SOUTHEND-ON-SEA COUNTY BOROUGH COUNCIL

The Southend-on-Sea Central Area Meter Zone Order (No. 1) 1970

Notice is hereby given that on the 15th October 1970 the Southend-on-Sea County Borough Council, with the consent of the Minister of Transport, made an Order under sections 35, 36, 37, 39 and 40 of

the Road Traffic Regulation Act 1967 as amended by Part IX of the Transport Act 1968.

This Order replaces the existing Orders relating to meter parking on the highway in the central area of Southend-on-Sea and esplanade parking. The Order will add a further 70 metered parking spaces to the zone and its boundaries have been extended to include Victoria Avenue Service Road, Victoria Avenue to a point north of Carnarvon Road, the Ring Road (Dowsett Avenue and Bradley Street), parts of Boston Avenue and Dowsett Avenue, an extension westwards in London Road to just west of Park Street, including short lengths of appropriate side roads, an extension eastwards in Southchurch Road to just east of Porters Grange Avenue to include this road and parts of adjacent side roads.

The main provisions are as follows:

(a) A number of streets (listed in the first Schedule to this notice) are designated as street parking places where the control will be by meters and charges made between 9 a.m. and 6 p.m. daily except Sundays, Christmas Day, Good Friday or a Bank Holiday (although in the streets listed in Part II of the first Schedule charges are also made on Sundays). The charges will be 1s. for 2 hours and 6d. for 1 hour. The parking places may be used by passenger vehicles, goods vehicles, dual-purpose vehicles, motorcycles or invalid carriages.

Provision is made permitting loading and unloading, boarding or alighting from vehicles, furniture removal and suchlike.

Invalid carriages, vehicles issued to disabled persons in lieu of invalid carriages, vehicles driven by disabled persons notified that they are exempt, and vehicles carrying yellow car-parking badges issued under the National Assistance Act will all be exempt from charges.

(b) In association with the provision of metered parking places, in the remaining lengths of those streets where the parking places are set down, or in streets in the meter zone where no parking places are provided, restrictions on waiting and loading and unloading of vehicles are provided. This is to ensure that parking is controlled throughout the meter zone. The streets affected are listed in the second Schedule to this notice and in Part I of that Schedule appear the streets or parts of streets where the restrictions are subject to the usual exceptions in relation to loading or unloading, boarding or alighting from a vehicle and suchlike. In the streets or parts of streets listed in Part II of the Schedule, however, loading and unloading is prohibited between 11 a.m. and 6 p.m. except by prior notification to and consent obtained from the Chief Constable.

(c) The Order also deals with the provision of parking places on those parts of the Esplanades listed in the third Schedule to this notice where charges will be made for parking collected by attendants and not by meters.

The hours for charging are between 9 a.m. and 9 p.m. on any day not being Christmas Day, Good Friday or Boxing Day and the charge will be 2s. for any period per day except that on Sundays and Bank Holidays the charge if the vehicle is left before 2 p.m. will be 4s. and if it is left thereafter 2s.

The parking places on Esplanades may not be used for parking motor cycles but may be used by passenger vehicles, goods vehicles, dual purpose vehicles or invalid carriages.

Provision is made permitting loading and unloading, boarding or alighting from a vehicle and suchlike.

Invalid carriages and those vehicles exempt from charges in the metered parking places (see above) are also exempted from charges on the Esplanades.

(d) The existing protection of sightlines at junctions of roads adjoining the Esplanades are retained in parts of the streets listed in the fourth Schedule to the notice.

(e) Special motor cycle parking places are authorised by the Order in those streets listed in the fifth Schedule to this notice free of charge.

(f) The Order provides for a disabled drivers' parking place to be provided between 9 a.m. and 11 p.m. free of charge on the south side of London Road. There are restrictions on the waiting of other vehicles in the parking place. In the course of time it is hoped to add other such parking places to this part of the Order.

The Order will come into operation on the 26th October 1970, and a copy of the Order and a map showing the roads affected are available at the Civic Centre, Victoria Avenue, Southend-on-Sea, where they may be examined between 8.30 a.m. and 5.30 p.m. Mondays to Fridays.

If you wish to question the validity of the Order or of any provision contained in it on the grounds that it is not within the powers conferred by the Road Traffic Regulation Act, 1967, as amended by Part IX of the Transport Act, 1968, or on the grounds that any requirement of an act or of any instrument made under it has not been complied with in relation to the Order, you may, within 6 weeks from the 15th October 1970, apply to the High Court for this purpose.

COMMONS REGISTRATION ACT

CARMARTHENSHIRE COUNTY COUNCIL

COMMONS REGISTRATION ACT 1965

Common Land and Town or Village Greens

Provisional Registrations and how to object to them

Registrations

The second and last period for application for the registration under the above Act of—

- (a) land which is common land or a town or village green ;
- (b) rights of common over such land, and
- (c) persons claiming to be owners of such land

ended on 2nd January 1970.

The Council is the registration authority for the registration area of which particulars are given at Annex A below. The Register of Common Land and the Register of Town or Village Green for this registration area, containing all registrations made under the Act, and notes of all objections so far made, are available for inspection free of charge at the Council's office at the County Planning Department, 40 Spilman Street, Carmarthen, between the hours of 9 a.m. and 5 p.m. on working days. A table giving brief information about registrations made after 30th June 1968 is at Annex B below. In addition, each local authority other than the Council has available for inspection copies of all registrations affecting land in its own area and copies of register entries of all objections so far made affecting such land.

Objections

The period for objecting to registrations made after 30th June 1968 began on 1st May 1970 and ends on 31st July 1972. Every objection must be made in writing on the special form of objection (C.R. Form No. 26) available free and post free from the Council at the County Planning Department, 40 Spilman Street, Carmarthen and must reach the Council as registration authority at the above address not later than 31st July 1972.

Registrations are independent of each other, so that, for example, a registration of land as common land made before 1st July 1968 and not objected to before 1st October 1970 will become final and definitive on the latter date, but if registrations of rights over that land, or claims to ownership thereof, are made after 30th June 1968, objections to such registrations can be made in the second objection period.

Every objection which is not rejected is noted on the register as soon as possible after receipt, and particulars are sent by the registration authority to the person (if any) on whose application the registration was made, and to certain other persons directly interested in the registration. In addition copies of register entries of objections are sent to local authorities holding copies of the registrations to which they relate.

The noting of an objection on the register does not mean that it is officially admitted to be correct, and it has no immediate effect on the registration. The effect is that, unless the registration is cancelled, or the objector withdraws his objection, the matter will be referred to a Commons Commissioner for decision.

Dated 19th October 1970.

W. S. Thomas, Clerk of the County Council.

County Hall,
Carmarthen.

EAST SUFFOLK COUNTY COUNCIL

COMMONS REGISTRATION ACT 1965

Common Land and Town or Village Green:

Provisional registrations and how to object to them

Registrations

Notice is hereby given that the second and last period for applications for the registration under the above Act of:

- (a) land which is common land or a town or village green;
- (b) rights of common over such land; and
- (c) persons claiming to be owners of such land;

ended on 2nd January 1970.

The Council is the registration authority for the registration area of which particulars are given at Annex A below. The register of Common Land and the Register of Town or Village Greens for this registration area, containing all registrations made under the Act, and notes of all objections so far made are available for inspection free of charge at the Council's office at County Hall, St. Helen's Street, Ipswich, between the hours of 9 a.m. to 12.30 and 2 p.m. to 6 p.m. on working days. A table giving brief information about registrations made after 30th June 1968 is at Annex B below. In addition, each local authority other than the Council has available for inspection copies of all registrations affecting land in its own area and copies of register entries of all objections so far made affecting such land.

Objections

The period for objecting to registrations made after 30th June 1968 began on 1st May 1970 and will end on 31st July 1972. Every objection must be made in writing on the special form of objection (CR. Form No. 26) available free and post free from the Council at County Hall, St. Helen's Street, Ipswich, IP4 2JS, and must reach the Council as registration authority at the above address not later than 31st July 1972.

Registrations are independent of each other, so that, for example, a registration of land as common land made before 1st July 1968 and not objected to before 1st October 1970 will have become final and definitive on the latter date, but if registrations of rights over that land, or claims to ownership thereof, were made after 30th June 1968, objections to such registrations can be made in the second objection period.

Every objection which is not rejected is noted on the register as soon as possible after receipt, and particulars are sent by the registration authority to the person (if any) on whose application the registration was made, and to certain other persons directly interested in the registration. In addition copies of register entries of objections are sent to local authorities holding copies of the registrations to which they relate.

The noting of an objection on the register does not mean that it is officially admitted to be correct, and it has no immediate effect on the registration. The effect is that, unless the registration is cancelled, or the objector withdraws his objection, the matter will be referred to a Commons Commissioner for decision.

G. C. Lightfoot, Clerk of the County Council.

ANNEX A

Particulars of Registration Area

Notice is hereby given that under Part I of the Civic Amenities Act, the Huntingdon and Peterborough County Council has designated certain areas as Conservation Areas. They are Orton Waterville and Orton Longueville.

The Conservation area comprises the old village core, and the boundary runs east from Town Street near its junction with the A.605; it then turns due south and passes behind College Farm and runs nearly straight to Manor Farm; then it follows the boundaries of properties fronting onto Town Street; turning west at the southern tip of the village.
