PRICES AND INCOMES ACT 1966

REFERENCE TO THE NATIONAL BOARD FOR PRICES AND INCOMES

Bread Prices and Pay in the Baking Industry

The major plant bakers recently made proposals for immediate increases of 2d. on the retail prices of all large loaves and 1d. on all small loaves. The bakers' proposals were intended to cover increases in labour and other costs and to improve their financial position, having regard to their existing return on capital and their ability to finance their investment requirements. The Government have agreed to an increase of 1d. on all loaves, but consider that the bakers' proposal for a further 1d. on large loaves raises questions which call for examination by the National Board for Prices and Incomes. The Government also consider that an examination should be made by the Board of the pay and other terms and conditions of employment of workers employed in the baking industry.

The bakers have also proposed new arrangements for reviewing bread prices in future and the Government consider that these, too, should be examined by the Board.

Accordingly, in pursuance of their powers under section 2 (1) of the Prices and Incomes Act 1966, the First Secretary of State and Secretary of State for Employment and Productivity and the Minister of Agriculture, Fisheries and Food hereby refer to the National Board for Prices and Incomes for examination and report the questions of bread prices, with special regard to the industry's return on capital in relation to its investment requirements; the proposed arrangements for reviewing bread prices in future; and pay and other terms and conditions of employment of workers employed in the baking industry.
