THE PETROLEUM (PRODUCTION) (AMENDMENT) REGULATIONS 1971

The Secretary of State for Trade and Industry is prepared to receive applications in accordance with the Petroleum (Production) Regulations 1966 (S.I. 1966 No. 898) as amended by the Petroleum (Production) (Amendment) Regulations 1971 (S.I. 1971 No. 814) for petroleum production licences in respect of the blocks to which the numbers specified in the Schedules to this notice have been assigned on a map deposited at the Department of Trade and Industry (Petroleum Division), Thames House South, Millbank, London S.W.1. The map may be inspected by prior appointment (Tel. 01 222 7000 Extension 1227) between 0930 and 1700 hours Monday to Friday from 23rd June to 20th August 1971. Copies of the map may also be inspected by prior appointment at the offices of the Department of Trade and Industry at 71 George Street, Edinburgh 2 (Tel. 031-225 1822) and Government Buildings, Gabaifa, Cardiff (Tel. 0222 62131 Extension 735) and at the Ministry of Commerce, Chichester House, 64 Chichester Street, Belfast (Tel. Belfast 34488, Extension 413).

2. The consideration required in respect of production licences granted as a result of this invitation will be:

- (1) in respect of all blocks listed in the Schedules:
 - (a) upon the grant of the licence an initial payment of forty-five pounds for each square kilometre comprised in the licensed area;
 - (b) in respect of the first year from the date of surrender of part of the licensed area (on exercise of the option to continue as to the remainder) the sum of fifty pounds for each square kilometre in the continuing part; in respect of the second year eighty pounds, and similarly by annual increments of thirty pounds until an annual sum of three hundred and fifty pounds will be payable for each square kilometre comprised in the licensed area;
 - (c) a royalty at the rate of twelve and a half per cent. by value on all quantities of petroleum won and saved, from which may be deducted the periodic payments mentioned in (b) above;

(2) in respect only of blocks listed in Schedule II, an additional initial payment or premium for each such block.

3. In certain cases, blocks have been combined to form a parcel of blocks. In these cases, applications will be entertained only in respect of whole parcels and for the purpose of calculating the application fees payable each such parcel will be counted as a single block.

4. Licences granted for blocks marked * may be subject to special conditions governing the notice required for, and the timing and circumstances of, drilling.

5. All applicants must be either citizens of the United Kingdom and Colonies resident in the United Kingdom, or bodies corporate incorporated in the United Kingdom.

6. In respect of the blocks listed in Schedule I:

- (1) applications shall be delivered during normal business hours between 0930 hours on 23rd June 1971, and 1200 hours on 20th August 1971 to the Department of Trade and Industry at Thames House South, Millbank, London S.W.1, together with a payment in respect of the application fee calculated in accordance with Regulation 11 (2) of the Petroleum (Production) Regulations 1966;

- (2) to assist the Secretary of State in the examination of applications, applicants are invited to indicate in as much detail as practicable the degree of preference which they attach to the blocks to which their application relates;
- (3) the considerations (inter alia) the Secretary of State will have in mind in examining applications will be:
- where a body corporate incorporated in a country outside the United Kingdom holds a controlling interest in the applicant, the extent to which equitable reciprocal treatment is accorded in such other country;
 - the extent to which the applicant will further the thorough and rapid exploration of the oil and gas resources of the United Kingdom Continental Shelf, particular attention being paid to the financial and technical ability of the applicant to carry out an acceptable work programme, details of which will be called for when required during the consideration of the applications;
 - exploration work already done by or on behalf of the applicant which is relevant to the areas applied for;
 - where the applicant already holds a production licence or licences, his overall performance to date;
 - the extent of the contribution which the applicant has made or is planning to make to the economy of the United Kingdom including the strengthening of the United Kingdom balance of payments and the growth of industry and employment.
7. The Secretary of State will advise applicants of his decision in due course.
8. In respect of the blocks listed in Schedule II:
- application shall be by way of tender submitted on a special form and delivered by hand enclosed in a plain envelope having a special label to the Treasury Solicitor's Department, Room 1247, Thames House South, Millbank, London S.W.1, between 1000 and 1200 hours on 20th August 1971. Copies of the special tender form and label may be obtained from the addresses given in paragraph 1 above;
 - the tender shall quote separately in respect of each block applied for, the amount in sterling of the additional initial payment or premium tendered;
 - tenders transferable between blocks will not be accepted;
 - the envelope enclosing each tender shall also contain:
 - a deposit in sterling of 20 per cent. of the premium offered in the form of a certified cheque or a bank draft made payable to the Department of Trade and Industry and drawn on a bank which is a member of the Committee of London Clearing Bankers; and
 - a separate payment in respect of the application fee calculated in accordance with Regulation 11 (2) of the Petroleum (Production) Regulations 1966;
 - no specific work programme need be stated in the tender;
 - tenders received in response to this invitation will be opened at 1400 hours on 20th August 1971 at Thames House South, Millbank, London S.W.1; awards will not be announced at that time but will be made known later. Arrangements will be made for representatives of each tenderer, should they so wish, to be present at the opening of the tenders;
 - the Secretary of State reserves the right to reject the highest or any other tender, on all or any of the following grounds:
 - where the tender has been submitted by a body corporate, a controlling interest in which is held by a body corporate incorporated in a country outside the United Kingdom if he is not satisfied that equitable reciprocal treatment is accorded in such other country;
 - where the applicant has not observed all or any of the provisions of paragraph 5 or sub-paragraphs (1) to (4) of this paragraph;
 - if he is not satisfied that the applicant has at his disposal the necessary technical resources to carry out a work programme competently;
 - for any other reason, in which case the reason for doing so will be given to the applicant on request;
 - subject to the Secretary of State's right in accordance with the discretions described above to accept or reject any tender, licences will be awarded to the highest tenderers; in the event of the highest or other acceptable tenders being equal, the tenderers or (if tenders have been submitted by or on behalf of more than one person) groups of tenderers concerned will be given the opportunity of accepting a joint licence each tenderer or group of tenderers (as the case may be) contributing an equal share of the premium offered. If a proposal to award a joint licence shall not have been accepted by all such tenderers within 14 days of the date upon which notice of the proposal was given in manner hereinafter specified, the award of the licence will be at the discretion of the Secretary of State. The provisions of sub-paragraph (9) with regard to the address and the despatch of letters shall likewise apply to the communication of any proposal made pursuant to this sub-paragraph;
 - each successful tenderer shall be informed of the acceptance of his tender by the Secretary of State by letter sent by recorded delivery post to the tenderer at the address given in the tender. Any tenderer whose tender is not accepted will also be notified by post. The balance of the tender premium shall be payable within 14 days of the date upon which the letter of acceptance is posted. On the payment of such balance, a form of licence will be prepared by the Secretary of State for execution and completion (in duplicate) by the successful tenderer. In the event of the withdrawal of the successful tenderer or his failure to pay such balance by the due date, the deposit shall be forfeited and the award of a licence for the block or blocks concerned will be at the discretion of the Secretary of State;
 - deposits for unsuccessful tenders will be returned.

Road Traffic Regulation Act 1967—Proposals for Traffic Restrictions—Station Road, Swinton

Notice is hereby given that the Swinton and Pendlebury Borough Council are considering proposals under section 1 (1), (2) and (3) of the Road Traffic Regulation Act 1967, as amended by Part IX of the Transport Act 1968, the effect of which would be to introduce the prohibition of parking and loading and unloading on the east side of Station Road, Swinton, from a point 165 feet north of the junction with Swinton Hall Road extending in a southerly direction for a distance of 675 feet.

Any Order which it may be decided to make would contain certain exemptions to enable a vehicle to wait for so long as may be necessary for a person to board or alight from the vehicle, to enable goods to be loaded on to or unloaded from the vehicle (apart from during the specified hours) or to enable the vehicle to be used in connection with any building operation or demolition, the removal of any obstruction to traffic, the maintenance of the road or the services therein.

The Council are satisfied that the introduction of the proposals are required to link up with the proposed Traffic Regulation Order which is being made

by the Secretary of State for the Environment for Chorley Road (London—Carlisle Trunk Road A.6) between its junction with Station Road and a point 90 feet east of its junction with Wellington Road.

The new Order will also revoke that part of the Borough of Swinton and Pendlebury Traffic Regulation Order 1959 relating to the east side of Station Road.

A copy of the proposals and the relevant map may be inspected at this office during normal office hours.

Objections to the proposals, giving the grounds for the objections, must be sent in writing to me by the 13th July 1971.

Dated 22nd June 1971.

Town Hall,

Road Traffic Regulation Act 1967—Proposals for Traffic Restrictions Access Road to Town's Yard and Watson Street, Swinton.

Notice is hereby given that the Swinton and Pendlebury Borough Council are considering proposals under section 1 (1), (2) and (3) of the Road Traffic Regulation Act 1967, as amended by Part IX of the Transport Act 1968, the effect of which would be to introduce traffic restrictions as detailed in the Schedule below on the roads referred to.

The proposals also incorporate a provision to prohibit vehicles from making a right-turn into Watson Street from the access road and to amend the existing Order in respect of Watson Street and Wesley Street prohibiting entry except for access, to exclude that length of Watson Street from Station Road to a point just beyond the entry into the new street.

Any Order which it may be decided to make will contain exceptions to permit the conveyance of persons, goods or merchandise to or from any premises situated on or adjacent to the road, the use of vehicles in connection with any building operation, demolition, removal of obstructions to traffic and maintenance of the road or the services therein, and the passage of Police vehicles.
