DEPARTMENT OF EMPLOYMENT AND PRODUCTIVITY

REFERENCE TO THE NATIONAL BOARD FOR PRICES AND INCOMES

Productivity Agreements

The White Paper on Productivity Prices and Incomes Policy in 1968 and 1969 (Cmnd. 3590), emphasises the continuing importance of encouraging increased productivity and efficiency and so helping to stabilise and reduce prices, and indicates that priority will continue to be given to increases which are justified under the productivity criterion. The Board's Report on Productivity Agreements (No. 36) contains a valuable interpretation of this criterion, and provides seven guide lines for the assessment of productivity agreements. Experience of the operation of the policy has, however, indicated that there are a number of special aspects of productivity bargaining which might usefully be explored further.

In pursuance of her powers under section 2 (1) of the Prices and Incomes Act 1966 the First Secretary of State and Secretary of State for Employment and Productivity accordingly refers to the National Board for Prices and Incomes for examination the relationship of improvements in productivity to pay structures, the implications of productivity bargaining for costs, prices and profits, and the evaluation of productivity agreements with particular reference to:

- (i) the potentialities and problems of industry-wide and company-wide productivity framework agreements,
- (ii) the application of productivity measurement and agreements to clerical and other non-manual work,
- (iii) the potentialities and problems of partial agreements covering only certain workers or some issues, and
- (iv) the renewal and later development of existing agreements.

MINISTRY OF TRANSPORT

Southwark Street,
London S.E.1.

LANCASTER—CARLISLE MOTORWAY M.6

The Minister of Transport invites applications from firms of good standing who are prepared to invest not less than £350,000 for the exclusive rights to provide and operate petrol filling stations and catering premises on a 50-year ground lease at a Service Area to be established at Southwaite on the Penrith—Carlisle section of the M.6 Motorway. This section of the Motorway is expected to open early in 1971.

The Service Area occupies a site of about 35 acres: there are two half-sites, one on each side of the Motorway, to be linked by a pedestrian bridge.

The Minister will provide hard standings for vehicle parking areas, internal roads and exterior lighting within the Service Area, and a footbridge linking the two half-sites.

Applicants are invited to put forward schemes within a framework laid down by the Minister. The catering buildings may be built and opened in two stages if the applicant wishes: the first stage to be opened as soon as possible after the Motorway opens, and the second when traffic has increased sufficiently to justify the expansion.

Full particulars and forms of application may be obtained from:

The Secretary, Ministry of Transport, HG Division (Room 3/18), St. Christopher House, Southwark Street, London S.E.1.

GLASTONBURY BOROUGH COUNCIL

Highways Act, 1959 (Section 108)

Notice is hereby given that the Glastonbury Borough Council, the highway authority, intends to apply to the Magistrates' Court sitting at The Court House, Glastonbury in the county of Somerset, on Tuesday, the 31st day of December 1968, at 10.30 in the forenoon, for an Order that the part of the highway known as The Roman Way in the said Borough for a distance of 50 feet from the A.39 highway and coloured red and hatched black on the plan deposited at the office of the Glastonbury Borough Council, Glastonbury, be closed to all traffic except pedestrians, and that traffic passing from The Roman Way to the A 39 highway shall be diverted over and along the road coloured green on the said plan. The said plan may be inspected at the Council's office, free of charge, on any weekday between the hours of 10 a.m. and 4 p.m.
