#### TOWN AND COUNTRY PLANNING ACT 1962

##### *County Development Plan*

Notice is hereby given that the Secretary of State for the Environment has considered the proposals for alterations and additions to the County Development Plan submitted by the Council on 16th July 1968 and relating to land within the Wellingborough Urban District and in the Parishes of Great Doddington, Great Harrowden and Wilby in the Wellingborough Rural District.

Based on the information at present before him, the Secretary of State considers that the proposals should be modified as follows:

##### *Modification*

Reduce the area of town development by excluding land to the south-west, around Wilby, in accordance with deposited details.

##### *Reason for Modification*

The Secretary of State accepts that the continuation of the expansion scheme is of the greatest importance but, in the light of the Inspector's recommendation, he recognises the need for further consideration to be given to the size and location of the Town Development Act proposals. He has considered the boundary proposals submitted to him in the light of these criteria and is not satisfied that a case has been made for the inclusion of the land around Wilby within the area proposed for town development.

An extract of the Inspector's report of the inquiry held on 16th April 1969 which is relevant to the proposed modification has also been deposited for public inspection at the offices of the Clerk of the County Council, County Hall, Northampton, the Clerk of the Urban District Council, Swanspool, Wellingborough and the Clerk of the Rural District Council, 20 Oxford Street, Wellingborough and may be seen between the hours of 9.30 a.m. and 12.30 p.m. and between 2.30 p.m. and 4.30 p.m. on weekdays other than Saturdays and Public Holidays.

Any objection to the proposed modification should be sent in writing to the Secretary, Department of the Environment, Whitehall, S.W.1 before 9th April 1971 and should state in full the reasons for the objection and identify the land to which it relates.

Objections which relate either to the Council's original proposals or to the Secretary of State's failure to make a modification will not be entertained by the Secretary of State.

Dated 12th March 1971.
