#### ESSEX COUNTY COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971

*County of Essex Development Plan—Major Route System of the County*

Notice is hereby given that the Secretary of State for the Environment has considered the proposals for alterations and additions to the County of Essex Development Plan submitted by the Council on 10th November 1967 and relating to:

- (i) Main East-West Route—a proposed principal traffic road to supplement the existing A.120 running from the County boundary, east of Bishops Stortford, to route A.12 south of Marks Tey;
- (ii) Chelmer Valley Road A.130—a proposed principal traffic road running northwards from Rectory Lane, Chelmsford via the Chelmer Valley and by-passing Great and Little Waltham to the east to join the proposed main east-west route;
- (iii) Waltham Abbey-Harlow Route—a proposed principal traffic road running northwards from the junction of the "D" Ring Road and route A.121, east of Waltham Abbey, to the boundary of Harlow New Town north-east of Roydon Hamlet;
- (iv) The Waltham Abbey Northern Relief Road Extension;
- (v) Howe Green, A.130 realignment;
- (vi) Harwich Approach Road—from the eastern end of Ramsey By-pass (A.604) to Harwich Quay.

Based on the information at present before him, the Secretary of State considers that the proposals should be modified as follows:

Modifi- cation No.	Route	Modification	Reason for Modification
1	Main East-West Route.	(a) Delete from County Map. (b) Add to Written Statement: "It is proposed to relieve the A.120 partly by providing by-passes for Dunmow, Coggleshall and Braintree and if necessary also by providing a new route".	It is accepted that there is a need to relieve conditions on the A.120. It is however thought that no decision should be taken on a new route until the feasibility study in respect of the proposed new route from M.1 (near Luton) to M.11 (south of Bishop's Stortford), which will eventually be extended eastwards, has been completed.
2	Chelmer Valley Route.	(a) Delete from County Map and Chelmsford Town Map. (b) Add to Written Statement: "It is proposed to improve communications from the north of Chelmsford towards A.120 by providing a new road for this purpose. Its general location is still under consideration".	Although the case for the southern section has been established it is thought that further consideration needs to be given to its location. It is also thought that no decision should be taken on the northern section until decisions have been taken on the east-west route.
3	Waltham Abbey-Harlow Route.	(a) Delete from County Map and Waltham Abbey Town Map. (b) Add to Written Statement: "It is intended to provide a new road linking Waltham Abbey and Harlow when decisions on its location can be taken".	It is accepted that a link between these towns is needed but it is thought that the question of its location must remain open until decisions have been taken about the point of entry into Harlow and other major road proposals in the vicinity of both towns.
4	The Waltham Abbey Northern Relief Road Extension.	(a) Delete from County Map and Waltham Abbey Town Map. (b) Add to Written Statement: "A new road to enable traffic to and through Waltham Abbey to avoid the built-up streets of the eastern section is to be provided. It is intended to serve residential development and to connect with existing estate roads. It is expected to join with the proposed Waltham Abbey-Harlow route the location of which has still to be determined".	This is not a principal traffic road and does not therefore merit inclusion in the development plan. In view of its local significance it is however desirable to make the intention clear.

Modification No.	Route	Modification	Reason for Modification
5	Harwich Approach Road.	(a) Delete eastern section from Parkeston Road into Harwich from the County Map and the Harwich Town Map. (b) Add to Written Statement: "It is intended to provide a new road to serve traffic to and from the Quays at Parkeston and Harwich. The location of the eastern section from Parkeston Road into Harwich has not been decided".	The need for this road is accepted. It is however thought that the location of the eastern section needs further consideration.

Any objection to the proposed modifications should be sent in writing to the Secretary, Department of the Environment, 2 Marsham Street, London SW1P 3EB, before 27th May 1972 and should state in full the reasons for the objection and identify the land to which it relates.

Objections which relate either to the Council's original proposals or to the Secretary of State's failure to make a modification will not be accepted for consideration.

Dated 4th May 1972.

J. S. Mills, Clerk of the Council.

Notice is hereby given that on 3rd May 1972, the Durham County Council in pursuance of their powers under section 1 of the Civic Amenities Act, 1967, designated as a Conservation Area that part of Brancepeth described in the Schedule hereto.

Brancepeth was a place of pilgrimage and a seat of the Neville family for 400 years. The castle was largely rebuilt about 1820 and the houses in the village date from the mid-18th to mid-19th century, but their styles are remarkably harmonious. With few exceptions the buildings are all listed as of architectural interest. The main approach roads are included to safeguard the village's present compact appearance. Existing low density private development is largely screened from the village by dense woodland, which is vital to the character of the Conservation Area and will be protected by Tree Preservation Orders.
