ARMY DEPARTMENT

CENTRAL CHANCERY OF THE ORDERS OF KNIGHTHOOD

St. James's Palace, London S.W.1.

7th October 1969.

The QUEEN has been graciously pleased to approve the award of the British Empire Medal for Gallantry (Military Division) to the undermentioned:

(23733801) Lance Corporal Malcolm Charles SINDALL, Corps of Royal Engineers.

On Wednesday, 14th May 1969, at about 0926 hours, a helicopter taking off from the sports field of Chattenden Barracks collided in mid-air with another helicopter coming in to land. Both crashed to the ground, one in a mass of flames.

Lance Corporal Sindall was sitting in the Junior Ranks Club, near the sports field. He heard a terrific bang, looked up to see a helicopter falling in flames, immediately dashed out of the Club and ran to the burning helicopter.

Assisted by another soldier, Sapper Pedley, and a civilian, Mr. Percival, he began to extract the occupants from the burning wreckage. During this time and before fire fighting appliances were brought to bear, there was a considerable danger of the rescuers getting very badly burned, as well as a very real risk of the helicopter fuel tanks exploding. All three acted with complete disregard for their personal safety in removing the two occupants from the wreckage and in extinguishing their burning clothing.

By the time the three men had dealt with the occupants of the burning helicopter, others arrived on the scene to help them extract the occupant from the wreckage of the other helicopter which had not caught fire.

It was soon established that all three occupants were dead, but there is no doubt that Lance Corporal Sindall, in company with Sapper Pedley and Mr. Percival, did everything humanly possible to save life.

Lance Corporal Sindall acted with the utmost speed and resolution and with complete disregard for his personal safety in the face of obvious danger, in accordance with the highest traditions of the Service.

(23993291) Sapper Geoffrey Andrew Cross PEDLEY, Corps of Royal Engineers.
