REFERENCE TO THE NATIONAL BOARD FOR PRICES AND INCOMES

Motor Vehicle Repair and Servicing

The National Board for Prices and Incomes reported in 1967 on the motor repair and servicing industry (Cmd. 3368). Its recommendations have been followed up by the Ministry of Technology, in co-operation with the motor manufacturers and the retail motor trade. The Economic Development Committee for Vehicle Distribution and Repair has also carried out a good deal of work aimed at improving the efficiency of this industry. In view of the continuing importance to the public of this industry, on which consumer spending is high, and which employs a large labour force, and in view of the effect of repair charges on motor vehicle insurance premiums, it is desirable for the National Board for Prices and Incomes now to review the progress made.

Accordingly, the First Secretary of State and Secretary of State for Employment and Productivity, and the Minister of Technology, in pursuance of their powers under section 2 (1) of the Prices and Incomes Act 1966, hereby refer to the N.B.P.I. for examination and report the question of costs, including labour costs, and charges in the motor vehicle repair and servicing industry, with special regard to:

- (a) the progress made in implementing the recommendations made in Report No. 37 of the National Board for Prices and Incomes on costs and charges in the Motor Repairing and Servicing Industry published in August 1967;
- (b) the report of the Steering Committee set up to consider the recommendations in paragraph 131.1 of the N.B.P.I. Report No. 37;
- (c) the relevant work or studies by the Economic Development Committee for Motor Vehicle Distribution and Repair; and
- (d) the trend of costs and charges in the motor vehicle repair and servicing industry.
