### ALDERSHOT BOROUGH COUNCIL

#### *Borough of Aldershot (Off-Street Parking Places) Order, 1969*

Notice is hereby given that the Aldershot Borough Council propose to make an Order under subsection 1 of section 31 of the Road Traffic Regulation Act, 1967, applying to the off-street parking place known as the Grove Car Park, Aldershot, being land having a frontage of approximately 300 feet to the Grove on the west and bounded by the omnibus station and the railway line on the north and east respectively.

The Order will make provision as to the use of the parking place and in particular as to the vehicles which may be entitled to use it, as to the conditions on which it may be used, as to the charges to be paid in connection with its use and as to the removal

from the parking place of vehicles left there in contravention of the Order.

Provision will be made in the Order for an apparatus to be used as a means to indicate the time at which a vehicle arrived at the parking place, the charges paid in respect of a vehicle in the parking place and to collect any such charges.

The effect of the main provisions of the Order will be as follows:

- (1) To impose a standard charge of 10s. in respect of vehicles using the parking place. However, a person may gain exemption from the Standard Charge by purchasing the appropriate number of tickets depending upon his length of stay, from the meter situated in the parking place and by displaying these on the inside of the vehicle's windscreen. Thus an initial charge is paid (by purchasing and displaying tickets), but if the parking period thereby originally purchased is exceeded or the initial charge is not in fact paid, then the 10s. Standard Charge is incurred.
- (2) To fix a charge of 1s. for the purchase of a single parking ticket the display of which on the inside of the vehicle's windscreen will permit a person to park the vehicle in the parking place for 2 hours from the time stamped on the ticket, and to fix a charge of 2s. for the purchase of two parking tickets the display of which on the inside of the vehicle's windscreen will permit a person to park the vehicle in the parking place for 16 hours from the time stamped on the earlier of the two tickets. It does not matter when the second ticket is purchased as long as the first ticket is still valid at the time when the second ticket is purchased. Two is the maximum number of tickets that may be validly purchased in respect of any one visit to the car park.

- (3) To set out the classes of vehicles which may use the parking place, namely, private cars, motorcycles, invalid carriages, and commercial vehicles not exceeding 30 cwt. unladen weight and 7 feet in height.
- (4) To make the taking place of the following matters in the parking place offences:
  - (a) The parking of a vehicle other than in a marked bay;
  - (b) The use of a vehicle for the purpose of selling goods or services;
  - (c) The repair and maintenance of a vehicle, and
  - (d) The use of a caravan for domestic purposes.
- (5) To permit the movement or removal of vehicles in the parking place in certain circumstances (such as in an emergency or the contravention of, or non-compliance with, certain provisions of the Order in respect of a vehicle).

A copy of the proposed Order and a copy of the Authority's statement of reasons for proposing to make the Order may be inspected at the Town Hall, Grosvenor Road, Aldershot, Hampshire, on weekdays (excluding Saturday) between the hours of 9 a.m. and 5 p.m.
