The Trunk Road (Menai Bridge, Anglesey) (Temporary Traffic Restrictions) Order 1970

Notice is hereby given that the Secretary of State, being satisfied that traffic should be prohibited on a length of the London—Holyhead trunk road, A.5, by reason of the likelihood of danger to the public and of serious damage to the highway, has made an Order under section 12 (1) of the Road Traffic Regulation Act 1967, as amended by Part IX of the Transport Act 1968, the effect of which is:

1. To prohibit any vehicle the weight of which, laden or unladen, exceeds 32 tons from proceeding in that length of trunk road specified in the Schedule to this notice:
2. To prohibit the driving of any vehicle at a speed exceeding 15 miles per hour in that length of trunk road specified in the Schedule to this notice: and
3. To prohibit any vehicle the width of which, inclusive of any load on that vehicle, exceeds 9 feet from proceeding in that length of trunk road specified in the Schedule to this notice.

The 32 ton weight restriction referred to in 1 above is in substitution for the 25 ton weight restriction imposed by the Trunk Road (Menai Bridge, Anglesey) (Temporary Weight Restriction) Order 1970.

The 9 feet width restriction referred to in 3 above is in addition to and not in derogation of the 8 feet 6 inches width restriction already in force. Vehicles whose width, including any load, exceeds 8 feet 6 inches are still able to cross the bridge after first notifying the Chief Constable of the Gwynedd Constabulary and obtaining his consent to do so, but vehicles whose width exceeds 9 feet including any load, are not able to cross the bridge.

SCHEDULE

That length of the London—Holyhead Trunk Road, A.5, which is carried by the Menai Bridge, Anglesey.
