Notice is hereby given that applications are being made to the Kent River Authority by G. H. Dean & Company Limited, Hempstead, Sittingbourne, Kent, for licences to make the following abstractions of water from existing boreholes into the Chalk underground strata:

1. At Wrinstead Court Farm in the parishes of Frinsted and Lenham in the County of Kent (borehole located at O.S. Grid Ref. TQ 8963.5541)—450,000 gallons per year at a maximum rate of 4,000 gallons per day;
2. At Blacketts Farm in the parish of Tonge in the County of Kent (borehole at O.S. Grid Ref. T.Q. 9471.6521)—450,000 gallons per year at a maximum rate of 2,000 gallons per day.

The water is to be used for agricultural purposes other than spray irrigation.

The above-mentioned applications are for licences to authorise abstractions which have been taking place for many years past and in respect of which the applicants did not apply for licences of right. The present applications do not seek to increase either the maximum quantities of water abstracted or the rates at which water is abstracted.

Copies of the applications and of any maps, plans or other documents submitted with them may be inspected free of charge at Hempstead, Sittingbourne, Kent, at all reasonable hours during the period beginning on the 3rd April 1969, and ending on the 5th May 1969.

Any person who wishes to make representations about the applications should do so in writing to The Clerk, Kent River Authority, Rivers House, London Road, Maidstone, Kent, before the end of the said period.
