A list of the Secretary of State's proposed modifications to the submitted review Town Map was published in December 1969. Based on information now before him, the Secretary of State considers that the proposals should be further modified as follows:

Modification No.	Description of modification	Reason for modification
47	In the Written Statement: Para. 10(i): Amend the last sentence to read: "This road will eventually replace the A12 Trunk Road but it is unlikely to be constructed before the latter part of the plan period and its status will be reviewed at that time."	To clarify the status and programming of the Town Spine Road.
	Para. 63: Delete first two items and substitute: "Bloodmoor Road, and Bloodmoor Road/A12 surface level roundabout."	ditto
	Para. 68: Delete and substitute: "Stages of the Town Spine Road leading up to but probably not including the proposed crossing of Lake Lothing should be constructed during this period. These additions to the highway framework together with improvements carried out during the first phase will enable progressive improvements in the main distributory system to be achieved together with continuing rationalisation of the road systems of the environmental areas. The Carlton Colville By-pass should be constructed towards the end of the period."	ditto

Any objections to the proposed modifications should be sent in writing to the Secretary, Department of the Environment, Whitehall, S.W.1, before the 24th June 1971 and should state in full the reasons for the objections and identify the land to which they relate.

Objections which relate either to the Council's original proposals, or to the modifications previously published, or to the Secretary of State's failure to make a modification, will not be entertained by the Secretary of State. Dated 19th May 1971.
