Proposed Controlled Parking Zone—Smithfield Market Area

This notice supersedes the Common Council's notice of 6th May 1971

Notice is hereby given that the Common Council of the City of London is applying to the Greater London Council under the provisions of sections 35, 36, 37, 40 and 84D of the Road Traffic Regulation Act 1967, as amended, for Orders to be entitled (i) The City of London (Parking Places) Order 197, and (ii) The Parking Places (City of London) (No. 1) 1965 (Amendment No.) Order 197, and, in conjunction with the first-named Order, for complementary Orders under the provisions of sections 6 and 84D of the said Act of 1967, to be entitled (iii) The City of London (Smithfield) (Waiting and Loading Restriction) Order 197, and (iv) The City of London (Prescribed Routes) (Amendment No.) Traffic Order 197.

The general effect of these proposed Orders will be to impose a system of controlled parking in the Smithfield area of the City of London, bounded approximately by Charterhouse Street on the north, Fox and Knot Street and Lindsey Street on the east, West Smithfield and Long Lane on the south and by (but not including) Farringdon Street on the west (hereinafter referred to as "the controlled area").

The proposed City of London (Parking Places) Order 197 would:

- (i) designate charged-for parking places (hereinafter referred to as "parking places") in the highways named in the Schedule to this notice;
- (ii) provide that the "permitted hours" for the leaving of a vehicle in a parking place shall be the period between 3 p.m. and 6.30 p.m.,

Mondays to Fridays inclusive, and between 8.30 a.m. and 1.30 p.m., Saturdays, between 27th December in any year and 9th December the following year (both dates inclusive) any such day not being Good Friday or a Bank Holiday;

- (iii) provide that the parking places may be used for the leaving during the permitted hours of such vehicles as are passenger vehicles, goods carrying vehicles, motor cycles or invalid carriages;

(NOTE: "goods carrying vehicle" means a motor vehicle which is constructed or adapted for use for the carriage of goods of any description, but does not include a motor vehicle constructed, adapted or being used solely for the carriage of passengers and their effects or a hackney carriage.)

- (iv) provide that the charge for a vehicle left in a parking place shall be at the rate of ten new pence for any period during the permitted hours;

- (v) provide that the charge shall be payable on leaving the vehicle in a parking place by the insertion of a coin or coins in a ticket parking meter, and that the driver of the vehicle shall exhibit the ticket issued by the ticket parking meter in the prescribed manner;

- (vi) provide for the removal of vehicles in certain circumstances;

- (vii) provide for exemption from the charge in respect of a vehicle left in a parking place in certain circumstances, e.g. when left by specified disabled persons or while persons are boarding or alighting or in respect of a goods carrying vehicle waiting within a parking place for so long as may be reasonably necessary to enable it to be used for the purposes of collecting or delivering goods or loading or unloading the vehicle at premises fronting upon or accessible from and only from any streets or parts of any streets within the controlled area or in respect of vehicles waiting for not more than 20 minutes while goods are being delivered or collected or the vehicle is being loaded or unloaded at premises adjacent to a parking place;

- (viii) prescribe the manner in which vehicles shall stand in parking places;

- (ix) provide for the suspension of the use of parking places;

- (x) empower the Common Council to install ticket parking meters adjacent to parking places.

The proposed Parking Places (City of London) (No. 1) 1965 (Amendment No.) Order 197, would revoke the designation of the parking place in St. John Street and of two parking places in West Smithfield by, and numbered 180, 213 and 214 in the Parking Places (City of London) (No. 1) Order 1965, the effect of which would be to impose waiting restrictions in St. John Street at any time and in West Smithfield between 8.30 a.m. and 6.30 p.m. on Mondays to Fridays inclusive and between 8.30 a.m. and 1.30 p.m. on Saturdays, by virtue of the City of London (Smithfield) (Waiting and Loading Restriction) Order 197, and the City of London (Waiting and Loading Restriction) Order in the parts of highway formerly designated as parking places.

The proposed City of London (Smithfield) (Waiting and Loading Restriction) Order 197 would:

- (i) prohibit waiting by vehicles at any time in certain lengths of streets in the controlled area—primarily at road junctions;

- (ii) prohibit waiting by vehicles, otherwise than for the purposes of delivering or collecting goods or loading or unloading the vehicle:

- (a) during the hours of midnight and 3 p.m. on Mondays to Fridays inclusive and midnight and 8.30 a.m. on Saturdays (during the period 10th December to 24th December each year, the hours would be extended to 6.30 p.m. on Mondays to Fridays inclusive and to 1.30 p.m. on Saturdays) in those parts of the streets in the controlled area which would be parking places;

- (b) at any time in the parts of streets in the controlled area which would not be parking places and which would not be affected by the prohibition referred to in paragraph 5(i) above;

- (iii) prohibit waiting by vehicles for the purposes of delivering or collecting goods or loading or unloading the vehicle for a period of more than 20 minutes during the times mentioned in paragraph 5 (ii) (a) and (b) above in so far as such times fall between the hours of 11 a.m. and 6.30 p.m.;
- (iv) provide exemptions from the prohibition referred to in paragraphs 5 (ii) above in respect of goods carrying vehicles waiting within a parking place for the purposes of collecting or delivering goods or loading or unloading the vehicle at premises fronting upon or accessible from and only from any streets or parts of streets or in the controlled area;
- (v) provide exemptions to permit vehicles to wait in order to pick up and set down passengers and to carry out essential services or when used by local authorities in pursuance of statutory powers or duties;
- (vi) impose restrictions on street trading and advertising;
- (vii) designate cycle parking areas in St. John Street and West Smithfield;
- (viii) amend the City of London (Waiting and Loading Restriction) Order by deleting therefrom references to certain parts of streets which would be included in the City of London (Smithfield) (Waiting and Loading Restriction) Order 197 and by redefining a cycle parking area in Snow Hill.

The proposed City of London (Prescribed Routes) (Amendment No.) Traffic Order 197 would allow vehicles to manoeuvre into and out of the parking places.

A copy of each of the proposed Orders, the Orders to be amended, together with the amending Orders thereto, a copy of a map showing the proposals and a copy of the Common Council's statement of reasons for applying for these Orders, may be inspected between the hours of 9.30 a.m. and 5 p.m. on Mondays to Fridays inclusive during a period of 21 days from the undermentioned date of this notice at the office of the undersigned, Guildhall, London E.C.2. During this period any person requiring an explanation of the proposed Order may obtain same from the City Engineer's Office, Guildhall, London E.C.2.
