## AIR FORCE DEPARTMENT

Whitehall, London S.W.1.

11th August 1970.

The QUEEN has been graciously pleased to approve the following awards:

*Queen's Commendation for Valuable Service in the Air*

Flight Lieutenant Peter Edward FOWLE (4087085), Royal Air Force.

B0684179 Flight Sergeant Leon George SMITH, Royal Air Force.

R4220321 Sergeant Philip Kenneth COURSE, Royal Air Force.

For their skill, courage and determination as a helicopter crew, first in rescuing a fallen climber from a cliff face in Cyprus and shortly after, on the same day, rescuing a party of Scouts lost in the Troodos Mountain Range. In the first incident the pilot, Flight Sergeant Smith, aided by the calm instructions of the winch operator, Flight Lieutenant Fowle, manoeuvred the helicopter sideways until the rotor blades were within inches of the cliff face. Despite the whirling storm of dust and sand set up by the blades, he held the aircraft in position while the winchman, Sergeant Course, was lowered into the sandstorm. Sergeant Course was unable to secure a foot or hand hold on the crumbling rock but he managed to put a strap round the injured man, while freely suspended at the end of the cable. In the second incident, in complete darkness, Flight Sergeant Smith skillfully hovered, with the aid only

of low-powered landing lights, while the 7 members of the party were winched up to safety, bringing the helicopter near to maximum permissible weight. Throughout both rescues, the crew displayed air-manship and teamwork of a high order in circumstances which put their own safety in jeopardy.

11th August 1970.
