#### PROPOSED AMENDMENT TO DEVELOPMENT PLAN

#### City of Portsmouth

#### North/South Road

Notice is hereby given that proposals for alterations or additions to the above Development Plan were on the 10th February 1971, submitted to the Secretary of State for the Environment.

This amendment relates to a proposal to alter the alignment of Commercial Road which is indicated on the approved Town Map as a Principal Traffic Route. It is proposed that part of this route be re-aligned to run to the west of the present line of Commercial Road between the junction of Kingston Crescent to

C

the north and Market Way to the south at which points roundabouts are proposed.

This section forms part of the major North/South Route which is a proposed dual carriageway road. The width of the centre reservation is designed to permit the future construction of an overhead road which will ultimately be necessary to cater for the estimated traffic flows by 1985. At the proposed roundabout north of the Royal Hospital, the North/South Road connects with the proposed inner ring road, and as its northern limit in Portsmouth Harbour, the North/South Road connects with the proposed South Coast Motorway.

A section of the existing Commercial Road between the Royal Hospital and Sultan Road would be bypassed by the North/South Route but will form part of the local traffic system within the environmental scheme proposed in the vicinity of the birth place of Charles Dickens although a small section will be closed.

Suitable amenity treatment will be proposed on both sides of the North/South Route.

A certified copy of the proposals as submitted has been deposited for public inspection at the Town Clerk's Department (Enquiry Office), Guildhall, Portsmouth, PO1 2AL, and the City Development Department, 1 Western Parade, Portsmouth PO5 3AJ.

The copies of the proposals so deposited, together with copies of the Development Plan are available for inspection free of charge by all persons interested at the places mentioned above, between 8.30 in the forenoon and 5.45 in the afternoon on Mondays and 8.30 in the forenoon and 5.15 in the afternoon on Tuesdays to Fridays inclusive. Any objection or representations with reference to the proposals may be sent in writing to the Secretary of State for the Environment, Department of the Environment, Whitehall, London S.W.1, quoting reference PF2/1515/3/6, before the 9th August 1971, and any such objection or representation should state the grounds on which it is made and identify the land to which it relates. Persons making an objection or representation may register their names and addresses with the Portsmouth City Council at the address stated below and will then be entitled to receive notice of any amendment of the Development Plan made as a result of the proposals.

##### *Designation of the Mile End Conservation Area (No. 5)*

Notice is hereby given that the Portsmouth City Council have decided to designate part of the Mile End district as a Conservation Area, under section 1 (1) of the above Act in view of the special character and appearance of the area.

The proposed Conservation Area is located on both sides of Commercial Road, between Pitt Street and the White Lion public house on the south and 399 and 414 Commercial Road (Princes Street) on the north. The western boundary is determined by the eastern limit of the carriageway of the proposed North/South Route and the eastern boundary of the Conservation Area is limited by the rear of the properties 406-414 Commercial Road, the new eastern boundary of St. Mary's Convent, and the rear of Mile End School and House. A plan showing the precise boundary of the Conservation Area is available for inspection in the Town Clerk's Enquiry Office (third floor), Guildhall, Portsmouth, and this may be seen during normal office hours.

The area designated for Conservation will retain for the City a small area of town houses characteristic of the Georgian and early Victorian periods having a historical link in the Charles Dickens Museum. When proposals for the ultimate cessation of traffic through this part of Commercial Road are implemented, the street scene of the Dickens period will be seen to its full advantage.

The declaration of a Conservation Area will mean that where an application is made to the Council for planning permission for any development of land within the said Conservation Area, and in the opinion of the Council the proposed development would affect the character or appearance of the area or is of a kind specified by the Secretary of State for the Environment under section 1(6) of the Act, the Council will, in accordance with the provisions of the Act, advertise the proposals and make available all relevant documents for public inspection for 21 days. During this period any person may make representations to the Council as Local Planning Authority, and these will be taken into consideration by the Authority before deciding whether or not to grant planning permission.
