* between the words "precisely" and "on" insert the words "and outlined in red".

*In paragraph 7, in line 3:* delete the word "and" between "cooling" and "gravel"; insert a comma after the word "cooling".

*In paragraph 7, in line 4:* after the word "washing" insert "and hydraulic testing of gas mains".

*In paragraph 8 in line 2:* between the words "issued" and "and" insert "(or on the anniversary thereof where the licence was issued before 1st April 1969)".

Delete paragraph 9 and substitute "9. Where, in respect of any financial year, the charge for any authorised abstraction, as calculated under the scheme, would amount to five shilling or less, such charge shall not be levied."

In Schedule A and Schedule B in the 5th, 8th and 11th columns delete the heading "Recirculation for cooling and gravel washing" and substitute in each case "Recirculation for cooling, gravel washing and hydraulic testing of gas mains".

In the legend of the map at Annex II: after the word "Sources" add "outlined in red".
