### CITY OF MANCHESTER

#### *City of Manchester (Birchfields) Smoke Control Order 1969*

1. Notice is hereby given that the Lord Mayor, Aldermen and Citizens of the City of Manchester acting by the Council of the said city in exercise of the powers conferred on them by section 11 of the Clean Air Act 1956 on the 10th November 1969, made an Order entitled the City of Manchester (Birchfields) Smoke Control Order, 1969, declaring the area described in the Schedule hereto to be a smoke control area, which Order is about to be submitted to the Minister of Housing and Local Government for confirmation.

2. Subject to the exemptions provided by the Order, including the exemptions referred to in paragraph 7 below, and by virtue of section 11 (4) of the Act, if on any day after the Order has come into operation, smoke is emitted from a chimney of any building within the smoke control area the occupier of that building shall be guilty of an offence and liable to a fine not exceeding £20 unless he proves that the emission of smoke was not caused by the use of any fuel other than an authorised fuel. The authorised fuels include anthracite, coke and other carbonised fuels, gas and electricity.

3. If confirmed the Order will not come into operation before the 1st September 1970, or before a later date determined under the provisions of the Clean Air Act 1956.

4. Copies of the Order and of the map referred to therein may be inspected free of charge at the Parliamentary Section (Room 116), Town Clerk's Office, Town Hall, Manchester, at all reasonable times during the period of six weeks from 25th November 1969, and at Longsight District Library, Haley Street, Longsight, Manchester 13, and Withington District Library, 410 Wilmslow Road, Withington, Manchester, during the same period.

5. Within the said period any person who will be affected by the Order may by notice in writing to the Secretary, Ministry of Housing and Local Government, Whitehall, London S.W.1, object to the confirmation of the Order.

6. Subject to certain conditions persons incurring expenditure in connection with a private dwelling in order to comply with the Smoke Control Order are entitled to a grant towards that expenditure provided that the expenditure is incurred *after the confirmation* and before the coming into operation of the Smoke Control Order and *with the approval of the Corporation*. After the Order has been confirmed, such persons should, before any work is carried out or any expenditure incurred, submit their proposals to the Town Air Section of the Health Department in the Town Hall Extension.

7. The parts of the proposed smoke control area coloured pink on the map referred to in paragraph 4 above will be surveyed in 1972-73 or thereabouts for action under Part III of the Housing Act 1957. As the Smoke Control Order does not prohibit the emission of smoke from the premises in those parts of the smoke control area coloured pink on the map the grant referred to in paragraph 6 will not be payable in respect of dwellings in these parts of the smoke control area.

8. If the Order is confirmed, notice of confirmation will be published in the press and copies of the notice posted in the smoke control area.

#### SCHEDULE
