## SURREY COUNTY COUNCIL

## TOWN AND COUNTRY PLANNING ACT, 1962

*Lightwater By-Pass*

Notice is hereby given that the Minister of Housing and Local Government has considered the proposals for alterations and additions to the Surrey Development Plan submitted by the County Council on the 3rd November 1967 and relating to the Lightwater By-Pass and proposes to amend the Plan accordingly subject to the following modification:

<i>Description of Modification</i>	<i>Reason for Modification</i>
Delete south-eastern section of the road beyond Broadway Road and substitute the alignment shown on the deposited plan.	An easterly re-alignment of this section of the road, to avoid demolition of a residential property was suggested by the Inspector. (An extract from his report is deposited). In the light of studies undertaken by Surrey County Council's Highways Department the alignment now proposed is the only feasible alternative to achieve this object.

Maps illustrating the modification have been deposited for public inspection at the places mentioned below and may be seen between the hours of 10 a.m. and 4.30 p.m. on Monday to Friday inclusive.

<i>Local Authority Area</i>	<i>Place of Deposit</i>

Urban District of Chertsey	Council Offices, Station Road, Addlestone.
Rural District of Easthampstead	Council Offices, Bracknell, Berks.

Copies have also been deposited at The County Deeds Offices and the County Planning Office, County Hall, Kingston upon Thames.

Any objection to the modification should be sent in writing to the Secretary, Ministry of Housing and Local Government, Whitehall, London S.W.1 (Ref. P2/1897A/3/3) before the 28th May, 1970 and should set out fully the reasons for the objection.

## COMMONS REGISTRATION ACT 1965

## DENBIGHSHIRE COUNTY COUNCIL

## COMMONS REGISTRATION ACT, 1965

## COMMON LAND AND TOWN OR VILLAGE GREENS

*Provisional Registrations and how to Object to them*

The second and last period for applications for the registration under the above Act of:

- (a) land which is common land or a town or village green;
- (b) rights of common over such land, and
- (c) persons claiming to be owners of such land

ended on 2nd January 1970, but the Council, as Registration Authority for the registration area of which particulars are given below, has until 31st July 1970, to complete the compilation of its registers. A further notice will be issued after this has been done, but not later than 31st October 1970.

The Register of Common Land and the Register of Town or Village Greens for the registration area of

the Council, containing all registrations and notes of objections so far made, are available for inspection free of charge at the Council's office at The County Offices, Ruthin, Denbighshire, between the hours of 8.30 a.m. and 5.15 p.m. on Mondays to Thursdays and between 8.30 a.m. and 4.30 p.m. on Fridays. In addition, each local authority other than the Council has available for inspection copies of all registrations so far made affecting land in its own area and copies of all register entries regarding objections so far made affecting such land.

*Objections*

The period for objecting to registrations made after 30th June 1968, begins on 1st May 1970 and ends on 31st July 1972. The period for objecting to registrations made before 1st July 1968, is now running and will end on 30th September 1970. Every objection must be made in writing on the special form of objection (C.R. Form No. 26) available free and post free from the Council at the County Offices, Ruthin, Denbighshire, and must reach the Council, as registration authority, at the above address:

(b) in the case of an objection to a registration made before 1st July 1968, not later than 30th September 1970; and

(b) in the case of an objection to a registration made after 30th June 1968, not earlier than 1st May 1970 nor later than 31st July 1972.

Registrations are independent of each other, so that, for example, a registration of land as common land made before 1st July 1968 and not objected to before 31st October 1970, will become final and definitive on the latter date, but if registrations of rights over that land, or claims to ownership thereof, are made after 30th June 1968, objections to such registrations can be made in the Second Objection Period.

Every objection which is not rejected is noted on the register as soon as possible after receipt, and particulars are sent by the registration authority to the person (if any) on whose application the registration was made, and to certain other persons directly interested in the registration. In addition, copies of register entries of objections are sent to local authorities holding copies of the registrations to which they relate.

The noting of an objection on the register does not mean that it is officially admitted to be correct, and it has no immediate effect on the registration. The effect is that, unless the registration is cancelled, or the objector withdraws his objection, the matter will be referred to a Commons Commissioner for decision.

W. E. Bufton, Clerk to the Registration Authority.

County Offices, Ruthin,  
Denbighshire.

13th April 1970.

*Particulars of Registration Area*

The Administrative County of Denbigh together with 12.5 acres of land between Coediog and Cerrig-y-Bala in the Parish of Llanycil and near Twll Du in the Parish of Llanfor in the Administrative County of Merioneth, which is the subject of an Agreement under section 2 (2) of the Commons Registration Act 1965, dated 6th October 1967, and made between the Denbighshire and Merionethshire County Councils, whereby the Denbighshire County Council became the Registration Authority in respect of the whole of the land.

By a further Agreement made under section 2 (2) of the Act, dated 10th November 1969, and made between the Merionethshire and Denbighshire County Councils, the Merionethshire County Council became the Registration Authority in respect of a small triangular shaped parcel of land containing a total of approximately 8.2 acres of land situated near Tref-y-Nant in the Parish of Llangollen Rural in the County of Denbigh. - (a) land which is common land or a town or village green;

- (b) rights of common over such land, and  
(c) persons claiming to be owners of such land ended on 2nd January 1970.

The Council is the registration authority for the registration area of which particulars are given at Annex A below. The Register of Common Land and the Register of Town or Village Greens for this registration area, containing all registrations made under the Act, and notes of all objections so far made, are available for inspection free of charge at the Council's office at Room 34, Shire Hall, Castle Hill, Cambridge, between the hours of 9 a.m. and 5 p.m. on working days. A table giving brief information about registrations made after 30th June 1968, is at Annex B below. In addition, each local authority other than the Council has available for inspection copies of all registrations affecting land in its own area, and copies of register entries of all objections so far made affecting such land.

#### Objections

The period for objecting to registrations made after 30th June 1968, begins on 1st May 1970 and ends on 31st July 1972. The period for objecting to registrations made before 1st July 1968, is now running and will end on 30th September 1970. Every objection must be made in writing on the special form of objection (C.R. Form No. 26) available free and post free from the Council at Room 34, Shire Hall, Castle Hill, Cambridge, and must reach the Council as registration authority at the above address:

- (a) in the case of an objection to a registration made before 1st July 1968, not later than 30th September 1970, and,  
(b) in the case of an objection to a registration made after 30th June 1968, not earlier than 1st May 1970, nor later than 31st July 1972.

Registrations are independent of each other, so that, for example, a registration of land as common land made before 1st July 1968 and not objected to before 1st October 1970, will become final and definitive on the latter date, but if registrations of rights over that land, or claims to ownership thereof, are made after 30th June 1968, objections to such registrations can be made in the second objection period.

Every objection which is not rejected is noted on the register as soon as possible after receipt, and particulars are sent by the registration authority to the person (if any) on whose application the registration was made, and to certain other persons directly interested in the registration. In addition, copies of register entries of objections are sent to local authorities holding copies of the registrations to which they relate.

The noting of an objection on the register does not mean that it is officially admitted to be correct, and it has no immediate effect on the registration. The effect is that, unless the registration is cancelled, or the objector withdraws his objection, the matter will be referred to a Commons Commissioner for decision.

Dated 15th April 1970.
