SCHEDULE I

SECTION I

Half Pay and Terminal Grants for Admirals of the Fleet

1.—(a) An Admiral of the Fleet will be eligible during periods subsequent to 31st March 1968 for which he does not receive full pay, for half pay at the rate of £4,335 a year.

(b) An Admiral of the Fleet granted half pay and whose last day of service on full pay is 31st January 1968 or later, may be awarded a terminal

grant of £13,005 free of income tax, in addition to his half pay.

An Admiral of the Fleet who has been awarded a terminal grant under this clause shall not be eligible for any further terminal grant on the conclusion of any subsequent period of full pay service.

SECTION II

Service Retired Pay for Permanent or Pensionable Royal Navy and Royal Marine Officers

2. The provisions of this Section relate with effect from 1st April 1968 to officers holding permanent or pensionable commissions in the Royal Navy or Royal Marines, who retire from the Active List on or after 1st February 1968. Subject to the provisions of the Forfeiture Act, 1870, and the Admiralty Pensions Act, 1921, they relate also to retired officers whose commissions are terminated or whose names are removed from the List of Retired Officers because of misconduct. They do not apply to officers holding temporary or short service commissions or officers on the Supplementary List who have not been granted permanent or pensionable commissions.

3. *Retirement for age or non-employment.* An officer retiring on or after attaining the age limit fixed for service in his rank and branch, or, it having been decided that further employment is not available for him, retired compulsorily before attaining that age limit, may be granted retired pay, provided that, unless the special provisions set out in Clause 7 are relevant, he has completed at least 16 years' reckonable service as defined in Clauses 28 to 32 below. In the event of eligibility for full pay continuing after formal retirement, the award will take effect from the day following that in respect of which full pay was last payable.

4. The rate of retired pay will be based on the officer's rank for retired pay purposes, as defined in Clauses 23 to 27, and on the length of his reckonable service calculated in accordance with Clause 32.

5. *Rates of retired pay.* Subject to the provisions of this Section, retired pay may be awarded at the following rates:

6. When an officer's reckonable service exceeds a given number of years (up to and including 33 years) by one or more complete quarters of a year, his retired pay will be increased by that number of quarters of the difference between the rate for the number of years completed and the rate that would have been awarded had a further complete year been served.

7. *Late entrants.* (a) If an officer was appointed to a permanent commission before 1st April 1960, at an age later than that of the normal entrant and, in consequence of his late entry, has not completed sixteen years' reckonable service at the time of compulsory retirement for age or non-employment, as provided in this Section, retired pay may nevertheless be granted at the discretion of the Secretary of State for Defence provided he has completed at least 15 years' qualifying service.

(b) Retired pay will be awarded at the rate appropriate to 16 years' reckonable service with one deduction at the appropriate rate shown below for each year, and proportionately by quarters of a year, by which his reckonable service is less than 16 years:—

	£ a year
Lieutenant	28
Lieutenant-Commander	37
Commander	46

8. *Voluntary Retirement.* An officer with at least 16 years' reckonable service who retires at his own request on or after reaching the age of 40 years and before reaching the age of 50 years may be granted retired pay at the rates set out in Clauses 5 and 6 abated by 7½ per cent. At other ages the retired pay will be as indicated in Clauses 5 and 6.

An officer who has not served for at least five years after the grant of his permanent or pensionable commission will not be eligible for retired pay on voluntary retirement but may be awarded any service pension or gratuity for which he may be eligible by virtue of rating's service.

9. *Invaliding.* (a) An officer with at least 16 years' reckonable service will, on invaliding, be granted retired pay at the rate set out in Clauses 5 and 6.

(b) Officers invalided with less than 16 years' reckonable service, but with at least 10 years' qualifying service, will be eligible for an award of retired pay calculated as the proportion of the appropriate 16 year rate which their reckonable service, measured in complete periods of 3 months, bears to 16 years.

10. *Retirement for Incapacity, Unsuitability, or Inefficiency.* (a) *Not within an officer's control.* An officer who is retired for incapacity, unsuitability or for inefficiency, not due to causes within his own control, and having at least 16 years' reckonable service, may be granted retired pay as for a compulsory retirement on account of non-employment.

(b) *Within an officer's control.* An officer who is retired for incapacity, unsuitability or inefficiency due to causes within his own control, but not amounting to misconduct, and having at least 16 years' reckon-

able service, may be granted an award of retired pay at such rate as the Secretary of State for Defence may determine, but not in any event exceeding the rate which would have been admissible had he retired voluntarily.

11. *Retirement, etc. for misconduct.* (a) An officer who is retired for misconduct with at least 16 years' reckonable service, may be granted retired pay at such rate as the Secretary of State for Defence may determine, but not in any event exceeding 90 per cent. of the rate of retired pay which would have been admissible had he retired at his own request.

(b) *Dismissal, etc.* An officer with at least 16 years' reckonable service who is dismissed the Service or dismissed with disgrace by sentence of Court Martial or whose name has been removed from the List of Officers or who has been allowed to resign his commission to avoid trial by Court Martial, may be granted a compassionate allowance at the discretion of the Secretary of State for Defence but not in any event exceeding 90 per cent. of the rate of retired pay which would have been admissible had he retired at his own request.

12. The Secretary of State for Defence may, in the exercise of his discretion under Sub-Clause 10b, and Clause 11 grant a gratuity, or compassionate gratuity, in place of retired pay or compassionate allowance.

13. *Special rules relating to officers promoted from the lower deck.* An officer promoted to a permanent commission while serving on a normal regular engagement may on retirement be granted either:—

(a) Retired pay under the conditions set out in this Section, or

(b) Retired pay under the current rules for the award of ratings' pensions;

whichever is more to his advantage.

SECTION III

Terminal Grants in Addition to Service Retired Pay

14. An officer retired from the Active List on or after 1st February 1968 and awarded retired pay under Section II of this Schedule, may be awarded a terminal grant, in addition to his retired pay, under the following conditions:—

(a) The standard rate of grant will be three times the annual amount of the retired pay awarded under Section II of this Schedule.

(b) Except as provided in Clause 6 of Schedule III, an officer can qualify only once for a grant.

(c) The grant will be free of income tax.

15. A terminal grant under Clause 14 shall not be admissible in the case of an officer to whom Clause 11b applies, but a tax-free compassionate grant not exceeding three times the annual amount of the compassionate allowance may be awarded at the discretion of the Secretary of State for Defence.

16. In the event of eligibility for full pay continuing after formal retirement, payment of terminal grant will not be made before the day following that in respect of which full pay was last payable.

SECTION IV

Service Gratuities for Permanent Officers (other than Officers on the Special Duties List) and for Officers holding Pensionable Commissions on the Supplementary List

17. Permanent Officers, other than those on the Special Duties List, and Pensionable Supplementary List Officers may on retirement on or after 1st February 1968, if ineligible for service retired pay, be granted a gratuity as follows:—

(a) On compulsory retirement for age or non-employment or on retirement at own request, with at least 10 years' qualifying service:—

For the first 10 years' qualifying service £1,470

For each further year's qualifying service an addition of £295.

An Officer who has not served for at least five years after the grant of his permanent or pensionable commission will not be eligible for a gratuity on voluntary retirement but may, if he had previous rating service, be awarded any gratuity for which he may be eligible under the conditions relating to the award of gratuities to ratings.

(b) On invaliding with less than the ten years' service required to qualify for retired pay, a gratuity at the rate of £250 for each complete year of qualifying service.

(c) If retirement on account of incapacity, unsuitability or inefficiency not due to causes within his control:—

(i) If with 10 or more years' qualifying service, a gratuity at the discretion of the Secretary of State for Defence not exceeding the amount which would have been admissible under sub-paragraph (a) above.

(ii) If with less than 10 but not less than 2 years' qualifying service, a gratuity at the discretion of the Secretary of State for Defence not exceeding £120 for the first 2 years' qualifying service with additions at the rate of £120 for each additional complete year of qualifying service.

(d) If retired for incapacity, unsuitability or inefficiency or other cause within his own control, but not amounting to misconduct, with at least 10 years' qualifying service, a gratuity of such amount as the Secretary of State for Defence may determine, but not in any event exceeding the amount which would have been admissible under sub-paragraph (a) above had the officer retired at his own request.

(e) If retired for misconduct, or on termination of commission for any of the reasons set out in Clause 11(b), with at least 10 years' qualifying service, a gratuity, or a compassionate gratuity, if the Secretary of State for Defence so decides and of such amount as he may determine, but not in any event exceeding 90 per cent. of the award which would have been admissible had the officer retired at his own request.

SECTION V

Service Gratuities for Permanent Officers on the Special Duties List

18. If permitted to retire at their own request, on or after 1st February 1968, with insufficient service to qualify for retired pay, officers on the Special Duties List may be granted gratuities on the following scale, subject to the completion of a minimum period of twelve years' actual service from the age of 18:—

(i) *Rating Service*

For each year of qualifying service in excess of 5 years up to 10 years ...	£16
For each year of qualifying service in excess of 10 years up to 14 years ...	£42
For each year of qualifying service in excess of 14 years up to 17 years ...	£58
For each year of qualifying service in excess of 17 years ...	£66

(ii) *Officer Service*

For each year of qualifying service as Commissioned Officer (Branch List), RN or RM, or Sub-Lieutenant (SD), RN, or Second Lieutenant (SD), RM	£125
For each year of qualifying service as Senior Commissioned Officer (Branch List), RN or RM or Lieutenant (SD), RN or RM, or above ...	£220

19. An officer with sufficient service to qualify for an award of retired pay, or for an award of pension on ratings' scales (with special increments for service as an officer), will not be eligible for an alternative award of gratuity on the foregoing scale.

20. If retired on or after 1st February 1968, for misconduct, or on termination of commission for any of the reasons set out in Schedule I, Section II, Clause 11(b) of this order, with at least twelve years' actual service from age 18, a gratuity or a compassionate gratuity may be allowed at the discretion of the Secretary of State for Defence, but not in any event exceeding 90 per cent. of the award which would have been admissible under Clause 18 had the officer retired voluntarily.

21. Any officer who has served on a rating's engagement, conferring eligibility for a rating's gratuity on completing at least ten years' service after age 18, will have a reserved right to an award under Clauses 18 and 20, on completion of ten years' such service instead of twelve years.

22. If invalided with less than ten years' qualifying service and with insufficient service to qualify for pension on the ratings' scale, a gratuity at the rate of £210 for each complete year of qualifying service may be granted.

SECTION VI

Rank for Retired Pay Purposes

23. Subject to the following Clauses, the rank for retired pay purposes shall be the substantive rank held by the officer on his retirement, provided that, unless the officer is invalided, the rank had been held on the Active List for the following minimum periods:—

(i) Admiral; General, Royal Marines ... 1 year

(ii) all other officers ... 2 years

If the substantive rank has been held for less than the period specified the rank for retired pay purposes shall be the highest substantive rank which (with periods spent in higher substantive rank) satisfies the condition.

24. Service as Acting Captain, Royal Navy, may be reckoned towards the requirement of six years' service as Captain irrespective of the date of substantive promotion.

ADDITIONS TO RETIRED PAY FOR SERVICE IN PAID ACTING RANK

25. Subject to the general conditions in Clause 26 below, paid acting and temporary rank held by officers of the Royal Navy, Royal Marines and Women's Royal Naval Service and members of Queen Alexandra's Royal Naval Nursing Service may reckon for increase of retired pay as follows:—

(a) For each complete year (subject to a maximum of three) for which the paid acting or temporary rank was held, there may be added one-third of the difference between the retired pay for which the officer is eligible and the retired pay for which he would have been eligible had his rank for retired pay been one rank above his substantive rank.

(b) Where an officer has failed to complete two years in a substantive rank required to qualify him for the retired pay of the rank such service may reckon for retired pay as if it had been acting or temporary rank.

26. *General Conditions*

(i) Service from 3rd September 1939, will count.

(ii) In no case shall service in an acting or temporary rank earn a rate of retired pay higher than would have been earned if the acting or temporary rank had been substantive.

(iii) The "complete years" referred to in sub-clause 25(a) need not be continuous in time but may be made up of broken periods.

27. The Secretary of State for Defence may fix a date after which periods in acting or temporary rank will no longer be reckonable for additions to retired pay.

DEFINITIONS OF SERVICE

28. The following periods may be included in assessing qualifying and reckonable service for the purpose of the foregoing Clauses:—

(a) Subject to Clause 31, full pay service (including mobilised or embodied service or for the purpose of training) as an officer, rating or other

rank of the Royal Navy, the Royal Marines, the Army or the Royal Air Force or of the Auxiliary and Reserve Forces, and of the former Armed Forces of India or Burma, or of the Armed Forces of the Commonwealth or a Colony, provided that where appropriate such service would be reckonable as qualifying service under Army or Royal Air Force regulations; except broken periods each of less than six months' duration.

(b) While a permanent regular officer, periods in appointments not remunerated from Navy Votes which the Secretary of State for Defence considers can reasonably be regarded as part of an officer's career as such. They shall be appointments to which the officer brings his naval knowledge and from which he acquires additional experience and which have been officially offered to him as part of his naval service.

(c) Periods before 1st August 1938, on unemployed pay, or on half-pay not following the sentence of a Court Martial or the expiration of full pay sick leave, will reckon as service in full up to a maximum of six months in any one period or two years in all. Any such service not reckoning in full under the above rule will reckon as a third, subject to a maximum of six years such service reckoning as two years.

29. Loss of seniority or time forfeited by sentence of Court Martial or Disciplinary Court will not involve loss of service for retired pay or gratuity.

30. Service preceding a five-year interval in service shall not be included unless specially allowed by the Secretary of State for Defence, and eligibility to reckon such previous service will normally be determined at the time of resumption of service. Where, during a break in service the officer has been a member of the Royal Naval Reserve, or other reserve of any of the Forces, undertaking or liable for periodical training, the period of such membership will not be considered an interval in service for the purpose of deciding whether the previous service is admissible.

PREVIOUS SERVICE FOR WHICH A NON-EFFECTIVE AWARD HAS BEEN RECEIVED

31. (a) In the case of previous service in respect of which the officer received a service gratuity, or in any case of previous service other than in the Royal Navy, the Royal Marines, the Army, or the Royal Air Force, it may be stipulated as a condition for allowing such service to reckon for retired pay, that the officer shall make a payment to Naval Funds, either in a lump sum or otherwise. In default of such payment as may have been stipulated, the previous service will not be allowed.

(b) If an officer has continued to draw concurrently with full pay the retired pay or other analogous award payable in respect of previous service, the further service will normally not confer eligibility for improved benefits on final termination of employment.

COUNTING OF SERVICE

32. (a) *Reckonable Service.* All service as defined above from the age of 21 will count in full as reckonable service.

(b) *Qualifying Service.* All service as defined above from the age of 18 will count in full as qualifying service.

SCHEDULE II

SECTION I

Gratuities for Short Service Medical and Dental Officers

1. An officer entering the Medical or Dental Branches of the Royal Navy on a short service commission of 3 or 5 years' duration on or after 1st May 1961, may, if the full period of Active List service he has undertaken is satisfactorily completed, be awarded a gratuity at the rate of £500 for each of the first three years' service and at a rate of £750 a year thereafter. An officer entered on a 3 year commission who has applied before 1st September 1963, to extend his service by 2 years will be eligible for a gratuity of £3,000. Those applying for such extensions on or after 1st September 1963, irrespective of whether their original 3 year commission began before or after that date, will be eligible only for a gratuity of £2,500 on completion of 5 years' service. An officer entered on a 3 year commission who could, by a two year extension of service, qualify for a gratuity of either £3,000 or

£2,500 may, if his further service beyond 3 years falls short of two years, be awarded an addition to his gratuity at the rate of £300 a year in respect of his further service. Officers permitted to extend their service beyond 5 years, and whose extension of service begins on or after 1st April 1968, will be eligible for an addition calculated at the rate of £400 a year for service in excess of 5 years. Otherwise the addition for further service beyond five years will be calculated at the rate of £300 a year.

2. Women Medical and Dental officers leaving on marriage or for compassionate reasons where the Secretary of State for Defence is satisfied that such reasons necessitate retirement may be awarded a gratuity proportionate to the length of Active List service actually completed.

SECTION II

Gratuities for Supplementary List Aircrew and Electrical Officers other than those granted Permanent or Pensionable Commissions.

3. Supplementary List Aircrew officers may, on satisfactory completion of 12 years' service on the Active List on or after 31st January 1968, be granted a gratuity of £5,000 unless they have received the Aircrew Special Bounty as provided for in Order in Council of 29th October 1965, when they may be granted a gratuity of £4,000. Extension of service beyond 12 years will qualify for an addition at the rate of £500 a year.

Those who leave on completion of 8 years' service on or after 31st January 1968, will be eligible for a gratuity of £1,875. Helicopter pilots leaving after completion of 5 years' service on or after 31st January 1968, will be eligible for a gratuity of £1,075.

4. Supplementary List electrical officers entered on or after 6th February 1964, who hold a degree, or degree equivalent, in electrical engineering (or in science with suitable engineering subjects), or are Graduate Members of the Institution of Electrical Engineers, or the Institution of Electronic and Radio Engineers, or who hold qualifications which approximate to, or which exempt them from Parts I and II of the Institution of Electrical Engineers examination may, on satisfactory completion of 10 years' service on the Active List, be granted a gratuity of £3,500. Those who leave on completion of 5 years' service will be eligible for a gratuity of £1,075.

5. Electrical officers entered before 6th February 1964, and leaving after 1st February 1968, will be eligible for a gratuity at the rate of £215 a year except that officers holding the professional qualifications laid down in Clause 4 who on 6th February 1964, had completed less than 5 years' service will be eligible for a gratuity of £3,500 on completion of 10 years' service.

SECTION III

Gratuities for Supplementary List Aircrew serving on Pensionable Commissions

6. Supplementary List Aircrew serving on pensionable commissions to age 38, who leave at their optional breakpoints, will be eligible for gratuities calculated in accordance with Clause 3 above. If they leave at any time other than at their optional breakpoints any award of retired pay or gratuity will be assessed in accordance with the provisions of Schedule I.

SECTION IV

Gratuities in respect of other Short Service Commissions

7. An officer holding a Short Service Commission or a Commission on the Supplementary List in the Royal Navy under terms which provide for the payment of gratuity may, on satisfactory completion on or after 1st February 1968 of the service, including any extension of service he has undertaken, be granted a gratuity at the following annual rates:

(a) Air Traffic Control Officers. £215 except that service below the rank of Acting Sub-Lieutenant will reckon only at the rate of £155 a year.

(b) Other Officers including Helicopter Pilots, but excluding Pilots and Observers of fixed wing aircraft. £215.

SECTION V

General conditions attaching to the award of Short Service Gratuities

8. Should the officer fail to complete the full period of Active List service which he has undertaken, an award may nevertheless be made as follows:

- (a) If his service is terminated on account of disability not due to causes within his own control, he will be granted a gratuity proportionate to the length of Active List Service he has actually completed.
- (b) If his service is terminated for non-employment, or for incapacity, unsuitability or inefficiency not due to causes within his own control, or if he is permitted voluntarily to terminate his service within six months of the completion of the full period of Active List service he has undertaken, he may be awarded either a gratuity proportionate to the length of Active List service he has actually completed or a reduced gratuity at such rate as the Secretary of State for Defence may determine.
- (c) If he is permitted voluntarily to terminate his service more than six months before the conclusion of the period he has undertaken no gratuity will be payable to a Pilot or Observer unless he has completed at least 18 months' satisfactory service and is in possession of the flying badge, nor to an officer of any other Branch unless he has completed at least one year's satisfactory service. Thereafter he may be allowed, at the discretion of the Secretary of State for Defence, such gratuity as may be determined, but not in any event exceeding three-quarters of the amount proportionate to the length of his actual Service on the Active List.
- (d) If his service is terminated owing to disability due to causes within his own control or to inefficiency or other cause within his own control but not amounting to misconduct, he may be allowed, at the discretion of the Secretary of State for Defence, such gratuity as may be determined, but not in any event exceeding the amount which would have been admissible had he been allowed to terminate his service voluntarily.
- (e) If his service is terminated on account of misconduct, the special payment of a compassionate gratuity shall be within the discretion of the Secretary of State for Defence according to the circumstances of his case, but the award will not in any event exceed 90 per cent. of the gratuity which would have been admissible had he left voluntarily.
- (f) In the case of aircrew officers proportionate gratuity will be calculated as follows:
- (i) For service short of 8 years:
For the first 18 months' service at the rate of £170 a year. For service beyond the first 18 months at the rate of £250 a year, subject to a maximum of £1,875.
- (ii) For service between 8 and 12 years, £1,875 in respect of the first 8 years and at the rate of £780 a year for the remaining period.
- (g) In the case of Professionally Qualified Electrical Officers proportionate gratuity will be calculated as follows:
At the rate of £215 a year for the first 5 years and at £485 a year in respect of service between 5 and 10 years.

9. No part of a short service gratuity will be payable to the officer's estate or otherwise in the event of his death before completion of the period of Active List service he had undertaken.

10. If an officer serving on a short service commission continues on full pay beyond the period of Active List service which he had undertaken, payment of the gratuity will be deferred until the end of such further service.

11. A short service commission officer who is granted a permanent commission will not be eligible for any gratuity in respect of his service on a short service commission, but his service on that commission may count towards an ultimate award of retired pay or gratuity as a permanent officer. If, after receipt of a gratuity in respect of short service, an officer is granted a permanent commission his previous service will not be reckonable towards an ultimate award of retired pay or gratuity as a permanent officer, unless satisfactory arrangements are made for the refund of the short service gratuity.

12. Service on a short service commission in the medical, dental, or education branches of the Royal Navy may, in certain circumstances, be treated as contributory service under the National Health Service (Superannuation) Regulations or under the Teachers' (Superannuation) Act, as appropriate. Where service is so treated, both the employer's and the officer's contributions, will be advanced by the Ministry of Defence and the total amount so advanced will be deducted from the gratuity for which the officer is eligible under the provisions of this Section. When contributions have been so advanced but as a result of being transferred to a permanent or pensionable commission the officer does not qualify for a gratuity under this Section, no refund of the employer's contributions will be required from the officer, but in order that his previous service may be reckonable towards an ultimate award of retired pay or gratuity as a permanent officer he will be required to refund the employee's contributions advanced on his behalf by the Ministry of Defence. Service which counts for service retired pay or gratuity may not also count as reckonable service for purposes of pension under the appropriate civil superannuation scheme.

SCHEDULE III

SECTION I

Retired Officers of the Royal Navy and Royal Marines Re-employment in Peace-time

1. Except as provided in Section II an officer who is on retired pay may, while re-employed for training or on any authorised naval duty for periods not exceeding six consecutive months or aggregating six months or less in any twelve months, continue to draw his retired pay concurrently with any pay to which he is entitled; but payment of retired pay may be suspended when there is doubt about the duration of the period of re-employment. No retired pay will be payable when the period of re-employment exceeds six months, and where the retired officer has commuted any part of the retired pay which would have been liable to suspension had he not commuted, a deduction equivalent to the amount commuted will be made from his pay.

2. An officer whose service retired pay has been suspended under Clause I and who, having been placed on the Retired List before 1st February 1968, is re-employed on or after that date without an actual break in service, will be eligible on reversion to the Retired List for awards of retired pay and terminal grant under the provisions in Schedule I, Sections II and III as appropriate for officers retiring on or after 1st February 1968, assessed on the basis of former service added to re-employed service.

3. An officer whose service retired pay has been suspended under Clause I and who, having had a break in service, is in re-employment on or after 1st February 1968 may receive on reversion to the Retired List an award of retired pay assessed on the basis of former service added to re-employed service as follows:—

(a) Under the provisions of Schedule I, Section II, provided that

- (i) the period of re-employment is not less than three years; or
(ii) the officer is invalided from re-employment; or
(iii) he originally retired on or after 1st February 1968.

(b) If the officer originally retired before 1st February 1968 and the period of his re-employment is less than three years and he is not invalided, under the provisions of the Order in Council under which his retired pay was originally assessed.

4. If during re-employed service an officer has served in a rank higher than that held before original retirement and has received the pay and allowances appropriate to that rank, this service may be allowed to reckon for assessment of a revised rate of retired pay on a similar basis to that laid down in Schedule I, Section VI, Clauses 25 and 26.

5. If the officer had originally retired at his own request, re-assessed retired pay under either (a) or (b) above will be on the basis of voluntary retirement, unless he is invalided from re-employment.

6. An officer whose retired pay has been suspended under Clause I may receive, on reversion to the Retired List on or after 1st February 1968, terminal

grant or additional terminal grant calculated as follows:—

- (a) If retired pay has been re-assessed under Sub Clauses 3 (a) (i) or 3 (a) (ii) above, the award shall be, for each complete year of re-employed service, one tenth of the difference between three times the annual amount of retired pay awarded on termination of re-employment and the terminal grant (if any) previously awarded.
 - (b) If retired pay has been re-assessed under Sub Clause 3 (b) above, and the officer originally retired before 1st January 1956, as in Sub Clause (a) above.
 - (c) If retired pay has been re-assessed under Sub Clause 3 (a) (iii), or under Sub Clause 3 (b) above where the officer originally retired on or after 1st January 1956, the difference between the terminal grant previously awarded and three times the amount of retired pay awarded on termination of re-employment.
7. An officer who originally retired at his own request with a gratuity only, may receive an additional gratuity of £215 for each completed year of re-employed service.

SECTION II

Retired Officers of the Royal Navy and Royal Marines: Re-employment in Emergency

8. On recall for service at a time of imminent national danger or of great emergency, or when re-employed with the armed forces on general mobilisation, one-half of the retired pay of a retired officer will remain in issue concurrently with the pay and allowances appropriate to his rank on re-employment. Any portion of the retired pay that has been commuted will be recovered from the retired pay remaining in issue, or, when this is insufficient to meet the liability, from his pay to the extent of the deficiency.
9. For the purpose of applying the provisions of Clause 8 to a retired officer compulsorily recalled at a time of national emergency when general mobilisation has not been announced, the operative period will be determined by the Secretary of State for Defence in consultation with the Lords Commissioners of H.M. Treasury.

The provisions of this Schedule to apply only to officers serving under the terms and conditions laid down in Order in Council (No. 96/CE) of 23rd July 1931, and subsequent amending Orders in Council, who retire from the Active List at their own request before reaching the age of forty-five years in order to accept appointments in or under the Naval Ordnance Inspection Division of the Weapons Department of the Ministry of Defence (Navy Department) as members of the Works Group (Variant) Class of the Home Civil Service.

2. Such officers to be eligible from the date of their retirement from the Active List for awards of retired pay and terminal grant at the rates and under the conditions in force at the time of their retirement for officers on the General Active List who are retired compulsorily for age or non-employment; but not for any increase that might otherwise be payable in respect of service in acting and temporary rank under Clauses 25 to 27 of Section VI of Schedule I of this Order.

3. Any officer who, having retired from the Active List under the foregoing Clauses, voluntarily terminates his service in or under the Naval Ordnance Inspection Division within three years of taking up

an appointment as a member of the Works Group (Variant) Class thereupon to have his retired pay reduced to the rate that would have been payable, less any part commuted, at the time of his retirement, from the Active List had that retirement been treated as though it were that of an officer on the general Active List retired at his own request; and to refund to the Ministry of Defence:—

- (a) the difference between the higher and lower rates of retired pay in respect of the period during which the former was in payment; and
(b) the difference between terminal grants based on the higher and lower rates of retired pay.

Payment of retired pay to be discontinued until arrangements satisfactory to the Ministry of Defence have been made for refund of the amounts due.

SCHEDULE VI

1. The provisions of this Schedule relate to ratings of the Royal Navy, other ranks of the Royal Marines, ratings of the Women's Royal Naval Service and Naval Nurses of Queen Alexandra's Royal Naval Nursing Service who give service on full pay on or after 31st January 1968. They do not apply to R.N. Locally Entered ratings other than Maltese. The rates of pension are effective from 1st April 1968, but all those first discharged to pension on or after 31st January 1968 (cease pay date) will receive the new rates of pension from 1st April 1968, and will be paid the difference between the old and new terminal grants.

2. Except where otherwise stated, the term "ratings" in this Schedule should be read as including Chief Petty Officers, Petty Officers, Non-commissioned Officers, ratings and other ranks of the Royal Navy, Royal Marines and the Women's Royal Naval Service, and Naval Nurses of Queen Alexandra's Royal Naval Nursing Service.

SECTION I

Service Pensions and Terminal Grants

Conditions of Award

3. A service pension and terminal grant assessed as in Clauses 6 to 14 may be awarded to:—

- (a) A rating discharged otherwise than for misconduct or for inefficiency within his own control, provided he has completed at least 22 years' reckonable service.
(b) A rating who is invalided after having undertaken an engagement or re-engagement which

would normally enable him to qualify for pension under (a) above provided he has completed at least 12 years' reckonable service.

4. A rating whose services are terminated for misconduct or for inefficiency within his own control and who has completed at least 22 years' reckonable service may be granted such portions of the service pension and terminal grant assessed under Clauses 6 to 14 as the Secretary of State for Defence may determine, having regard to the circumstances of the case; but when the services are terminated for misconduct, the amount shall not in any event exceed 90 per cent. of the award which would have been admissible had the discharge been on other grounds.

5. A rating who is discharged not more than three months before completing 22 years' reckonable service so that he may enter civil employment which he has obtained but which cannot be held open for him, may be awarded a service pension and terminal grant calculated on the actual reckonable service he has rendered, provided that this is not less than 21 years and nine months.

Assessment of Pension

6. Except as provided in Clauses 7 to 9, pension will be based on the length of reckonable service and on the highest paid rank, whether acting or confirmed, held for an aggregated period of two years or more during the five years preceding discharge to pension.

7. In the case of those invalided, pension may be based on the length of reckonable service and on the substantive rank held at the time of discharge if this is more favourable than the rule in Clause 6.

8. Where a rating has completed a pensionable engagement but is permitted to remain in the Service in a lower rank, he may on final discharge be awarded the pension for which he would have been eligible had he been discharged on the date on which he reverted to the lower rank (but calculated at the rates current on the date on which he is actually discharged), but with an addition based on his further service and rank as defined in Clauses 6 and 7.

9. Where a rating has been disgraced for misconduct or reverted for inefficiency or unsuitability during the five years preceding termination of full pay service and is eligible for a service pension under Clause 3, the rank on which such pension is to be based will be determined by the Secretary of State for Defence having regard to the circumstances of the case.

10. Subject to Clause 13, pensions will be assessed at the following rates:—

11. *Addition for Aircrew Service.* Where a naval rating has rendered aircrew service and has been awarded a service pension under the provisions of Clauses 6 to 10, an addition may be made, subject to Clause 13, at the following rates:—

Pilots and Navigators ... 1s. 3d. a week for each year of aircrew service.

Other Aircrew Categories 1s. 0d. a week for each year of aircrew service.

12. *Addition for Commissioned Service.* Where a rating had previous commissioned service and has

been awarded a service pension under the provisions of Clauses 6 to 10 an addition may be made, subject to Clause 13, to that pension at the rate of 3s. 7d. a week in the case of men and 3s. 1d. a week in the case of women for each year of reckonable commissioned service, subject to a maximum of six years such service.

13. *Maximum Rates of Pension.* Rates of pension as provided for in Clauses 6 to 10 will be subject to a maximum of £18 13s. 6d. a week for men and £15 17s. 6d. a week for women. If additions are granted under Clauses 11 and 12, the maxima will

be £19 12s. 6d. a week for men and £16 13s. 6d. a week for women.

14. *Terminal Grant.* A terminal grant in addition to service pension will be payable at a rate equal to three times the annual value of any pension awarded, a year for this purpose being regarded as 52 weeks: Where an addition in respect of a gallantry award is made to a pension under the provisions of Order in Council of 14th October 1947, such addition shall be omitted for the purpose of assessing the terminal grant.

15. *Previous Service as Maltese locally enlisted other rank or airman.* Previous service as a Maltese locally enlisted other rank or airman which is reckonable for pension purposes may be added to reckonable naval service for the award of a service pension and terminal grant. The pension and terminal grant will be assessed at the current rate appropriate for each period of service, but assessed for both periods at the rank determined under Clauses 6 to 9.

16. The rates in this Section are for complete years of service. Rates for residual parts of a year will be calculated proportionately according to the number of days.

Reckonable Service

17. Reckonable service for the purpose of determining entitlement to service pension will, subject to Clauses 18 to 20, be as follows:

(a) Unforfeited full pay service given, otherwise than as a commissioned officer, after attaining the age of 18 years, in the Royal Navy, the Royal Marines, the Army, Royal Air Force, or in the Armed Forces of the British Commonwealth or Colonies, or in the former Armed Forces of India or Burma.

(b) Service as a commissioned officer which would reckon under Clause 28 of Section VI, Schedule I.

(c) Periods on full pay for the purposes of training while a member of the Auxiliary or Reserve Forces, except broken periods individually of less than six months' duration.

(d) Whilst a regular rating, periods in appointments not remunerated from Navy Funds which the Secretary of State for Defence may decide can reasonably be regarded as part of the rating's career as such. These will generally be appointments to which the rating brings his Naval knowledge and from which he acquires additional experience and which have been offered to him as part of his Naval service.

(e) In the case of women, full-time employment as a Naval Nurse in Queen Alexandra's Royal Naval Nursing Service or with the Navy, Army or Air Force as a member of a Voluntary Aid Detachment.

18. The following shall not be reckonable service:—

(a) Periods of imprisonment or detention, whether awarded summarily or by sentence of court martial; or confinement in cells.

(b) Time forfeited through conviction by the Civil Power; or consequent upon an Order under the Probation of Offenders Act.

(c) Time spent in desertion and, unless restored by the Secretary of State for Defence, any service preceding desertion.

(d) Any service during which pension is drawn except as provided in Sections IV and V.

(e) Service rendered by any person who shall have re-entered after having been dismissed from H.M. Service with disgrace or discharged with ignominy.

19. (a) In the case of previous service in respect of which the rating received a service gratuity (including a gratuity in respect of supplemental or extended service), it shall be a condition of allowing such service as reckonable service under Clause 17 that the gratuity shall be refunded either in a lump sum or otherwise.

(b) In any case of previous service other than in the Royal Navy, Royal Marines, Army or Royal Air Force, it may be stipulated as a condition for the

allowing of such service towards pension or gratuity that the person makes a payment to Naval Funds, either in a lump sum or otherwise.

20. Service preceding a five-year interval in service will not be reckonable unless specially so allowed by the Secretary of State for Defence, and eligibility to reckon such service will normally be determined at the time of resumption of service. However, the following periods will not be regarded as intervals in service for the purpose:—

(a) A period during which a man was a member of a Reserve Force undertaking, or liable for, periodical training.

(b) A period during which a man, although not a member of an organised reserve, remained liable for recall, provided his period of service included a period of war service. War service for this purpose is defined as full pay service between 3rd September 1939 and 15th August 1946.

SECTION II

Service Gratuities

21. The provisions of this Section relate to ratings who are transferred to the Reserve or discharged from regular engagements without entitlement to service pension.

22. Reckonable service for the purposes of this Section will be as for service pensions in Clauses 17 to 20 of Section I. Where the total of reckonable service is not in complete years the residual period of less than a year will be reckonable in calculating the amount of the gratuity. The award for the residual part of a year will be calculated, according to the number of days, as a proportion of the increase in the next complete year at the appropriate point on the scale.

23. Subject to the following provisions, a rating who has 12 or more years' reckonable service may be granted a service gratuity on the following scale:—

	Scale for	Scale for
	Men	Women
	£	£ s.
After 12 years such service ...	195	165 15
After 13 years such service ...	245	208 5
After 14 years such service ...	300	255 0
After 15 years such service ...	360	306 0
After 16 years such service ...	430	365 10
After 17 years such service ...	500	425 0
After 18 years such service ...	570	484 10
After 19 years such service ...	645	548 5
After 20 years such service ...	730	620 10
After 21 years such service ...	815	692 15

24. Any rating who is serving on an engagement which carries eligibility to a service gratuity after 10 years' reckonable service will be eligible for the appropriate gratuity under Clause 87 of Order in Council of 28th July 1949, if discharged from the service with more than 10 but less than 12 years' reckonable service.

25. A rating who is invalided from a regular engagement with 3 or more years' service and does not qualify for a service pension, may be granted a service gratuity on the following scale:—

	Scale for	Scale for
	Men	Women
	£	£ s.
After 3 years such service ...	65	55 5
After 4 years such service ...	75	63 15
After 5 years such service ...	90	76 10
After 6 years such service ...	105	89 5
After 7 years such service ...	120	102 0
After 8 years such service ...	135	114 15
After 9 years such service ...	150	127 10
After 10 years such service ...	165	140 5
After 11 years such service ...	180	153 0

For service of 12 years or more the normal scale given in Clause 23 will apply.

Service given before the age of 18 may be included as if it were reckonable service subject, where such service is allowed to count, to a maximum gratuity entitlement of £195 in the case of men and 165 15s. in the case of women.

26. *Special Provision for Aircrew Categories.* Gratuities as follows may be paid to ratings of the Royal Navy who have rendered aircrew service and

are discharged without entitlement to service pension:—

Pilots and Navigators.	£62 for each year of reckonable aircrew service.
Other Aircrew Categories.	£50 for each year of reckonable aircrew service.

These special gratuities are in lieu of the ordinary rates of gratuity under Clauses 23 and 25 but are subject to the same conditions of award.

R.N. ratings who have rendered both aircrew and other service may be awarded either a gratuity calculated at these special rates based on the limited period during which they have rendered aircrew service or a gratuity at the ordinary rates on the whole of their reckonable service, whichever is the more favourable.

Should a rating be invalidated while on aircrew service, the minimum requirement of three years' service under Clause 25 will not apply and a special gratuity under this Clause appropriate to the length of reckonable aircrew service may be awarded.

27. *Previous Service as Maltese locally enlisted other rank or airmen.* Previous service as a Maltese locally enlisted other rank or airman which is reckonable for gratuity purposes may be added to reckonable naval service for the award of a gratuity on discharge. The amount of gratuity payable is the sum of the amounts for each period of service, each amount being related to the gratuity payable on the total reckonable time on the current scale for each Service in the proportion of reckonable time in that Service to total reckonable time.

28. Where a rating is discharged for misconduct or for inefficiency within his own control, the award of a service gratuity and its amount will be at the discretion of the Secretary of State for Defence; but where the discharge is for misconduct any gratuity awarded shall not exceed 90 per cent. of the award which would have been admissible had the discharge been on other grounds.

29. The Secretary of State for Defence may stipulate that the award of any gratuity under this Section shall be conditional on the rating undertaking further service in the Reserves or other Auxiliary Force, and if the person refuses to undertake such service the gratuity, or such part of it as may be determined, shall not be payable.

30. A service gratuity will not be payable on re-engagement for further service, on appointment to a commission, or on discharge for the purpose of giving further full pay service in the Armed Forces.

31. If a rating dies while serving no gratuity will be payable under this Section.

SECTION III

Service Pensioners Re-employed in Peace Time

32. Ratings who were in re-employment on a pensionable basis on or after 31st January 1968, will qualify on discharge for re-assessed service pensions and terminal grants in accordance with the following conditions, provided that the interval in service, as defined in Clause 20, does not exceed five years.

33. Where the period of continuous pensionable re-employment is three years or more, or the rating is invalidated from re-employment, the pension and terminal grant will be re-assessed on total pensionable service (including re-employed service) in accordance with Clauses 6 to 10 of this Schedule. The amount of terminal grant will be reduced by the amount of any terminal grant previously paid.

34. Where a pensioner who was re-employed in a lower rank than that held when he was originally discharged to pension has qualified for re-assessment of his pension under Clause 33, he may on final discharge, if more to his advantage, be awarded the pension to which he would have been entitled at the time when he was originally discharged to pension, but calculated in accordance with Clauses 6 to 10 of this Schedule, together with an addition based on his further service and rank as defined in Clauses 6 and 7 of this Schedule.

35. Where the period of continuous pensionable re-employment is less than three years and the rating is not invalidated, the pension will be re-assessed on total pensionable service at the rates laid down

in the Order in Council under which the previous pension was awarded. A terminal grant, if payable under this Order in Council, will be re-assessed on total pensionable service and reduced by the amount of the terminal grant previously paid.

36. *Pensioners re-employed after an interval of over five years.* Where a pensioner is re-employed on a pensionable basis after an interval in service of more than five years, as defined in Clause 20, the pension previously awarded will not be re-assessed on final discharge and no terminal grant will be payable. Where the period of continuous pensionable re-employment is three years or more, or the rating is invalidated from re-employment, the pension previously awarded will be increased by additions in respect of the re-employed service at the rates shown in Clause 10. Where the period of re-employment is less than three years and the rating is not invalidated, the additional service rendered will reckon for increase of the pension only at the rates laid down in the Order in Council under which the pension was awarded.

37. *Pensionable re-employment—Definition.* For the purpose of this Section re-employment on a pensionable basis shall be any period of re-employed naval service during which a long service pensioner has given up payment of his pension in order that such additional service may be reckonable for increase of pension on final discharge.

38. *Officers Re-employed as Ratings.* An officer who after being awarded retired pay is subsequently re-employed as an RN rating, or Royal Marine other rank, may be dealt with under this Section as though his retired pay were a service pension.

39. *Commutation.* When a pensioner who has commuted a part of his pension re-enters the Royal Navy or the Royal Marines and ceases to draw pension he shall be required to refund the value of the commuted part for the period of further service. He shall be given the option of refunding the money by:

- deduction from his final pension, on discharge, for a period equal to the re-employed service of an amount equivalent to that commuted; or
- deduction from any terminal grant payable on final discharge; or
- further commutation of pension to provide a sum equal to the capital value of the commuted portion of the original pension for the period of re-employed service; or
- deduction from Naval pay while serving.

A deduction equivalent to the amount of the original part of pension commuted will be made from any revised award made on final discharge, but the commutation will be ignored in assessing the final terminal grant which will be based on the gross pension irrespective of commutation.

SECTION IV

Future Emergency Re-employment of Service Pensioners

40. This Section relates to:

- Service pensioners recalled for service during a period of general recall.
- Other service pensioners who give further service (otherwise than on normal or non-continuous service engagements) during a period of general recall to service on account of an emergency, or who are specially re-employed on full pay in anticipation of an imminent general recall.

41. The provisions of this Section may be brought into operation for such pensioners on such occasions and for such periods as the Secretary of State for Defence may, in consultation with the Lords Commissioners of the Treasury, determine.

42. A service pensioner will, during periods of further service to which these provisions apply, continue to receive his service pension subject to the conditions normally attached thereto.

43. On discharge or release from such service as a service pensioner, provided his service has been satisfactory, and of at least six months' duration, may receive an addition to his pension of half the difference between:

- the pension for which his previous service qualified him, or would have qualified him under Clauses 6 to 10 of this Schedule, and

(b) the pension for which he would be eligible under Clauses 6 to 10 of this Schedule if his further service were added to his previous service.

44. No terminal grant or additional terminal grant will be payable in respect of the re-employment.

45. An addition under Clause 43 of this Section may be granted although the existing pension was assessed under regulations in force before 31st January 1968.

46. If service pensioners are employed with the Armed Forces of the British Commonwealth or Colonies, the provisions of this Section may be applied to them at the discretion of the Secretary of State for Defence as if their further service had been with the Royal Navy, Royal Marines or Women's Royal Naval Service.

SECTION V

Ratings serving on regular engagements continuing in service during a Future Emergency

47. The following Clause will be brought into operation on such occasions, being periods of general recall to service on account of emergency as the Secretary of State for Defence may, in consultation with the Lords Commissioners of H.M. Treasury, determine and in respect of each such occasion may fix a date from which it will come into operation and after which it will cease to apply.

48. A rating serving on a normal regular engagement while this Clause is in operation, who completes 22 years' service reckonable for pension under Section I of this Schedule, may be allowed, with effect from the date of completion of 22 years' service, to receive an immediate award of service pension and terminal grant, calculated on 22 years' service. If he elects to receive pension while serving, he will thereafter be regarded for pension purposes as a re-employed pensioner under Section IV of this Schedule.

SCHEDULE VII

Abatement from Service Retired Pay and Service Pension in relation to Retirement Pension under the National Insurance Act

1. The provisions of this Schedule relate to officers of the Royal Navy, Royal Marines, Women's Royal Naval Service and Queen Alexandra's Royal Naval Nursing Service; ratings of the Royal Navy and the Women's Royal Naval Service, other ranks of the Royal Marines and Naval Nurses of Queen Alexandra's Royal Naval Nursing Service who

(a) enter the service on or after 1st July 1949; or

(b) re-enter the service, after a break in service, on or after 1st July 1949; except those who re-enter within twelve months of being invalided or those who have already been granted service retired pay or service pension before re-entry.

Any rating or other rank, the regular part of whose engagement terminated before 1st July 1949, but who continued to serve on the reserve portion of that regular engagement shall, if he rejoined the service on a regular engagement before the termination of the reserve portion of his previous regular engagement, be regarded as having continuous regular service for the purpose of this Clause.

2. The Secretary of State for Defence may exempt from the provisions of this Section any officer, rating or other rank, who entered or re-entered the Royal Navy after 30th June 1949, if satisfied that such entry or re-entry was in fulfilment of an undertaking or commitment entered into before 1st July 1949.

3. Except as provided in Clause 4 of this Schedule service retired pay or service pension granted to a retired officer or pensioned rating or other rank shall be reduced by 4d. a week for each complete year of reckonable service, subject to a maximum of 16s. 0d. a week, on becoming eligible for a National Retirement Pension on attaining the age of 65, in the case of men, or on attaining the age of 60 in the case of women.

4. No abatement, however, shall be made in the case of a person permanently resident outside the United Kingdom, unless that person is receiving retirement pension under the National Insurance Act 1946, or a corresponding award payable under reciprocal arrangements with the country of domicile.
