The effect of the Order, if confirmed without modification, will be to extinguish the following public rights of way:

N28 from a point marked A from the crossing over the railway 50 feet in a westerly direction and thence 1110 feet in a southerly direction to its junction with N32 at a point marked B.

N32 from a point marked C 270 feet south of its junction with Dodnor Lane, a further distance of 1796 feet in a south-easterly direction to its junction with N34 at a point marked D.

N175 from its junction with Newport Quay at a point marked H in an easterly direction for a distance of 330 feet until its junction with N174 at a point marked J, and provide to the reasonable satisfaction of the Isle of Wight County Council the following alternative highways:

N28 from the level crossing at a point marked A 1220 feet in a southerly direction along the western footway of the proposed industrial estate road to its junction with Station Approach at a point marked G. (This will be a public footway and not a public footpath as it will form part of the highway.)
