## COMMONS REGISTRATION ACT 1965

### RUTLAND COUNTY COUNCIL

COMMONS REGISTRATION ACT 1965

*Common Land and Town or Village Greens*

*Provisional Registrations and how to object to them  
Registrations*

Notice is hereby given that the second and last period for applications for the registration under the above Act of:

- land which is common land or a town or village green;
- rights of common over such land, and
- persons claiming to be owners of such land

ended on 2nd January 1970.

The Council is the registration authority for the registration area of which particulars are given at Annex A below. The Register of Common Land and the Register of Town or Village Greens for this registration area, containing all registrations made under the Act, and notes of all objections so far made, are available for inspection, free of charge, at the Council's Office at County Offices, Oakham, between the hours of 9 a.m. to 1 p.m. and 2 p.m. to 5 p.m. on working days. A table giving brief information about registrations made after 30th June 1968 is at Annex B below. In addition, each local authority other than the Council has available for inspection copies of all registrations affecting land in its own area and copies of register entries of all objections so far made affecting such land.

### *Objections*

The period for objecting to registrations made after 30th June 1968 began on 1st May 1970 and ends on 31st July 1972. The period for objecting to registrations made before 1st July 1968 is now running and will end on 30th September 1970. Every objection must be made in writing on the special form of objection (C.R. Form No. 26) available free and post free from the Council at County Offices, Oakham and must reach the Council as registration authority at the above address:

- in the case of an objection to a registration made before 1st July 1968, not later than 30th September 1970, and
- in the case of an objection to a registration made after 30th June 1968, not later than 31st July 1972.

Registrations are independent of each other, so that, for example, a registration of land as common land made before 1st July 1968 and not objected to before 1st October 1970 will become final and definitive on the latter date, but if registrations of rights over that land, or claims to ownership thereof, are made after 30th June 1968 objections to such registrations can be made in the second objection period.

Every objection which is not rejected is noted on the register as soon as possible after receipt, and particulars are sent by the registration authority to the person (if any) on whose application the registration was made, and to certain other persons directly interested in the registration. In addition copies of register entries of objections are sent to local authorities holding copies of the registrations to which they relate.

The noting of an objection on the register does not mean that it is officially admitted to be correct, and it has no immediate effect on the registration. The effect is that, unless the registration is cancelled, or the objector withdraws his objection, the matter will be referred to a Commons Commissioner for decision.

Dated 3rd July 1970.

*A Bond*, Clerk of the County Council.

#### ANNEX A

##### *Particulars of Registration Area*
