THE HIGHWAYS ACT 1959

The Acquisition of Land (Authorisation Procedure) Act, 1946 ;

The London-Fishguard Trunk Road (Knaves Beech Diversion) Order 19 and

The Ministry of Transport Highways Compulsory Purchase Order (No. CE) (London-Oxford Motorway M.40, High Wycombe By-Pass, Knaves Beech Interchange) 19

As a result of representations made at the Public Local Inquiries held into the above Orders at High Wycombe on 16th July 1969, the Minister of Transport has considered the construction of a roundabout to facilitate interchange between the motorway and the Trunk Road (A.40) at Knaves Beech. The roundabout would be constructed as an improvement of the existing trunk road and would thus have the advantage over the published proposals of greatly reduced land requirements.

The Minister has therefore decided not to proceed with the Knaves Beech Diversion Order 19 and that length of the slip roads confirmed in the High Wycombe By-Pass (Abbey Barn Lane-Beaconsfield) Special Roads Scheme 1963 (Statutory Instrument No. 1266 of 1963) which lies north of a point 150 yards south of Burleighfield House.

The roundabout scheme outlined above will therefore be constructed as an improvement of the existing A.40 Trunk Road in place of the published proposals.

A copy of the Inspector's Report of the Public Local Inquiries may be inspected at the offices of the Ministry of Transport, St. Christopher House, Southwark Street, London, S.E.1 ; Wycombe Rural District Council, Council Offices, Bellfield House, 80 Oxford Road, High Wycombe, Bucks ; Buckinghamshire County Council, County Hall, Aylesbury, Bucks and of the Eastern Road Construction Unit, Ministry of Transport, 59-63 Goldington Road, Bedford.

HARROGATE BOROUGH COUNCIL

The Harrogate (General Traffic Control) Order, 1970

Notice is hereby given that on the 14th January 1970 the Harrogate Borough Council made the above-named Order under sections 1 and 28 jointly of the Road Traffic Regulation Act, 1967, as amended by Part IX of the Transport Act, 1968.

The Order revokes the Borough of Harrogate (General Traffic Control) Order, 1967, and the Borough of Harrogate (General Traffic Control) (Amendment) Order, 1968, and replaces them by one comprehensive Order made by way of a general scheme of traffic control prescribing an area wider than the area prescribed by those Orders within which disc parking and prohibitions upon waiting will apply.

The roads to which disc parking will apply when the Order comes into operation (which include many roads to which it now applies) are those set out in Schedule I to this notice (hereinafter called "the Schedule I roads") and the roads to which prohibitions upon waiting will apply (which include many roads to which such prohibitions now apply) are those set out in Schedule II to this notice (hereinafter called "the Schedule II roads").

Where the same roads appear both in Schedule I and Schedule II this indicates that both disc parking and prohibitions upon waiting apply to those roads and the inclusion of a road in either Schedule may mean that either the whole road or part only of the road is affected by this Order.

The Order will authorise passenger vehicles, goods vehicles, dual purpose vehicles, motor cycles or invalid carriages to park in a single line within the parking places marked upon the roadway in the Schedule I roads for a period of between two and two and a half hours, the driver being required to display a parking disc set to show the time of arrival and which automatically shows the time for departure.

Parking discs may be obtained free of charge from the Municipal Offices, the Public Library, garages and most shops in the town centre.

The Order will prohibit persons from causing vehicles to wait in the Schedule II roads except (1) for a maximum time limit of thirty minutes for the purpose of delivering or collecting goods or merchandise or loading or unloading the vehicle at premises situate on or adjacent to the road concerned, or (2) where any such road has disc parking places in it in parking places authorised by this Order.

The authorisation as to disc parking shall apply as regards all the Schedule I roads during the period between 8 a.m. and 6 p.m. on Mondays to Saturdays inclusive, Christmas Day, Good Friday or a Bank Holiday being a public holiday excluded.

The prohibitions upon waiting shall apply upon the same days during the period between 8 a.m. and 6 p.m. as regards all the Schedule II roads except for certain roads identified by being in italic in that Schedule and as regards those roads only the period shall be the whole twenty-four hours of every day.

A copy of the Order incorporating certain modifications which have been made whether in consequence of objections or otherwise to the draft Order (deposited for inspection at my office on 30th September 1969 and then entitled "The Harrogate (General Traffic Control) Order, 1969") and a map showing the area affected by it may be seen at my office on Mondays to Fridays between 9 a.m. and 5 p.m.

The Order will come into operation at 12 midnight on Sunday 3rd May 1970.

Any person who desires to question the validity of the Order or of any provision contained in the Order on the ground that it is not within the powers of the relevant sections of the Act or on the ground that any requirement of those sections or of section 84A, 84B, or 84C of the Act or any regulations made under the said section 84C has not been

complied with in relation to the Order may within six weeks of the 14th January 1970, make application for the purpose to the High Court.
