## NEW TOWNS ACT, 1965

### BASILDON DEVELOPMENT CORPORATION

#### NEW TOWNS ACT 1965

##### *Pipps Hill Road Area Compulsory Purchase Order 1970 No. 1*

Notice is hereby given that the Basildon Development Corporation in pursuance of their powers under section 7 of the New Towns Act, 1965, on the 21st day of July 1970 made an Order which has been submitted for confirmation by the Minister of Housing and Local Government authorising them to purchase compulsorily for the purposes of the New Town of Basildon (or incidental thereto) the lands described in the Schedule hereto, being lands within the area designated by the Basildon New Town (Designation) Order, 1949.

A copy of the Order and of the map referred to therein, have been deposited at the offices of the Corporation at Gifford House, London Road, Bowers Gifford, Basildon, Essex, and will be open for inspection without payment of fee between the hours of 9.30 a.m. and 5 p.m. on Monday to Friday.

Any objection to the Order must be made in writing, stating the grounds of the objection, and addressed to the Minister of Housing and Local Government, Whitehall, London S.W.1, before the 14th day of September 1970.

The Minister is not, in all cases, required to arrange for objections to be heard by a person appointed by him for that purpose. It is important, therefore, that an objection should include a full statement in writing of the grounds on which the objection is made as the objector may have no further opportunity to make such a statement.

Any owner or occupier of any land to which the Order relates may send to Basildon Development Corporation at the address below, a request in writing to serve him with a notice that the Order has been confirmed, and naming the place where a copy of the Order and of the map and of any descriptive matter annexed thereto, may be seen. Such request should contain a statement of the name, postal address and the interest in the land of the owner or occupier, and particulars sufficient to enable the extent and boundaries of the land to be identified.
