PORTSMOUTH CITY COUNCIL

Commercial Road Tidal Flow Lane Control—Traffic Regulation Orders

Notice is hereby given that the Portsmouth City Council propose to make two Traffic Regulation Orders under the provisions of the Road Traffic Regulation Act, 1967, as amended by Part IX of the Transport Act, 1968, the effect of which will be to bring into operation a scheme of tidal flow lane control in the following lengths of road—

(i) Commercial Road, from Victoria Street to Twyford Avenue.
(ii) Twyford Avenue, from Commercial Road to its southern junction with Stamshaw Road.

In order to put this scheme into effect it is also necessary to make associated restrictions on waiting and loading and unloading, one-way systems, prohibition of right hand turns, and prohibition of entry to certain roads in the vicinity of the main route.

The scheme will be operated by the provision of overhead gantries carrying normal traffic signals for junction control and special symbols for lane control. The symbols will be a "white arrow" to indicate that the lane is open and a "red cross" indicating that the lane is closed.

Tidal flow lane control will operate at peak periods 7 a.m. to 9.30 a.m. and 4 p.m. to 6.30 p.m. from Mondays to Saturdays inclusive. During these times, two lanes will be designated for southbound traffic in the morning and two lanes for northbound traffic in the evening. At other times normal traffic signal control will be operative.

Some alterations to bus stops will be necessary, and when lane control is in operation all right turns from the main road will be banned unless otherwise signalled.

The effect of the proposed Orders and their descriptions are set out below—

(*b*) *Prohibition of Stopping during peak hours*

To prohibit vehicles from stopping at all (except for up to 2 minutes to enable a person to board or alight) on the undermentioned lengths of road between 7 a.m. and 9.30 a.m. and 4 p.m. and 6.30 p.m. on weekdays. This prohibition includes loading and unloading as well as waiting.

Existing Orders are to be amended as necessary.

4. *Notice of Intention to Implement Provisions of an Existing Order*

In February 1966 the Minister of Transport confirmed an Order which provided for the closure of certain roads at their junctions with Commercial Road and Northern Parade. It is now proposed as part of this scheme to put into effect the following parts of this Order which have not so far been implemented:

Prohibiting vehicles entering or leaving Princes Street and Brompton Road at their respective junctions with Commercial Road.

5. *Public Transport*

The following alterations to bus stops will be necessary:

1. The southbound stop at Brompton Road to be moved about 200 feet northwards, to a new lay-by.
2. The southbound stop at the southern end of Stamshaw Road to be moved about 100 feet southwards.
3. The northbound stop at Herbert Street to be moved about 200 feet southwards.

6. *Alternative Routes*

During tidal flow lane control the effect of banning right hand turns from Commercial Road and Twyford Avenue will result in the use of alternative routes. These are broadly catered for as follows:

Approaching from the south

(i) Before Princes Street traffic may turn right into Victoria Street.

(ii) After Victoria Street traffic will have to travel to Kingston Crescent before turning right.

Approaching from the north and Kingston Crescent

(i) Traffic for Rudmore and Watergate Road will be diverted via Simpson Road and Cobbett Road.

(ii) South of Kingston Crescent traffic will have to travel to Prospect Road or Herbert Street before turning right and then use Regent Street, so that entry to premises on the west side of Commercial Road can be made by a left turn movement.

At all other times, generally, the only other alternative routes required are as follows:

(i) Approaching from the south traffic for Princes Street, Sultan Road or Brompton Road will have to use either Victoria Street or Emanuel Street.

(ii) From Flathouse Quay traffic proceeding south will have to use Flathouse Road.

(iii) Traffic leaving Rudmore will have to travel via Tipnor Street or Simpson Road.

7. *Pedestrians*

There is one zebra crossing in Commercial Road just south of Kingston Crescent which will be replaced by a pedestrian facility incorporated in the automatic traffic signals.

A crossing place will be marked in Commercial Road south of Regent Street and pedestrians will be able to cross after the main road phase of the traffic signals and during the side road phase.

8. *Inspection of Orders and Plans by Members of the Public*

Copies of the proposed Orders and a map showing the roads to which the proposed Orders relate may be inspected at this office and at the office of the City Engineer, 28-29 Western Parade, Portsmouth, between 8.30 a.m. and 5.15 p.m. Mondays-Fridays inclusive.

A copy of the map may also be inspected at the Twyford Avenue Community Centre between the hours of 10 a.m. and 10 p.m. Mondays to Fridays inclusive during the period of objection.

9. *Objections*

Persons wishing to object to the proposals contained in the Orders described in paragraphs 2 and 3 above may do so by sending their objection in writing to the Town Clerk, Guildhall, Portsmouth, by 12th July 1969, and stating (*a*) the Order or part of the Order to which objection is made and (*b*) the grounds on which the objection is made.
