

the Rural District of Winchester) (B) SU 47502950 (in the City of Winchester).

The variation applied for is:

The maximum quantity of water authorised to be abstracted to be as follows:

In any calendar year

until 31st December 1972, 1,095 million gallons (i.e. unchanged);
from 1st January 1973, 1,460 million gallons.

In any period of 24 hours

until 31st December 1972, 4,650,000 gallons (i.e. unchanged);
from 1st January 1973, 6,000,000 gallons.

The maximum rate of abstraction per hour to be 292,000 gallons.

To the description of the well at source (A), to be added:

Borehole (No. 1) 200 ft. x 30 ins., then 195 ft. x 18 ins.

Borehole (No. 2) 200 ft. x 30 ins., then 180 ft. x 18 ins.

the capacity of the submersible pumps at source (A) to be varied from 160,000 to 220,000 gallons per hour.

A copy of the application and of any map, plan or other document submitted with it may be inspected free of charge at the City Offices, Colebrook Street, Winchester, at all reasonable hours during the period beginning on 17th August 1970, and ending on 14th September 1970.

Any person who wishes to make representations about the application should do so in writing to the Clerk of the Hampshire River Authority at the Castle, Winchester, before the end of the said period.

R. H. McCall, Chief Executive Officer.

City Offices,
Colebrook Street, Winchester.

On behalf of the City of Winchester Water Undertaking.

WEST GLAMORGAN WATER BOARD NOTICE OF APPLICATION TO VARY A LICENCE TO ABSTRACT WATER

Notice is hereby given that an application is being made to the Usk River Authority by the West Glamorgan Water Board, 86 The Kingsway, Swansea, to vary Licence Number 20/56/53/02 to abstract water from the River Cray at Cray Reservoir, Breconshire.

The variations applied for are:

1. To delete the requirement to allow to flow over the gauge provided in accordance with the provision of section 23 of the Swansea Corporation Water Act, 1892, not less than 1,500,000 gallons of water per day of 24 hours in a regular and continuous flow.
2. To require the Licence-holder:
 - (i) To discharge not less than 1,500,000 gallons of water per day in a regular and continuous flow whenever the level of water in the Reservoir is 19 feet or less below the overflow level.
 - (ii) To discharge not less than 500,000 gallons of water per day in a regular and continuous flow whenever the level of water in the Reservoir is more than 19 feet below overflow level.
 - (iii) To discharge from the Usk Reservoir (Licence No. 20/56/54/01) or from streams feeding the said Usk Reservoir during every day of 24 hours a regular and continuous flow of not less than 3,000,000 gallons at any time when the discharge from Cray Reservoir is reduced below the rate of 1,500,000 gallons per day of 24 hours, and
 - (iv) To notify the River Authority on every occasion when the discharge from Cray Reservoir is reduced below the rate of 1,500,000 gallons per day of 24 hours.
3. To provide that the above variations of conditions shall cease to have effect after the 1st January 1973.

A copy of the application and any map, plan or other document submitted with it may be inspected, free of charge, at the Offices of the Brecon Rural

District Council, Oxford House, Brecon, and at the Water Board's Office, 86 The Kingsway, Swansea, at all reasonable hours during the period beginning on 13th August 1970 and ending on 10th September 1970.

Any person who wishes to make representations about the application should do so to the Clerk of the Usk River Authority, The Croft, Goldcroft Common, Caerlon, Monmouthshire, before the end of the period.

R. J. Lillicrap, Engineer and Manager, on behalf of the West Glamorgan Water Board.

August 1970. (281)

PUBLIC HEALTH ACTS AND CLEAN AIR ACT

ACCRINGTON BOROUGH COUNCIL

Borough of Accrington No. 9 Smoke Control Order, 1969

Notice is hereby given that the Accrington Borough Council, in exercise of the powers contained in the First Schedule to the Clean Air Act, 1956, on the 6th August 1970, passed a Resolution postponing the date of operation of the Borough of Accrington No. 9 Smoke Control Order, 1969, from 1st November 1970, until 1st November 1971.

Dated 7th August 1970.

(285) *Nigel D. Macgregor*, Town Clerk.

DONCASTER COUNTY BOROUGH COUNCIL

County Borough of Doncaster No. 12 (Town Fields) Smoke Control Order 1970

Notice is hereby given that the Doncaster County Borough Council in exercise of the powers conferred on them by section 11 of the Clean Air Act 1956, on the 21st July 1970, made an Order entitled the County Borough of Doncaster No. 12 (Town Fields) Smoke Control Order 1970, declaring the area described in the Schedule hereto to be a smoke control area, which Order is about to be submitted to the Minister of Housing and Local Government for confirmation.

Subject to the exemptions provided by the Order and by virtue of section 11 (4) of the Act, if, on any day after the Order has come into operation, smoke is emitted from a chimney of any building within the smoke control area the occupier of that building shall be guilty of an offence and liable to a fine not exceeding £10 unless he proves that the emission of smoke was not caused by the use of any fuel other than an authorised fuel. The authorised fuels include anthracite, coke and other carbonised fuels, gas and electricity.

Copies of the Order and of the map referred to therein may be inspected free of charge at the Town Clerk's Office, 1 Priory Place, at all reasonable times during the period of six weeks from the 21st August 1970.

Within the said period any person who will be affected by the Order may by notice in writing to The Secretary, Ministry of Housing and Local Government, Whitehall, London S.W.1, object to the confirmation of the Order.

SCHEDULE

The area is enclosed by a line drawn from the Racecourse roundabout along the middle of Carr House Road in a south-westerly direction to its junction with Roman Road; then along the middle of Roman Road in a north-westerly direction to its junction with Bennetthorpe; then along the middle of Bennetthorpe and South Parade in a westerly direction to South Parade's junction with Thorne Road; then along Thorne Road in a north-easterly direction to its junction with Zetland Road; then along the middle of Zetland Road and Leicester Avenue in a south-easterly direction to Leicester Avenue's junction with Lonsdale Avenue, then along the middle of Lonsdale Avenue and Grandstand Road to the Racecourse roundabout.

Dated 13th August 1970.

H. R. Wormald, Town Clerk.

1 Priory Place,
Doncaster. (295)
