CIVIC AMENITIES ACTS

DURHAM COUNTY COUNCIL

CIVIC AMENITIES ACT, 1967

Middleton-in-Teesdale—Designation of Conservation Area

Notice is hereby given that on 2nd February 1972, the Durham County Council, in pursuance of their powers under section 1 of the Civic Amenities Act, 1967, designated as a Conservation Area that part of Middleton-in-Teesdale described in the Schedule hereto.

Middleton-in-Teesdale was a major centre of the lead mining industry in the early 19th century and owes its present character largely to the development which then took place. The small New Town is a model estate of that period and the other main features are the steeply rising green, the market place, the deep valley of the Beck and the parkland below Middleton House.

A plan showing the area designated has been placed on deposit at the offices of the Barnard Castle Rural District Council, 43 Galgate, Barnard Castle, and at County Hall, Durham (Room 1-19) and may be inspected there during normal office hours.

SCHEDULE

That part of the village built in the 19th century, including open areas on the approach roads and part of the river banks from west of Budeshope Beck to east of New Town.

Dated 3rd February 1972.

Bishopton and Heighington—Designation of Conservation Areas

Notice is hereby given that on 2nd February 1972, the Durham County Council, in pursuance of their powers under section 1 of the Civic Amenities Act, 1967, designated as Conservation Areas those parts of Bishopton and Heighington described in the Schedule hereto.

The earthworks in the village of Bishopton are of Saxon origin and are the oldest traces of the village. The character of the village is created mainly by the quality of its spaces, the buildings having been greatly altered in many cases although a few are listed as of architectural interest.

Heighington has one of the finest square greens in the County, and a framework of buildings round it of considerable architectural interest. Pressures for new development and change are likely to grow as a result of the large new residential development to the west. The appearance of the approaches from the north, south and east are of considerable importance to the village and these would be protected by inclusion in the Conservation Area.

Plans showing the areas designated have been placed on deposit at the offices of the Darlington Rural District Council, "Craig Lea", Uplands Road, Darlington, and at County Hall, Durham (Room 1-19), and may be inspected there during normal office hours.

SCHEDULE

Bishopton

The whole of the village proper, the Castle Hill earthworks and fields between the west end and Road C.46.

Heighington

The whole of the original village together with land to the north of Hall Lane and parts of School Aycliffe Lane, Heighington Lane, Darlington Road and Highside Road.

Dated 3rd February 1972.

Egglecliffe—Designation of Conservation Area

Notice is hereby given that on 2nd February 1972, the Durham County Council, in pursuance of their powers under section 1 of the Civic Amenities Act, 1967, designated as a Conservation Area that part of Egglecliffe described in the Schedule hereto.

This very attractive village is quite separate from the general residential growth in the Egglecliffe area. The river banks are in a wedge of open space shown on the Teesside Plan and their inclusion ties in with the Yarm Conservation Area designated by the North Riding of Yorkshire County Council.

A plan showing the area designated has been placed on deposit at the offices of the Stockton Rural District Council, Cromer Lodge, Yarm Lane, Stockton-on-Tees, and at County Hall, Durham (Room 1/19) and may be inspected there during normal office hours.

SCHEDULE

The whole of the village, the Manor House, The Green and the Church together with both sides of Buts Lane, the river banks to the west and open land between the village and the river to the south.

Dated 3rd February 1972.
