LANCASTER—CARLISLE MOTORWAY M.6

The Minister of Transport invites applications from firms of good standing who are prepared to invest not less than £60,000 for the exclusive rights to build and operate a petrol filling station, on a ten or twenty-one year ground lease, as part of a Service Area to be established at Burton (West) on the Lancaster—Penrith section of the M.6 Motorway. It is intended that the petrol filling station should open with this section of the Motorway which is expected to be completed in August 1970.

The petrol filling station, which may be operated on a solus basis, will be adjacent to and will serve the north-bound carriageway only: there will be no direct connection to the south-bound carriageway.

When traffic has increased sufficiently, full service area facilities (i.e. full-scale catering and vehicle parking) will be added at the Burton (West) site, and together with the initial petrol filling station will form Burton (West) Service Area. Separate tenders will be invited at the appropriate time for the second-stage development which will include the concession for full-scale catering, but the petrol filling station lessee may, if he wishes, provide and operate a small snack bar.

The Minister has settled the alignment of the access roads as a framework within which the petrol filling station will stand, and applicants are invited to submit schemes for the layout of the petrol filling station occupying an area of approximately 3,320 square yards, and for a small vehicle park adjoining it.

The Minister will provide and maintain the access roads and the vehicle park.

Full particulars and forms of application may be obtained from:

The Secretary, Ministry of Transport, HG Division (Room 3/18), St. Christopher House, Southwark Street, London S.E.1.

The closing date for the return of completed applications is 25th March 1969.

Notice is hereby given that the Lord Mayor, Aldermen and Citizens of the City of Manchester acting by the Council of the said City in exercise of the powers conferred on them by section 11 of the Clean Air Act 1956, on the 15th day of January 1969, made an Order entitled the City of Manchester (Blackley) Smoke Control Order 1969, declaring the area described in the Schedule hereto to be a smoke control area, which Order is about to be submitted to the Minister of Housing and Local Government for confirmation.

Subject to the exemptions provided by the Order, including the exemptions referred to in paragraph 7 below, and by virtue of section 11 (4) of the Act if, on any day after the Order has come into operation, smoke is emitted from a chimney of any building within the smoke control area the occupier of that building shall be guilty of an offence and liable to a fine not exceeding £20 unless he proves that the emission of smoke was not caused by the use of any fuel other than an authorised fuel. The authorised fuels include anthracite, coke and other carbonised fuels, gas and electricity.

If confirmed the Order will not come into operation before the 1st April 1970, or before a later date determined under the provisions of the Clean Air Act 1956.

Copies of the Order and of the map referred to therein may be inspected free of charge at the

Parliamentary Section (Room 116), Town Clerk's Office, Town Hall, Manchester, at all reasonable times during the period of 6 weeks from the 28th January 1969, and at Plant Hill Road Police Station, Plant Hill Road, Blackley, Manchester 9, during the same period.

Within the said period any person who will be affected by the Order may by notice in writing to the Secretary, Ministry of Housing and Local Government, Whitehall, London S.W.1, object to the confirmation of the Order.

Subject to certain conditions persons incurring expenditure in connection with a private dwelling in order to comply with the Order are entitled to a grant towards that expenditure provided that the expenditure is incurred after the confirmation and before the coming into operation of the Order and with the approval of the Corporation. After the Order has been confirmed, such persons should, before any work is carried out or any expenditure incurred, submit their proposals to the Clean Air Section of the Health Department in the Town Hall Extension.

The parts of the smoke control area coloured pink on the map referred to in paragraph 4 above will be surveyed in 1970-71 or thereabouts for action under Part III of the Housing Act, 1957. As the Order does not prohibit the emission of smoke from premises in those parts of the smoke control area coloured pink on the map and adaptations or replacements are not required therein the grant referred to in paragraph 6 will not be payable in respect of dwellings in these parts of the smoke control area.

If the Order is confirmed, notice of confirmation will be published in the Press and copies of the notice posted in the smoke control area.
