TOWN AND COUNTRY PLANNING ACT 1962

SECTION 94

The Warwickshire County Council (R.64, Churchover) Public Path Diversion Order 1969

Notice is hereby given that on the 12th August 1969, the Warwickshire County Council confirmed the above-named Order.

The effect of the Order as confirmed is to divert the public bridleway in the Parish of Churchover which commences at a point in Watling Street, 33 metres north of its junction with Newton Lane, from a line running in a north-north-westerly direction for a distance of 380 metres to a line running around the two fields immediately to the north of the existing bridleway.

A copy of the Order and the map contained in it has been deposited at the office of the Clerk of the Warwickshire County Council, Shire Hall, Warwick, and may be inspected there free of charge between the hours of 9 a.m. and 1 p.m. and 2 p.m. and 5.30 p.m. on weekdays, and between the hours of 9 a.m. and 12 noon on Saturdays.

the validity thereof or of any provision contained therein on the grounds that it is not within the powers of the Town and Country Planning Act 1968, or on the ground that any requirements of that Act or any regulation made thereunder has not been complied with in relation to the confirmation of the Order, he may, under section 178 of the Town and Country Planning Act 1962, within 6 weeks from the 22nd August 1969, make application for the purpose to the High Court.

Nuneaton Town Map—First Quinquennial Review

Notice is hereby given, with reference to the earlier notice, dated the 20th day of December 1968, published on the 20th and 27th December 1968, that the Minister of Housing and Local Government proposes to withdraw his proposed Modification No. 14 to the Nuneaton Town Map Review, which allocated land near Bramdene Avenue, Weddington for a primary school and to allocate about 2.7 acres of the land on the east side of Oakdene Crescent, Weddington, GR.365934 as a primary school. The Minister's reason for this variation is that the Warwickshire County Council, as Local Planning Authority, do not now intend to use the land at Bramdene Avenue for educational purposes but intend instead to use the site at Oakdene Crescent, planning permission having been granted by the County Council on the 25th July, 1969, for this development. Any objection or representation with reference to this notice should be sent in writing to the Secretary, Ministry of Housing and Local Government, Whitehall, London S.W.1, before the 19th day of September 1969, and should state in full the reasons for any such objection or representation.

PRICES AND INCOMES ACT 1966

REFERENCE TO THE NATIONAL BOARD FOR PRICES AND INCOMES

Proposals by the British Railways Board for fare increases in the London commuter area

The British Railways Board have consulted the Minister of Transport about fare increases which they propose should be introduced early in the New Year in the London commuter area. The increases are designed to reduce the losses of well over £12 million per annum at present being incurred on the network in the light of the objective set out in the White Paper "Transport in London" (Cmd. 3686) that the London commuter network should be made viable by 1972.

As announced by the Prime Minister on 7th September 1967, the Government have decided that all proposals for significant price increases by publicly owned industries shall be referred for examination by the National Board for Prices and Incomes. Accordingly, in pursuance of their powers under section 2 (1) of the Prices and Incomes Act 1966, the First Secretary of State and Secretary of State for Employment and Productivity, and the Minister of Transport, hereby refer the question of the proposed increases in fares to the National Board for Prices and Incomes for examination.
